

THE DRUGGISTS ADJOURN.

A Brilliant Banquet a Fitting Termination to the Well Done.

WILL MEET NEXT YEAR IN ST. LOUIS.

Mr. Thomas Dollier Re-elected President of the Proprietary Association.

The sixth session of the National Wholesale Druggists Association was called to order at 10:30 A. M. yesterday by President John B. Purcell.

Col. Purcell asked Mr. Davis to introduce representatives of the Michigan State Pharmaceutical Association.

Mr. Sourwine then addressed the association concerning the plan of his association to prevent cutting of prices in the drug trade.

Mr. Kline of Philadelphia, thought that however much the manufacturer might wish to regulate the prices of goods, yet little could be done without the cooperation and united influence of the retailers.

He told of his late visit to England and his observations on that visit made amongst the trade there.

There was mutual confidence and trust between them and that was the way to meet this problem as each of the parties promised the other something and kept it.

Mr. Kline did not discuss the plan of Mr. Sourwine, as he said he had not considered it, but he thought that something should be done and would be done.

Col. Purcell spoke from the chair, saying that he had told Messrs. Sourwine and Anderson that he had assured them of the support of the association for a trial of their plan anyway.

The plan was referred to the incoming Proprietary Goods Committee for consideration and report on motion of Mr. Noyes.

Mr. Noyes offered a resolution paying him tribute to the industry and worth, and of the great and good work done by Mr. Kline, of Philadelphia, for the last ten years as Chairman of the Committee on Proprietary Goods.

The resolution was seconded and adopted amidst great applause from the association.

OFFICERS ELECTED. The next business in order was the election of officers for the ensuing year.

Mr. H. H. Osgood, Chairman of the Committee on Time and Place of Next Meeting, reported a recommendation of October 1888 as the time and St. Louis, Mo., as the place of next meeting.

Mr. R. W. Powers, of Richmond, got a great laugh when he said that the association would be violating precedent if it adopted the recommendation of the committee and he favored the selection of Chicago.

After a long and good-natured discussion, participated in by delegates from all parts of the country, St. Louis was chosen as the place of the next meeting.

Mr. R. W. Powers, of Richmond, got a great laugh when he said that the association would be violating precedent if it adopted the recommendation of the committee and he favored the selection of Chicago.

He said Chicago had not been honored as the place of the next meeting, and that it had met in every other large city since it was in Chicago last and twice in Detroit.

After a long and good-natured discussion, participated in by delegates from all parts of the country, St. Louis was chosen as the place of the next meeting.

Mr. Myers, of Cleveland, from the Committee on Resolutions, submitted a report which was highly complimentary to the president.

THE GINTER MEMORIAL.

FOR A MECHANIC'S INSTITUTE AND TECHNOLOGY SCHOOL.

The Y. M. C. A. Committee and Representative Business Men Declare This to be the Most Appropriate Method.

The committee consisting of Messrs. Bryce Stewart Hume (chairman), Robert Lecky, R. H. Meade, R. R. Harrison and Julian Bryant on the part of the Young Men's Business Association to confer with a number of well-known business men met at the office of the Virginia State Insurance Company yesterday afternoon at 5 o'clock to consider the question of erecting a memorial to the late Major Lewis Ginter.

Judge George L. Christian presided over the meeting and Mr. Henry Lee Valentine acted as secretary.

The meeting was of a private nature and only informal discussions were held. The object and purpose of the meeting was to get the Tobacco Exchange, the Chamber of Commerce and other business organizations to co-operate in the effort to erect a suitable memorial to the memory of Major Ginter and the movement will be pushed forward in the near future.

The following was adopted unanimously by the meeting: THE RESOLUTION. Resolved as the sense of this meeting: First, That a suitable memorial should be erected in this city to commemorate the life and character of the late Major Lewis Ginter.

Second, That a mechanic's institute of technology would be the most appropriate and useful memorial for the above purpose.

Third, That an organization be effected to accomplish the foregoing purpose by a popular subscription and that all the business and other organizations of this city be invited to co-operate in this work.

Fourth, That the press of this city and he and it is hereby requested to use its best influence in furthering this movement.
