THEIR LICENSE TAXES WERE REDUCED BY THE COUNCIL.

AN EFFORT FOR CLASSIFICATION.

Mr. Caskie Urged That the Question be Sent Back to the Finance Committee—Street Work Ordered.

As was anticipated the retail liquor dealers were out in force last night to petition the Common Council to annul the action of the Committee on Finance doubling their license taxes for the coming year.

Bloomberg, Curtis, Gibson, Grimes, Harrison, Hecke, Hobson, McCarty, Mills, Miller, Peters, Pollock, Shea, Teedy, Wallerstein, Whalen, Woody, Camp, Cottrell, Garter, Winston, Williams, Ferguson, Gantt, and the Mayor.

Communication was received from the Mayor transmitting the annual reports of the various city officials, and expressing the opinion that the city departments were being efficiently and honestly managed.

The following recommendations of the Street Committee were concurred in: Appropriating \$25,000 to pave with granite equal to the road of First street from Main to Marshall.

WILLIAM KINNIER. LYNCHBURG, VA., April 2.—Special.—Mr. William Kinrier, the senior partner of the well known china and glassware firm of Kinrier, Montgomery & Co., passed away at his home, corner of Washington and Madison streets, yesterday morning at 11 o'clock. He had been in failing health for two or three months, but was able to visit his place of business until about two weeks ago, when increasing infirmities confined him to his house. Yesterday morning he was surrounded by his family, and was occupying the same room, noticed that his father seemed more restless than usual, and a little later physicians were sent for. Mr. Kinrier was conscious then, that the end was near, and surrounded by his family and attended by his life-long friend, Rev. Tazewell McCorkle, he gave his final directions.

Mr. Kinrier was born in this city about sixty-three years ago, being the son of Mr. James Kinrier, a leading merchant of Lynchburg, who came here from Ireland. At an early age Mr. Kinrier went into business, and as a young man was at various times connected with the wholesale grocery business of Lynchburg, and was a partner in the firm of Kinrier, McCorkle & Clark. He also worked for a time as a clerk of the Virginia and Tennessee railroad. A few years he spent in Richmond learning the china and glassware business in the concern of Kinrier, McCorkle & Clark, who turned to this city and laid the foundation for the present successful business house, leaving it for several years as a member of the Wise Troop, Second Virginia Cavalry. After the surrender Mr. Kinrier returned to Lynchburg and resumed his business. Mr. Kinrier was twice married, his first wife being Miss Scroggs, of Bedford county, a sister of Richard Scroggs, the millionaire merchant of St. Louis, and of Mrs. James Kinrier, a leading merchant of Lynchburg, who came here from Ireland.
