

BURNED WITH ACID IN MANCHESTER Mr. R. C. Broadus, Jr., Meets With a Serious Accident

Death of Little Samuel Lewis—Horse Scared to Death—Revival Services, News, Personal and Brief, Across the James.

Manchester Bureau, Richmond Times, No. 1112 Hull Street, Beattie Block. Mr. R. C. Broadus, Jr., met with quite a serious accident at the Southern Shops yesterday afternoon, being badly burned about the face and eyes with a strong acid. He was taken to his home, where Dr. Merchant was called and treated the injured man.

INFANTS' DEATH. Samuel R. Lewis, the infant son of Mr. and Mrs. L. Lewis died Wednesday evening at 5:50 o'clock at the home of the parents, No. 713 Perry Street, from which place the funeral will take place this morning at 10 o'clock. Burial will be made in Maury Cemetery.

GANG OF TRAMPS. T. H. Daughtridge, of Rocky Mount, N. C., was walking down the Atlantic Coast Line Railroad at 4 o'clock Wednesday afternoon when he was attacked by a gang of tramps, who robbed him and otherwise badly treated him.

He succeeded in getting away, and lost no time in going to Richmond. He reported the treatment he had received at the hands of the tramps to the Richmond officers, but they could take no action in the matter, and sent him to Manchester with his troubles. He reported to police quarters here, and the officers of the right and Smith went to the scene of the outrage. They found the tramps in a drunken row, and arrested six of them, who gave the following names:

James Roth, Lemuel Wayman, John Brockrick, George Brodrick, Thomas McCoffey and Robert Bridges. They were before the Mayor yesterday, and the first four named were sent to jail for five days each. McCoffey and Bridges were discharged.

W. S. Cook was before the Mayor yesterday for allowing his stock to run at large. The series of meetings at the Presbyterian church will be continued the balance of this week, with preaching by Rev. D. K. Walthall, of Mizpah church. Services begin promptly at 8 o'clock, and everybody is invited to come and bring with them Gospel Hymns Nos. 5 and 6.

Walthall is preaching with great power, and all who wish to hear the Gospel in the plain, old-fashioned way should not fail to hear him to-night. PERSONAL AND BRIEF.

Mr. W. E. Lipscomb, who has been quoted in the past week as improving, is now on his feet, and is expected to be discharged from the hospital tomorrow. Mr. Alexander Packie will preach next Sunday afternoon at Leader Hall at 3 o'clock.

SCARED TO DEATH. A horse belonging to M. Samuel Belcher, of Swansboro, was scared to death Wednesday afternoon on the Free Bridge. The animal was being driven across the bridge, and just as he reached the Richmond end of the bridge several of the heavy teams were discharged, which frightened the animal, so that he died in a few minutes. He is thought to have burst a blood-vessel.

The remains of Mr. Gus Berger were sent to his late home, in Skidmore, for burial yesterday afternoon. They were accompanied by his widow and two sons. Hustings Court will be in session today. James Ross, colored, will be tried for shooting at Joe Lambert.

A marriage ordinance committee will be held to-night at 8 o'clock. Mr. A. Knorr, who has been ill for some time, is out again. The entertainment given last night at the parlors of the Bainbridge Street Baptist Church by the Young Ladies' Sewing Circle was a success socially and financially.

Mr. W. E. Gary, of New York, was in the city today visiting his aunt, Mrs. H. E. DuVal, on Porter Street. Custom House Notes.

The sale of internal revenue stamps indicates very healthy business conditions in Richmond. Wednesday's receipts were \$30,765.44, which Stamp Deputy N. J. Smith says is an unusually fine showing for this season of the year.

Imports have fallen off slightly in Richmond, but this is due to the fact that three of the Chesapeake and Ohio big freight steamers are tied up at Liverpool. The Longshoremen in that city are on a strike and it is impossible for the vessels to receive their cargoes.

Collector John S. Bethel has been requested by the supervising architect of the Treasury Department to have the Custom-house photographed and to send him a picture. The Surgeon-General of the Navy Department has awarded the contract for the care of sick seamen at Richmond to the Retreat for the Sick, for one fiscal year, ending June 6, 1901.

Kube & Gibson, merchants, of Orange county, through their counsel, Colonel Geo. E. Shackford, filed a petition in voluntary bankruptcy. The firm's liabilities are \$4,256.61. Judge Waddill has gone to Norfolk to hold court.

COMMON COUNCIL THANKS MR. CASKIE President of the Body Replies With a Few Appropriate Remarks.

EXCEED COAL AND OIL ACCOUNT The Committee on Light is Allowed to Do So—Adoption of Ordinance Relating to James River Improvement Committee.

The deliberations and work of the Common Council lasted only about forty minutes last night, the main matter to be disposed of being the resolution offered by Mr. Mosby, in the Board of Aldermen, to appropriate \$12,000, which the Committee on Light is to be allowed to use in excess of its appropriation for coal and oil. Those of the members present were: Messrs. Bloomberg, Caskie, Curtis, Garber, Gibson, Gunst, Hobson, McCarthy, Miner, Peters, Neale, Pollock, Shea, Stein, Teeley, Walsterstein, West, Williams, and Woody.

The resolution adopted by the Board of Aldermen, to allow the Committee on Light to exceed its appropriation of the coal and oil account, and that the amount be \$12,000, was adopted.

Mr. Waienstein offered a resolution, which was adopted, expressing the thanks of the body for the fairness and impartiality with which Mr. James Caskie has presided over the body.

Mr. Caskie made a few remarks, thanking his colleagues for their expression of thanks. Messrs. Peters and Pollock were appointed to draft the resolution and present it to Mr. Caskie.

A resolution requiring the establishment of a true grade of Tenth Street south of Byrd was adopted.

An ordinance naming the number of members of the various bodies which shall constitute the Committee on Improvement of James River was lost. The ordinance allows the Common Council to have one more member on the committee than it has had heretofore.

A resolution authorizing the City Auditor to give the City Sergeant the sum of \$90 for jail records was adopted.

Mr. Waienstein moved to reconsider the vote by which the body refused to adopt the ordinance regarding the organization of the Committee on Improvement of James River. The measure was then adopted.

No other matters of importance came up before the body. Mr. Harry C. Glenn and Mr. E. B. Thomson, new members of the Council, were welcomed.

MATERIAL IMPROVEMENT. French Consul at Yun Nan Fu Sends Encouraging News.

PARIS, June 21.—The Minister of Foreign Affairs, M. Delcasse, replying to questions in the Chamber of Deputies, said that a dispatch had just arrived from Mr. Francois, the French Consul at Yun Nan, dated the 19th, saying the Chinese authorities were at last realizing their responsibilities, and that he would probably be able to leave.

This dispatch ended with the words: "A material improvement in the situation exists." M. Delcasse added: "Not long ago we had in China some wooden vessels, but as our fleet is the best instrument of our diplomacy in China, I made an effort to have them replaced by modern warships.

At the end of the month of May 99 men left France to reinforce our troops in Chinese waters. Before the relations of M. Pichon (the French Minister at Peking) with China were broken, I offered M. Pichon to send a battalion and a battery of our troops to reinforce our troops at the present moment we have 2,500 men, and before long shall have 4,000 and eight cruisers, four gunboats and a dispatch boat. France, united with Russia, will be able to work in concert with the other powers to restore order and security in the institutions of a government capable of guaranteeing all foreigners that safety which the Chinese enjoy in France."

As regards the security of foreigners in China, and of Frenchmen in Yun Nan, M. Delcasse said that the government can only express hopes, but the Chinese Government and Viceroy of Yun Nan were fully aware of their responsibility.

M. Delcasse then remarked: "We have been asked why we have not sent troops to Yun Nan, but M. Francois never asked them to be sent. Only in his last message he urges us not to send troops across the frontier of Tonquin. He realizes that the entry of French troops into Yun Nan would be a signal for disorder, which we must suppress, but which it would be preferable to avoid. The Viceroy of Yun Nan has been warned by cable, but it is at Peking and through Peking that the powers will secure safety for their countrymen, and the powers are in accord in this matter."
