

THE MARKET WAS IMPENSELY DULL

And Dealings Were on an Insignificant Scale.

BONDS CONTINUED VERY FIRM.

The Dropping Tendency in Wheat and Cotton Had a Stiffening Effect on Some of the Railroad Stocks.

NEW YORK, June 30.—To-day's stock market showed clearly that operators in stocks have resigned themselves to a period of waiting and idleness following the abortive bull movement yesterday.

The increase in cash of \$640,200 also fills the expectation that some of the week's requirements for cash had already been anticipated in last week's bank statement.

MONEY AND EXCHANGE.—Money on call nominal; no loans; prime mercantile paper, 3 1/2% per cent.

THE LAWYERS WAY

If you were to give away an orange you would simply say: "I give you the orange." But this is the way a lawyer would put it in writing: "I hereby give, grant and convey to you all my interest, right, title and advantage of and in said orange, together with its rind, skin, juice, pulp and pits, and all rights and advantages therein, with full power to bite, suck or otherwise eat the same, or give away with or without the rind, skin, juice, pulp or pits anything herebefore or in any other deed or deeds, instruments of any nature or kind whatsoever to the contrary in any wise notwithstanding."

also in the brokerage business, but not in the same way. Supposing you want to buy 100 shares of sugar, on a margin; some brokers would want 20 points cash, others 30, 40 or 50, and you would be lucky if you got it within a dollar of the market price (at time you gave the order). Some houses ask a big margin because they are "old fogies"; others because they are so rich that they do not care for small orders; others because they have but little capital and must get your money to send with the order. We are different, because we have ample capital (\$100,000.00), have our own private wires and live spot service. Try us.

The bond market has furnished a better index than the stock market of the coming ease in money, and continued firm to-day, as it had been all the week.

MONDAY, JULY 1, 1900. The total sales of stocks to-day were \$8,000 shares.

and on the New York Cotton Exchange. The stupendous rise of 41 points on July yesterday, a fitting capstone to the most remarkable advance on record, was followed this morning by a sheer drop of 41 points. The latter option showed correspondingly records from the perpendicular.
