

MANY ANXIOUS FOR OFFICE Hundreds Would be Superintendents of Schools.

GOV. TYLER IN A SHAKE UP.

Will Return From Tappahannock in a Few Days—Examinations for Public Schools Announced—Capitol Notes.

Great numbers of letters are continually coming in at the Department of Public Instruction on the subject of school superintendents to be appointed by the Board of Public Instruction between now and July 1st, when the new appointees will take office.

Governor Tyler and party are expected to return from Tappahannock in a few days. None of them were at all hurt in the shake-up occasioned by the departure of the schooner, Old Point Tuesday, though the young ladies were badly frightened.

MANY INVITATIONS. Governor Tyler received an invitation yesterday from Hon. Milton L. Southard, president of the Ohio Society of New York to be the guest of the Society at its annual banquet to be held at the Waldorf-Astoria, in New York city, on the 26th of March, to meet Governor Nash, of Ohio. Invitations have been extended to all the Governors of the North-western Territory and also to the Governors of the States of Connecticut, Massachusetts and Virginia.

A CHICAGO LADY'S RECOVERY. How Peruna Cures Catarrh of all Internal Organs After Doctors Fail.

Mrs. President Byron, of Chicago.

Mrs. C. L. Byron, of No. 526 Lincoln Avenue, Chicago, Ill., is president of the Chicago German Woman's Club. She has the following to say of Peruna, the great catarrh remedy, which relieved her of a serious case of catarrh of the bladder:

The Peruna Medicine Company, Columbus, Ohio: Gentlemen,—I was cured of a very severe case of bladder trouble which the doctors did not know how to reach. I had severe headache and dragging pains with it, but before the second bottle was used I felt much relieved, and after having used the fifth bottle I looked different to me. This was nearly a year ago, and I have had no recurrence of the trouble. I cannot praise Peruna too highly.

Catarrh of Bladder or Chronic Cystitis. Mr. Charles Lindsay, of South Wayne, Wis., who is sixty-three years of age, writes Dr. Hartman as follows: "I have been troubled for fifteen years with catarrh of the digestive organs and the bladder. Have tried all medicines recommended for my trouble but could not find anything that would relieve me of my terrible suffering until I was advised to take Peruna. I have taken six bottles of Peruna, and thanks to Dr. Hartman, of Columbus, Ohio, I am now soundly cured of all my suffering."

Cystitis is One Form of Chronic Catarrh. Cystitis is catarrh of the bladder. It would be difficult to describe the distressing and annoying symptoms which this disease occasion. We shall not attempt to do so for many reasons.

People who have had any experience with this disease, know without any words of ours, the agony which it brings. Catarrh of the bladder is not only a distressing disease, but very difficult to cure. If the function of the bladder could be suspended for a few days, it would be much easier to treat it, but to undertake to treat an inflamed organ and yet give it no rest from its regular function is quite difficult.

Peruna has proven itself, after many years' experience, a remarkable remedy for these cases. The two cases given are only two of hundreds we could cite. After months of suffering and illness, Peruna restores. It sometimes happens that after years of chronic catarrh of the bladder, a patient endures a course of Peruna permanently cured.

Any one so afflicted should not fail to write Dr. Hartman. All letters answered free.

There are no leaks in the canal wall at any point that can be referred to as leaks. The canal walls are of a coarser grade of concrete work, and whenever water is drawn from the canal, if there is any head of water on the land adjacent to the canal walls, due to rain, or any other cause, at various points along the canal, small, almost capillary openings in the concrete will permit water to percolate through.

It is a matter of absolutely no consequence, and we will make no effort to stop it. This is all the foundation there is for the story of a leak in the canal walls.

The machinery at the new power plant is being tested thoroughly and everything gotten in readiness for the formal beginning of operations. It is expected that within a very short time, ten days or two weeks, power will be supplied to the patrons of the company.

PLACED IN GOOCHLAND JAIL. Several Richmond Boys Are Arrested by Officer Duke.

Six Richmond boys, John Carter, Frank Finnegan, Lynn Chamberlayne, Clarence Morris, Elmer Frazier and Harry Duke were arrested a few days ago by Special Officer C. D. Duke, of the Chesapeake and Ohio Railway, charged with riding on freight trains. They were tried before a magistrate in Goochland, and were sent to jail, except Duke, who paid his fine.

Another party including J. C. Elden, Ed Padgett, J. L. Callaway, C. L. Winborn, E. L. Perkins and J. D. Firtz, were also arrested, charged with breaking windows in the Chesapeake and Ohio section-house at Sabot Station. The last three in the list got off with paying the fine and the others went to jail.

A New Fakir. There are fakirs in all trades, but you would enter into the collection of all old rubber and thus defraud the ladies of the Virginia Hospital, who had decided upon this plan to raise the money for the institution. However, he has gotten in some good work and collected more old rubber than the regularly appointed rubber-man. This unknown person seems to have called at many houses and collected much rubber, under the pretense of representing the hospital.

A large quantity of rubber was brought here from Hardway, Va., through Mrs. Taylor's efforts, and when called for at the depot this same unknown person

had already collected it. The police have been notified and are on the lookout for the thief.

The ladies of the hospital, however, are not discouraged, and will send for rubber if notified by phone or message where to call.

Mr. Deyer Here. Mr. E. O. Deyer, Deputy Collector of Internal Revenue for the district, was in the city yesterday. He could say nothing in reference to the removal of the office from Petersburg to this city, as the matter had not been definitely determined.

Mr. Deyer is an admirer of Richmond and the people here, and visits the city frequently. He is stopping at the Lexington Hotel.

Lethia Brooks Acquitted. Lethia Brooks (colored), charged with maliciously cutting Thomas Hounihan with a razor at her home, on Mayo Street on December 6th, was acquitted in the Hustings Court yesterday. She was represented by Messrs. Harry M. Smith and Harry C. Glenn.

Giles is a "Colonel." Giles B. Jackson is now a full-fledged "Colonel," and has received a letter of thanks from Judson W. Lyons, commanding the Second Brigade, Third Division, civie, at the recent inaugural exercises, on whose staff Jackson served.

Giles County Democrats. The Democrats of Giles yesterday elected delegates to the District Convention to elect a delegate for Giles and Pulaski to the Constitutional Convention, and instructed them to vote for Judge Martin Williams.

Small Fire. Fire broke out yesterday afternoon at 1:30 o'clock in Seabrook's Warehouse, occupied by T. M. Smith & Company, on Seventeenth and Grace Streets. The damage will not exceed \$5, and is fully covered by insurance.

Judgment Confessed. In the City Circuit Court judgment was confessed in the case of A. N. Pollard against R. F. Wyatt and Boyle & Cramer, for \$5.

Change Bench. On March 15th Judge Minor, of the Law and Equity Court, and Judge Hundley, of Amelia, will exchange places. The former will hold court on that day for the latter and vice versa.

ART CLUB SPEAKS FOR THE LIBRARY

Strong Resolutions Adopted Urging the Council to Accept Mr. Carnegie's Offer.

A called meeting of the Richmond Art Club was held at the Jefferson Hotel yesterday afternoon at 4 o'clock. There were present also members of the Richmond Educational Association. The newly elected president, Mr. B. F. Johnson, occupied the chair. He stated that the object of the meeting was to consider the advisability and to make definite arrangements for the annual spring exhibition. Plans were discussed, and the club approved of the plan of co-operating with the Richmond Educational Association in providing an unusually attractive and interesting exhibition. A large number of beautiful pictures from New York and other cities will be secured and a joint exhibition arranged for by the two associations. Large and conveniently located rooms will be secured and every effort made to have the most attractive and interesting exhibition of the kind ever held in Richmond.

DECLARATION FOR THE LIBRARY. On motion of Mr. Matthew F. Maury, seconded by Mr. John Rutherford, the following resolutions were unanimously adopted:

Whereas, Mr. Andrew Carnegie has offered to contribute one hundred thousand dollars (\$100,000) toward the establishment of a public library in Richmond, provided the city will give ten thousand dollars (\$10,000) as a year's maintenance; and whereas, such an institution would be a great factor and intellectual advantage to all classes of people;

Whereas, a public library would be a stimulus as well as an aid to citizenship in which in recent years we have been eclipsed by more favored sections of our country;

Whereas, a library would tend to better and more intelligent citizenship by putting our people in touch with the best of the literature of the world;

Whereas, the acceptance of Mr. Carnegie's offer would doubtless lead others to give liberally to the advancement of education, not only in Richmond, but in the South, be it;

Resolved, That we earnestly urge upon our City Council to take prompt action in meeting this generous offer by providing the necessary amount to care for the library.

The president of the club stated that he thought the prospects were bright for securing a great library in Richmond. He also made an earnest plea in behalf of art education. He said, in endeavoring to emphasize the importance of the work of the Art Club, we have many times that I could further promote the interest of the institution. I think this organization should stimulate an interest in art and should exert a wide influence. It should, not only in the training of artists, but in the training of our people to appreciate the beautiful and the useful in art. I would like to see such an educational movement started as would influence every child in our land to experience the joy that comes from creating something good, and especially something beautiful and helpful. It is in this way that I think we can best learn to link our narrow, sordid lives into the life of the Creator of the universe, and begin to begin to live in a higher and happier atmosphere, to enjoy the richest and best things of earth while gradually preparing ourselves for the grander sphere of usefulness in the great hereafter.

"I believe the Art Club ought to exert not only a wide and great influence in Richmond, but in Virginia and throughout the country. I believe we have boys and girls walking the streets of Richmond, traversing the hills and valleys of the Old Dominion, who, under God's blessing and by proper training, can be raised up to do a greater work in the world than any artist that has ever lived before."

The meeting was a very enthusiastic one, and immediately after the general meeting a special meeting of the joint committee of Educational Association and Art Club was held to arrange the details for the exhibition, which will be opened about the last of April, and will last for a week or ten days.

CURFEW SOON IS TO BE IN FORCE. Becomes Effective Five Days After It is Approved—Its Provisions.

The curfew ordinance, which has now passed both branches of the Council, provides that, after the measure receives the signature of the Mayor, it shall be published for five consecutive days, at the end of which period it will be in force.

It provides that children under the age of sixteen years shall remain off the streets after 10 o'clock P. M., from March 15th to October 15th, and after 8:30 o'clock from October 15th to March 15th, except in cases where children are with or sent by parents or guardians, or are engaged in work which requires them to be on the street at that hour.

The ordinance is subject to the action of the courts held that the ordinance is in force in as one of his liabilities. This was also held by the court to be unlawful.

Argument in the case of F. Lovillard Tobacco Company vs. R. A. Patterson Tobacco Company in the United States Circuit Court, was continued yesterday. Mr. A. W. Patterson consumed the greater part of the morning in argument for the defendant. The case will probably consume several days.

A voluntary petition in bankruptcy was filed yesterday morning by Mr. Julian L. Bryan, through his attorney, Mr. George S. Shackelford. Liabilities, \$618; assets, nothing.

Deputy Dyet, of the Internal Revenue Department, was at the office yesterday.

Mr. Claude Dean has received, with a complimentary copy of the book, a complimentary copy of the book, "A Census of Cuba." The book is a most valuable one, and a complete and reliable history of the island.

On and after April 1, 1901, all brokers engaged in the sale of futures of cotton, grain, &c., must pay a special tax of \$5, in addition to the tax of \$50 paid by them as brokers of stocks, bonds, &c.

Parties liable to this tax should call at the United States Revenue Office for further information.

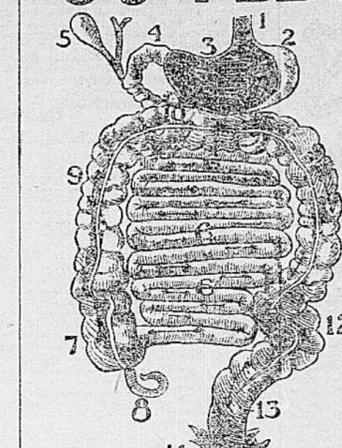

WILL BE HERE TO-DAY. Dr. Meyer, the Noted Evangelist, Coming to Richmond—Church News.

Dr. F. B. Meyer, the famous London author and evangelist, will be in Richmond to-day. Dr. Meyer comes direct from London after touching at New York, and will be in Richmond two days. He will be accompanied by Mr. William Moody, of Northfield, Mass., son of the late Dwight L. Moody.

Dr. Meyer will hold several meetings in Richmond. It is hoped that he will get here in time to meet the pastors and ministers of the city at 11 o'clock this to-day and to-morrow he will hold public meetings at 4 o'clock in the afternoon in the Y. M. C. A. auditorium and at 8 o'clock at night at the Broad-Street Methodist Church. He will leave here Friday night at 12 o'clock for Atlanta, Ga.

Dr. Meyer needs no introduction to Richmond people. He is well-known here as he is throughout the world, both through his books which are extensively read in

30 FEET OF BOWELS

are packed away in your incides and must be kept clean, in order and doing business. It's a long way, with many turns and pitfalls to catch the refuse and clog the channel if not most carefully cleaned out every day.

When this long canal is blocked, look out for trouble—furred tongue, bad breath, belching of gases, yellow spots, pimples and boils, headaches, spitting up of food after eating—an all-around disgusting nuisance.

Violent calomel purges or gripping salts are dangerous to use for cleaning out the bowels. They force out the obstruction by causing violent spasms of the bowels, but they leave the intestines weak and even less able to keep up regular movements than before, and make a larger dose necessary next time.

Then you have the pill habit, which kills more people than the morphine and whiskey habits combined.

The only safe, gentle but certain bowel cleansers are sweet, fragrant CASCARETS, because they don't force out the fecal matter with violence, but act as a tonic on the whole 30 feet of bowel wall, strengthen the muscles and restore healthy, natural action. Buy and try them! (Look out for imitations and substitutes or you can't get results. Cascarets are never sold in bulk. Look for the trade-mark, the long-tailed "C" on the box.) You will find that in an entirely natural way your bowels will be promptly and permanently
