SITE FOR ORPHANAGE.

Land's Property Bought and Work Soon to Begin.

Mr. John P. Branch, acting for the Methodist Orphanage Society, yesterday purchased the property known as "Linden's," on the north side of Broad Street, just above the Belt Line Road, about a mile from Richmond, and is there that the orphanage will be located.

The tract of land is a beautiful one, excellently adapted to the needs of the institution. It contains about seventy-five acres. The site purchased some time ago for the orphanage will be held for the present, though there is a standing offer on it. The present property is regarded as much superior to the other, and the Methodists are congratulating themselves on securing it.

He had rheumatism and writes: "I bought a bottle of your 'Dixie Nerve and Bone Liniment,' which I used freely, rubbing vigorously with it that night, and was most agreeably surprised when, on getting up the next morning to find the rheumatism entirely cured, and my arm perfectly well. I told the above to a friend, who, in the same way and he tried your 'Dixie Nerve and Bone Liniment' and was speedily cured."
