MRS. MCKINLEY HAS BLOOD INFECTION

Bulletin Issued by Physicians Gives a Statement of Illness With Which She is Suffering.

WASHINGTON, D. C., June 8.—Mrs. McKinley's physicians were in consultation about two hours to-day and subsequently a very complete statement of the true character of her illness was issued. It is a large group of bacteria from time to time, and while in San Francisco it was said that the President desired a fuller announcement of the nature of Mrs. McKinley's illness given to the public, but this has not been done. Another it has been withheld up to the present time. The bulletin is as follows: "Mrs. McKinley's illness has been a blood-infection, resulting from peritonitis of the index finger (bone felon), which was treated by incision. The subsequent condition of exhaustion was due to the same blood-infection, associated with a severe diarrhoea.

OLD POINT COMFORT, Va., June 8.—The Travelers' Protective Association of America visited historic Jamestown to-day, and there amid the ruins of the first English settlement in America spent the greater part of the day.

The party numbered over three hundred persons and was in personal charge of Mr. Irvine Weisger, president of the Virginia Navigation Company. The party left on the steamer Pocahontas and the return was made on the steamer Pennsylvania, of the New York, Philadelphia and Norfolk Railroad Company.

Mr. Taylor's talk was greatly enjoyed by the delegates. He also made a reference to the Rev. Mr. Roberts, rector of Bruton parish, and the Rev. Frank Stringfellow, the famous Confederate scout.

CONVENTION ON THE BOAT.

On the road to Jamestown the convention was called in session, and the report of the Committee on Resolutions was submitted. President Burrows presided and Mr. Ludlow, of Texas, acted as secretary.

The Committee on Resolutions recom-

WEATHER FORECAST. Forecast for Sunday and Monday: Virginia—Showers Sunday and Monday; warmer in western portions; variable winds. North Carolina—Showers Sunday and Monday; variable winds.

TOWNS WIPED OUT BY A TORNADO

Many Persons Lost Their Lives in Storm. HAVOC WAS WROUGHT

Houses Destroyed and Harvest Fields Laid Waste.

COVERED A VERY WIDE AREA.

Sweeping Down from Kansas State Line and Covering About Fifty Miles in Width—As far South as Oklahoma Towns, Farms and Crops Were Devastated—Wind Accompanied by Heavy Rain.

(By Associated Press.)

WICHITA, KANSAS, June 8.—The most disastrous storm that has ever visited Oklahoma prevailed in Kay county last night. A tornado struck Billings, Eddy and Tonkawa, and its influence covered a stretch of country ten miles wide and thirty-six miles long, destroying towns, farm houses and crops. The financial loss will exceed \$100,000.

WIDE AREA COVERED.

Storm's Influence Felt Over Belt Fifty Miles in Width. (By Associated Press.)

PIERCE, O. T., June 8.—The storm which passed over Eastern Oklahoma last night was one of the severest since the opening of the strip. A feature of the storm was the extent of the territory covered. Sweeping down from the Kansas State line, and covering about fifty miles in width, the wind and hail swept over the country as far south as Old Oklahoma. The rain fell in torrents from early in the evening until midnight.

TOWN WIPED OUT.

The track of the cyclone between this point and Tonkawa, a distance of about thirty miles, was laid waste. Five farm houses, with barns and outbuildings, were blown away, but all the occupants escaped without injury. Fine fields of wheat in the midst of harvest were laid waste and the hail and wind did much damage to the wheat crop. At Blackwell, a few miles north of Tonkawa, A. Thomas, a carpenter, working on a house, was struck and instantly killed by lightning.

TORNADO IN INDIAN TERRITORY

Many Persons Killed and Great Damage Wrought by Gale.

ENID, O. T., June 8.—The worst storm in years swept over the Territory last night. It was particularly severe in Noble and Kay counties. The gale commenced at 10 P. M., and by 1 A. M. was blowing at tornado speed, carrying everything before it. At Billings, Noble county, much damage was done. Seven persons were killed and a large number of persons were injured. A cloud-burst occurred near Hennessy, Kingsfisher county, and Kingsfisher City suffered severely.

Town Blown Away.

BLACKWELL, O. T., June 8.—A destructive rain and hail storm visited here last night, killing three persons and doing much damage to property. J. H. DeLong, a prominent contractor, was killed by lightning. Eddy, a town twelve miles southwest of here, was blown away. At that place two persons were killed and several others injured.

Great Havoc Wrought.

TONKAWA, O. T., June 8.—A terrible wind and rain storm struck this place at 5 o'clock Friday afternoon and lasted two hours, causing much damage. Two big church buildings and about three residences were damaged. Twelve houses were torn down and blown away. The Salt Fork River is full of wreckage of houses and furnishings. Barns were torn away and buggies and horses that were in them left standing unmoved. The people sought shelter in caves, and in this way many were saved from personal injury.
