Agents For "Monarch Pets" - Best 25.00 Shoes in the World.

THE GANS-RADY CLOTHING - Is considered by thousands of best-dressed men as the equal of the highest class of merchant-tailored garment. And of course far superior to what other clothing establishments show. We'll admit other houses may have some few lots that are strikingly good: but nowhere as complete a stock of such high-class garments as does this store.

Every detail that goes to make clothes so desirable is embodied in the garments bearing the GANS-RADY COMPANY'S label. The exclusiveness of patterns is assured, and that indescribable something called style shows from every part of every garment.
