

You Are No Stronger Than Your Weakest Point

The Dyspeptic is never a strong man. His dyspepsia keeps him weak. It burdens him down, disarranges his digestive organs, disorders his stomach, disturbs his head.

GILES' DYSPEPSIA TABLETS

And what a difference! His dyspepsia goes! And when it's gone—his digestive organs are relieved, his stomach gets normal, his head is clear; he thinks, eats, sleeps well—is a man again! Therefore use

WANT LARGER POLICE FORCE

Citizens Will Make Strong Appeal for the Increase.

THE RECAPTURED CONVICT

Death of Mrs. Mary A. Trevillian—Mr. Abbott a Candidate for the Board of Aldermen—News, Personal and Brief, from Manchester.

Manchester Bureau, Richmond Times, } No. 1102 Hull Street. } If the Business Men's Association think they have disposed of the matter of increasing the police force, they have yet to learn that the proposition to spend all the money saved by the light contract on streets and the school will be fought by those who have suffered from the recent crime wave.

Here at Twentieth and Hull Streets, it is often the case, that little sleep is gotten at night on account of fights and noise made by drunken rowdies, cursing and using of all kinds of vile language revolting to men's ears, not to say ladies, if they know there is no danger from the police. In fact a lady passing up Hull Street lately to hear the vilest language that can be used by a man, and she was constantly being committed. Only yesterday your paper had two accounts of bold robberies and I know of another of the same kind mentioned. I also know of a widow lady, who has within a comparatively short time been robbed three times, who has lost nearly all of her silver and other valuables, yet some say we need no more police protection than we have.

Officer Alex. Wright, of Manchester, was the cause of landing William Johnson (colored) alias William Harris behind the bars of the Virginia State penitentiary. The negro was arrested by Chief-of-Police Lipscomb on Friday, and at that time was charged with being a suspicious character. He was locked up at the station-house, and the fact had been announced until the appearance of Mr. Wright, who at once recognized him as a person whom he had arrested about five years ago, and after taking a good look he went to the desk. Mr. Johnson acknowledged having escaped. He was taken to the prison yesterday by Officer Wright, who received a reward of fifty dollars, which had been offered by the authorities for the apprehension of the negro.

DEATH OF AN OLD LADY. Mrs. Mary A. Trevillian, widow of Geo. A. Trevillian, an estimable lady, of Swansboro, died yesterday afternoon at 1:30 o'clock at the residence of her son, Mr. George M. Trevillian, after an illness of one week, of pneumonia. Deceased came to Swansboro about fifteen years ago and resided with her best and only daughter in the city. She was in the sixty-fifth year of her age. She is survived by three children, all of whom live in Swansboro. The children are Mrs. G. M. J. W., and J. E. Trevillian.

The funeral will be from the Clifton Street Baptist Church Monday afternoon at 3 o'clock, and the interment will be in Laurel Cemetery.

CHIMNEY ON FIRE. The Manchester Fire Department had the first call for the past six weeks this morning, and that proved to be false, as the chimney of the slipper factory, after being asked by two men not to do it. The message came at 8:10 o'clock, and the fire was said to be at 121 Perry Street, and old "Bob" made a good run, but he was not the slipper factory. When the men arrived on the scene a blue smoke was seen coming from the chimney and a few nervous persons standing in the door looking at the beautiful run of old "Bob."

It is needless to say that the men who had been called from the department were angry, for it is a natural assumption that after being called from a warm room to a chimney, which was burning the soot from it, they would feel like blessing the man who was so nervous as to call them out when nothing was doing.

Mr. J. T. Abbott, the councilman from the Third Ward, will be a candidate for the Board of Aldermen from this ward, and an active worker in all affairs pertaining to the Third Ward.

PERSONAL AND BRIEFS. Miss Lizzie Robertson is rapidly improving, and in a few days will be able to be out.

Mr. Hickory White, who has been very ill for the last two weeks, is improving very rapidly.

Mr. Sam Nunnally, who was so ill with appendicitis, is now able to sit up, and in a few weeks will be entirely well.

Samuel Hague was before Mayor Maurice yesterday, charged with being drunk and breaking up things in general on upper Hull Street. His wife was in the Mayor's office this morning and said if the man would promise to stay away from her, she would ask his release. He promised to do so.

The remains of Mr. William Adams were taken to Cumberland county yesterday. The interment will be from his old home this afternoon.

Mr. Ben Baber was reported to be much improved this morning.

Mrs. Virginia Sims, who had a severe fall at the residence of Mr. George D. Cole, in Swansboro, during the Christmas was taken to Sheltering Arm Hospital last Tuesday in Richmond, and continued her recovery.

Mrs. Martha Butler, who was paralyzed several days, is reported somewhat better to-day, at her residence, in Swansboro.

Mrs. C. A. Raines, who has been confined to her home in Swansboro by sickness, is able to be up.

Mr. Isadora Schwartz continues critically ill at his home in Swansboro.

Mrs. Viola Resby, of Swansboro, is somewhat better at the residence of her daughter, Mrs. Arthur Hingleford, in Richmond.

New Plant at West Damascus. (Special Dispatch to The Times.) WEST DAMASCUS, Va., Feb. 1.—A sash, door and blind factory is being erected here by the Helena Lumber Company, a New York firm. It is situated on the Laurel River about one mile north of this place. Water will be used to supply the power, and the ram for the purpose has been built. Work is rapidly progressing on the buildings, and they expect to be in running order in a short time. They will have a siding built to connect with the Virginia-Carolina Railway.

This plant will be the largest of the kind in Southwest Virginia.
