

## MAKES WATER TASTE OF IRON

Peculiar Result of Much Iron  
Mining in Bedford.

### A SUCCESSFUL OPERATION.

Tomato Canning to be Extensively Done in  
Bedford this Year—Sales of Farm Lands.  
Good Prices for Tobacco Stim-  
ulate Over-Production.

(Special Dispatch to The Times.)

MONTVALE, VA., March 17.—M. A. Browne sold the small farm upon which he resided to Mr. Gillespie, the owner of Beckner's mill, for eighteen hundred dollars cash. Mr. Browne will move to Colorado to secure relief from asthma, of which he suffers.

Hugh Garrett bought of Mrs. Mary Cofer a small farm for a thousand dollars cash. These farms are under good cultivation and within three miles of the station.

There will be erected two miles east of the station and one at Thaxton, seven miles east. With the one here of Dr. Price's, the farmers will have to plant a large crop to supply the demand.

**SUCCESSFUL OPERATION.**  
Dr. Lyle, of Lynchburg, assisted by Dr. Price, of Montvale, and McCabe, of Thaxton, removed a large cancer from the breast of Mrs. Samuel Franklin; a successful operation.

Miss Nannie, daughter of E. W. Luck, one of the most beautiful Christian chieftains, died at the residence of her father, on March 24, of consumption; aged 22 years.

The Virginia Coal and Coke Company, who operate three mines between Montvale and Blue Ridge Spring, employ a large number of hands, and from the three points, Blue Ridge, Ironville and Dewey, between sixty and seventy cars of ore are shipped daily. One very peculiar thing about these mines since they have been in operation, is the general complaint of all well waters tasting so strong of iron. East of Blue Ridge, the waters are free-stone, and west, limestone.

**ILL IN ST. LOUIS.**  
Mr. Mitchell Curtis, who moved from Bedford with his family to St. Louis six years ago and for three years was engaged in newspaper work, but more recently with the New York Life Insurance Company, is very sick at his home near St. Louis. He is suffering with a severe type of malaria, and has been confined to his bed for six weeks.

Farmers generally here have burned and sowed their plant beds, but gardening for raising early vegetables will be greatly retarded, owing to such continued rains. The earth is saturated to the depth of a foot, and it will be some time before any plowing can be done.

Tobacco raisers have been well pleased at the prices obtained for the last year's crop, and I very much fear they will overcrop themselves, raise an inferior grade and next year receive poor prices. This has been the case in this section several times before.

### RAILROAD EXTENSION.

Southern to Have Through Line from  
Charleston to Chattanooga.

(Special Dispatch to The Times.)  
GREENSBORO, N. C., March 17.—It is rumored that official announcement will soon be made of the purchase of the South Carolina and Georgia Extension Railroad by the Southern. The road runs from Camden, S. C., to Marion, N. C., a distance of about one hundred and twenty-five miles, and is a valuable piece of property. It was originally built as a part of the Three C's road that was to form a connecting link between Charleston and Cincinnati. It is understood that the Southern scheme the road as a part of a through line between Charleston and Chattanooga, by way of Asheville, and that vestibuled trains will soon be put on.

### X-RAY OPERATION.

Ball Taken from Right Hip of Mr. Rex  
Gass—Fatal Shooting.

(Special Dispatch to The Times.)  
WINSTON-SALEM, N. C., March 17.—The ball which has been giving Mr. Rex Gass serious pain was successfully removed to-day. It was located by the X-ray, near the right hip bone. It was found in an abscess. The wounded man stood the operation remarkably well, and the physicians are confident that his recovery will be rapid.

In an hour after the operation his temperature dropped from 104 to nearly normal.

Robert Goins was shot and fatally wounded last evening in North Winston by George Cash. Both parties are colored and exchanged several shots. One ball went through Goins' left shoulder, another through the left lung and the third in the throat, striking the lower bone. Cash gave himself up to the officers.

The trouble originated over remarks Goins is charged with making against Cash's step-daughter.

### A COLORED VIRAGO.

Wentened to Fine and Imprisonment for  
Attacking a Public School Teacher.

(Special Dispatch to The Times.)  
GOCHLAND, VA., March 17.—One of the most interesting cases heard in

## Prepare Yourself for Spring

Take Dr. Greene's Nervura, the Best  
Spring Medicine in the World.

In the spring everybody needs and should take a spring medicine. Spring is the time to be cured if you are sick, and the spring finds most of us in poor condition, blood poor, nerves relaxed, weak, enervated, and the organs clogged and sluggish in action.

Dr. Greene's Nervura blood and nerve remedy is the best spring medicine in the world, the best possible remedy for you to take, the one sure spring restorative which will build up your blood, invigorate your nerves, and give you your old-time snap, vim, energy, strength, and vigor.

Dr. Greene's Nervura blood and nerve remedy is purely vegetable and perfectly harmless, and now is the time to take it—now is the time you need it most—now is the time to be cured.

Dr. Orlando Kiser, 954 Recce Ave., Lima, Ohio, says:

"Many years ago I was unfortunate enough to lose my health, and while endeavoring to regain the same, gradually grew worse, until I was a complete wreck in every respect. My nervous system was entirely shattered, the nerves controlling the heart became weak and the heart's action irregular, which was a source of great alarm to me. I was unable to sleep, digestion was interfered with, and generally speaking, I considered my time short for this earth. I became discouraged and

gave up the thought of ever being a well man again. To-day I am a well man in every sense of the word, and all through the use of Dr. Greene's Nervura blood and nerve remedy, of which I am proud to speak and stand ready to give a helping word to suffering humanity. My health is my greatest blessing, and words fail to express the gratitude I feel for Dr. Greene and his wonderful remedy."

No other remedy in the world will do you so much good as Dr. Greene's Nervura blood and nerve remedy. It is the true spring medicine, the ideal spring restorative and strength-giver. It purifies the blood and strengthens the nerves, to bring back bloom and color to the wan and faded cheeks, the brilliancy to the hollow and haggard eyes, the lightness and elasticity to the weak and weary steps, the strength, vigor, and vitality to the unstrung, shattered, and worn-out nerves. It is, indeed, the greatest of all spring medicines, for it makes those who use it well and strong.

People have more confidence in Dr. Greene's Nervura blood and nerve remedy than in any other medicine, because it is the prescription of a regular physician and therefore perfectly adapted to cure. Dr. Greene, 101 Fifth Ave., New York City, can also be consulted free in regard to any case, personally or by writing to him.

## FIVE PRISONERS ESCAPE FROM JAIL

They Bored Through the Wall  
Into the Prison Yard.

### USED GALLOWSTO SCALE WALL

The Captain of the Newport News Light In-  
fantry Escapes Injury in Norfolk Cam-  
paign to get Hurt After He Returned  
Home—Captain of Pirates on Trial.

(Special Dispatch to The Times.)

NEWPORT NEWS, VA., March 17.—At an early hour this morning five prisoners escaped from the station house by tunneling through the north wall into the prison yard. They scaled the wall by means of the gallowst, erected two years ago and kept waiting there for possible emergency. The fugitives are four negro boys, Frank Daniel, Thomas Dunn, "Major" McPhaul and Amos Mitchell, aged sixteen, and a white boy, Charles Kellum, aged sixteen, held as a suspicious character.

Two negro boys, "Lawyer" Hargrove and Eddie Hall, refused to take advantage of the opportunity to escape, and were rewarded this morning with a thrashing, not for refusing to escape, but for shooting scraps.

**THE SOLDIERS BACK HOME.**  
The Newport News Light Infantry, Captain Gilkerson, returned yesterday from Norfolk after two weeks' service. The boys are in good trim, in spite of their arduous campaign. Captain Gilkerson escaped all of the perils of war to reach his home badly in a folding door on his return.

The Corporation Court is engaged in the trial of Richard Rayfield, a youth of sixteen, who frightfully cut Eddie Hall, a boy of eighteen, in a fight on Christmas Day. Rayfield is the youngest son of the "Captain of the Pirate Band" some months ago, and captured a small boy, swung him to the top of a revival tent and left him hanging there.

**HONOR TO MR. KENT.**  
The eleventh anniversary of Mr. C. C. Kent's connection with the local Y. M. C. A. as general secretary was made the occasion to-night of the presentation to him by a number of members of the Association of a very handsome gold watch.

### THE MINERS' STRIKE.

The Fight for a Recognition of the Union May  
Not Succeed.

(Special Dispatch to The Times.)  
BRISTOL, TENN., March 17.—The strike situation in the Southwest Virginia coal fields appears to be somewhat improved. The operators are permitting the strikers to return to work, and some of them have accepted the recognition of the union and are at work.

It is claimed that without outside aid the strikers will not be able financially to prolong the fight for recognition.

### Strike Not Successful.

(Special Dispatch to The Times.)  
BIG STONE GAP, VA., March 17.—The Looney Creek mines are in the hands of a receiver, appointed by Judge H. C. McDowell, of the United States Court.

Although the strikers are well armed with revolvers and Winchester, they have so far refrained from any violence. The strike is not the outcome of local conditions, but is the result of what is thought to be a very carefully studied plan.

The union men hope to include all the miners of the coal fields in this section of the country in the strike, and are sending "organizers" into the mining towns to establish lodges. Nor have they been unsuccessful, for passers-by report seeing groups of miners and the Virginia and Southwest Virginia Railroad, was to-day appointed to succeed J. L. Brasa, resigned, as general manager of the two companies and take charge April 1st.

W. B. Bowles will succeed Mr. Davies as auditor.

### Barn and Stable Burned.

(Special Dispatch to The Times.)  
GLOUCESTER C. H., VA., March 17.—The barn and stable of Mr. R. C. Timms, of Bonhomie, Gloucester county, Va., was destroyed by fire about 2 o'clock Sunday morning. His barn contained three barrels of corn, one horse, farming implements, three vehicles and harness were destroyed. The fire is thought to have been incendiary.

## MR. BURRUSS WILL SUE FOR DIVORCE

Result of the False Report by His  
Wife of Robbery and Assault.

### NEW STEAMER'S MAIDEN TRIP

Contemplated Improvements at Fredericks-  
burg College—Patent Medicine Man Ar-  
rested for Practicing Without a Li-  
cense—Young People's Union.

(Special Dispatch to The Times.)

FREDERICKSBURG, VA., March 17.—Mr. Nelson L. Burruss, of Spotsylvania county, whose wife recently took a sum of money belonging to him in his absence from home, and put out the sensational story that she had been robbed and assaulted, has employed counsel to sue for divorce.

Rev. Dr. J. W. Rosebro, president of the Fredericksburg College, contemplates making extensive improvements at the college, including a large, attractive dormitory. The college is now experimenting the most successful session of its history, and it is expected that these improvements will be completed in time for the next session.

**NEW BANK BUILDING.**  
Mr. Frank J. Stearns, a leading contractor in this city, has just been awarded by the L. E. Munford Banking Company, a contract for the erection of a modern banking building at Warsaw, in the Northern Neck. The building will be completed and ready for occupancy by the middle of July.

Mr. Rufus King, who was married in Baltimore Saturday afternoon to Miss Elita Alexander, of that city, is a son of Mrs. Anna C. King, brother of Mr. George P. King, of this city.

The handsome new steamer Calvert, which was just completed for the Weems Line about two weeks ago, arrived here yesterday on her first trip to this city and left this afternoon on her return trip to Baltimore.

The fourth anniversary of the Baptist Young People's Union was celebrated last night at the Baptist Church. Mr. E. C. Bell, of the president, presented instructive addresses were made by Dr. F. W. Boatwright, president of Richmond College, and Rev. Dr. J. S. Dill, pastor of the church. Rev. Dr. T. S. Dunaway also participated in the program.

**MRS. HARDY'S FUNERAL.**  
The funeral of Mrs. Anne Hardy took place from the Baptist Church this afternoon. Rev. Dr. T. S. Dunaway conducting the services. Mrs. Hardy had reached the age of seventy-three years, and is survived by seven children, among them Mrs. Andrew Adams, Mrs. Littleton Leflow, of Richmond, and Mr. Chas. Hardy, of Baltimore.

Mr. Ralph P. Schirmin, of San Francisco, representing the Viavi Company, was arrested here charged with practicing without license, but was released on bail, and his case will come up later.

### HIBERNIANS CELEBRATE.

St. Patrick's Day Observed by an Elegant  
Banquet and Speeches.

(Special Dispatch to The Times.)  
ALEXANDRIA, VA., March 17.—Alexandria Division, No. 1, Ancient Order of Hibernians, to-night celebrated St. Patrick's Day in a most fitting banquet in the Young Men's Social Lyceum Hall. The hall was prettily decorated, and there were 125 guests present. The occasion was enlivened by music and song. E. M. Birrell, president of the local organization, acted as toastmaster, and the toasts responded to were as follows: "Our Country," Mayor George D. Simpson; "Our Country," Representative Thomas M. Patterson, of Colorado; "St. Patrick," Rev. William A. McFadden, of Winchester, Va.; "The Irish-American Citizen," Representative George P. Foster, of Illinois; "Our State," Congressman John F. Rixey, of Virginia, and "Our Order," Representative Samuel L. Kelly, of the State Legislature.

William Bright, aged twenty-two years, and Edward Jones, alias Joe Johnston, aged thirty years, were sent to the grand jury from the Police Court this morning for robbing the saloon of Samuel P. Wingfield Sunday morning.

### TWO BODIES FOUND.

The Captain of a Tug and Steward of a  
Barge Drowned.

(Special Dispatch to The Times.)  
NORFOLK, VA., March 17.—The bodies of two white men were found in the water here this morning. Both were watermen, who have been missing some days, but it was not anticipated that either had been drowned. The first found was that of James M. Alexander, late master of the tug Lumberman. His body was found at 5 o'clock this morning floating in Mahones' Lake. There were no marks of violence upon it. Captain Alexander is reported to have been drinking quite heavily on Saturday, March 1st, and to have been seen going toward his home at Brampton. It is supposed that he fell overboard from bridge or reslie and drowned.

Later the body of the steward of the barge Kingston was found. The steward has been missing some days. His name is yet unknown.

### Road Condemnation.

(Special Dispatch to The Times.)  
LEESBURG, VA., March 17.—Messrs. J. B. Davis, Ludwell Hutchison, Joseph A. Martin, E. W. Skinner and Robert H. Gray, the board of commissioners appointed by the County Court to ascertain the damages for the making of the road from the Trappe to Bluemont, which will run through the estate of Mr. F. M. Moore, rendered their report on Saturday and fixed the compensation due Mr. Moore at \$1,250. This litigation, known as the Frazier-Moore road case, has been in the court now for over a year, but has been warmly contested and has attracted wide attention. The new road, while running through the estate of Mr. Moore, will benefit many persons by enabling them to reach the new station at Bluemont by a great saving of time and distance. The report of the commissioners has yet to be acted on by the court.

### HOTEL BURNED.

All Guests Were Rescued by Bravery of  
The Firemen.

(By Associated Press.)  
ATLANTA, GA., March 17.—Colder Hotel was badly damaged by fire to-day. The flames were discovered in the basement of Werner's drug store at the corner of Broad and Marietta Streets, and in five minutes the building was filled with blinding smoke. Chemicals in the basement of the drug store and some whiskey stored next door in a saloon caught fire and added to the flames.

The firemen after great difficulty rescued everybody from the hotel, the last person to be removed being Miss Lavohn, of Jacksonville, Fla., who was ill in bed. She was hastily carried to a nearby hotel, but admission was refused on the ground that the hotel did not receive invalids. She was finally cared for at another hotel. The loss by fire will not exceed \$20,000, fully insured.

### Bulgarians in Revolt.

Band of Them Attacked Turkish Guards but  
Were Repulsed.

CONSTANTINOPLE, March 17.—A band of Bulgarian revolutionists recently attacked the Turkish guards at Nerua, in the district of Djumabala, but were repulsed with the loss of two men killed and a number wounded. The Turks sustained no losses.

Arrests and deportations of military and civil officers continue to be daily occurrences. The trial of fourteen persons, arrested in connection with the case of Fud Pasha, commences to-day. The Sultan has commuted the sentences of Fud

**Men of Affairs**

One may sail the seas and visit every land and everywhere will find, that men of affairs, who are well informed, have neither the time nor the inclination, whether on pleasure bent or business, to use those medicines which cause excessive purgation and then leave the internal organs in a constipated condition. Syrup of Figs is not built on those lines. It acts naturally, acts effectively, cleanses, sweetens and strengthens the internal organs and leaves them in a healthy condition.

If in need of a laxative remedy the most excellent is Syrup of Figs, but when anything more than a laxative is required the safe and scientific plan is to consult a competent physician and not to resort to those medicines which claim to cure all manner of diseases.

The California Fig Syrup Co. was the first to manufacture a laxative remedy which would give satisfaction to all; a laxative which physicians could sanction and one friend recommend to another; so that today its sales probably exceed all other laxatives combined. In some places considerable quantities of old-time cathartics and modern imitations are still sold, but with the general diffusion of knowledge, as to the best medicinal agents, Syrup of Figs has come into general use with the well-informed, because it is a remedy of known value and ever beneficial action.

The quality of Syrup of Figs is due not only to the excellent combination of the laxative and carminative principles of plants, known to act most beneficially on the system, with agreeable and refreshing aromatic liquids, but also to the original method of manufacture. In order to get the genuine and its beneficial effects one should always note the full name of the Company—California Fig Syrup Co.—printed on the front of every package.

**CALIFORNIA FIG SYRUP**

## THE BATTLEGROUND.

By MISS GLASGOW.

## EX-CHAMPION IN RICHMOND

James J. Corbett Here and Talks  
of Battle Between Jeffries  
and Fitz.

On yesterday, which happened to be the fifth anniversary of the knockout of James J. Corbett by Robert Fitzsimmons in the prize ring at Carson City, where Fitzsimmons won the championship of the world, the erstwhile "Pompey our Jim" made his appearance as a monologist at the Bijou, seconded by a company of vaudevilleans. Corbett is well known by all who have seen him, and he has been seen on the stage before, and spent a large part of the day crushing the right hands of his acquaintances in a cordial handshake—or rather, that's what he calls it.

Incidentally, Corbett had a few things to say about the coming championship mill, which is scheduled to take place between Fitzsimmons and Jeffries. He predicts Jeffries as the winner, basing his calculations principally on Jeffries' youth and superior strength, and declares that he only went on the stage because he couldn't get a go at any of the other big fellows. He crushed four fingers for the scribbler and then said a few things.

"Yes, I see that my rivals—Bob Fitzsimmons and Jim Jeffries—are going to meet," declared the big man, replying to questions about the ring. "If I think that Jeffries will win, I think that I will punch that man's hand, but I think that the present champion will hold the title."

"Will I ever fight again?" said Corbett. "Well, the reason I entered the ring was because neither of the two big men would meet me again. Jeffries has refused to and so has Fitz, and unless I can get a match with one of them, I don't see much use of going back to the ropes again."

It would like to have a match with either of them, for I think that I can demonstrate the fact that science is the master of brute strength. You will recall that in both battles I fought the best, and did more punishing, but was knocked out by the strength of the other man. With Jeffries and Fitzsimmons I think I can show that science is the master."

### PRINCE NEARS HOME.

The Deutschland Made Short Stop at  
Plymouth, England.

(By Associated Press.)  
PLYMOUTH, ENGLAND, March 17.—The Deutschland arrived here at 12:20 P. M. and proceeded for Cherbourg and Hamburg at 1:15 P. M.

Prince Henry, who was browed, hardly looking and completely rested after his visit to the United States, spent most of his time on the bridge with the captain or first officer of the steamer.

The Prince was on the bridge when the Deutschland entered this harbor, and he waved a cheerful greeting to the German naval attaché, Captain Koepfer, and other friends who went out to the steamer on the company's tender.

The Deutschland's voyage was pleasant and uneventful. During the first few days the Prince was tired out and mixed but little with the other passengers.

### Gone to Meet His Brother.

BERLIN, March 17.—Emperor William passed Sunday with the Empress at the Kiel Schloss. This morning His Majesty boarded the battleship Kaiser Wilhelm II. and will traverse the canal to Cuxhaven, where he will await the arrival of the Deutschland, which has on board Prince Henry of Prussia. The fourth Marine Artillery and the marine land have been ordered to be present.

The cruiser Helix will take Prince Henry ashore after the Deutschland anchors before Cuxhaven. Then Emperor William, Prince Henry and the latter's suite will board the Kaiser Wilhelm II, which will immediately sail for Kiel.

### LIVERPOOL.—The Cotton Exchange

here will be closed on March 23rd, 24th and 25th, the Easter holidays.

### GOOD ROADS CONVENTION

Richmond, Va., March 17-22, 1902.

For the above occasion the Southern Railway begs to announce special rate of one fare for the round trip from all stations on its lines within radius of 150 miles to Richmond, Va., and return. Tickets to be on sale March 19, 20 and 21 with return limit March 22.

No one should miss this opportunity for gaining knowledge on the subject of construction of good roads.

The Southern Railway Good Roads Train will be at Richmond from March 17 to 22 with a corps of engineers, skilled workmen and modern machinery to give practical exhibitions of road building.

The State Convention will be held at Richmond, March 19, 20 and 21, and delegates from every county in the State are expected to be present. Among the prominent speakers on the program are Governor W. H. Moore, president of the National Good Roads Association, and many others.

For full information apply to any agent of the Southern Railway.

### ANNUAL CONVENTION VIRGINIA

CHRISTIAN ENDEAVOR UNION.

Richmond, Va., March 23-30, 1902.

For the above occasion the Atlantic Coast Line Railroad announces a rate of one and one-third first class limited fares, on the certificate plan, to Richmond, Va., from all points on its line within the State of Virginia. Certificates to be signed by M. F. Milty, Transportation Manager, Richmond, Va., and used by Mr. S. H. Bowman, Special Agent, Richmond, Va.

For full information apply to any agent of the company, or  
C. S. CAMPBELL,  
Division Passenger Agent,  
838 East Main Street.

### RICHMOND PASSENGER AND

POWER COMPANY.

The attention of the public is respectfully called to the following report of the superintendent of the Light Department of this company in reference to the WITHDRAWAL OF ITS ELECTRIC CURRENT FROM BUILDINGS WHICH CURRENT OF A VERY MUCH HIGHER VOLTAGE THAN THAT FURNISHED BY THIS COMPANY IS USED FOR LIGHTING PURPOSES:

Major James D. Patton, President Richmond Passenger and Power Company, has Sir—I deem it proper to bring to the attention of the Board of Directors the question of the advisability of this company declining to furnish electric current to buildings in which high voltage electric current for light purposes is being used.

My reasons for suggesting this action are well known to you, and you will recall that for more than a year past I have repeatedly called your attention to the danger, both to persons and property, of high voltage electric currents for lighting purposes within buildings. I am aware that the suggested withdrawal will subject this company to considerable loss of revenue, and will entail the severance of business relations from some who for many years have been our patrons, but the time has now arrived, in my opinion, for this company to decline to risk its record for safe electrical distribution by continuing to furnish service to buildings subject, as I believe, to a very great fire risk.

Very respectfully,

(Signed) E. W. TRAFFORD,  
Superintendent Light Department.

And also to the resolution adopted by its Board of Directors:  
Resolved, That the superintendent of the light department be instructed to cancel all contracts with customers using a high voltage current for lighting purposes within the buildings, but such contracts should be cancelled so as to cause the least inconvenience to customers.

RICHMOND PASSENGER AND POWER COMPANY.

### GOOD ROADS CONVENTION.

Richmond, Va., March 17-22, 1902.

For the above occasion the Atlantic Coast Line Railroad announces a rate of one first class limited fare in the sale of round trip tickets to Richmond, Va., from all points on its line within one hundred and fifty miles of Richmond. Tickets to be sold March 19th, 20th, and 21st, final limit March 22nd, 1902; continuous passage in each direction.

For full information, apply to any agent of the company, or  
C. S. CAMPBELL,  
Division Passenger Agent,  
838 East Main Street.

### DON'T MISS THE GOOD ROADS

CONVENTION.

To be held at Richmond, Va., March 17-22. One fare for round trip from points within the State.

## CATARRH

The treatment of Catarrh with antiseptic and astringent washes, lotions, salves, medicated tobacco and cigarettes or any external or local application, is just as senseless as would be kindling a fire on top of the pot to make it boil. True, these give temporary relief, but the cavities and passages of the head and the bronchial tubes soon fill up again with mucus.

Taking cold is the first step towards Catarrh, for it checks perspiration, and the poisonous acids and vapors which should pass off through the skin, are thrown back upon the mucous membrane or inner skin, producing inflammation and excessive flow of mucus, much of which is absorbed into the blood, and through the circulation reaches every part of the system, involving the Stomach, Kidneys and other parts of the body. When the disease assumes the dry form, the breath becomes exceedingly foul, blinding headaches are frequent, the eyes red, hearing affected and a constant ringing in the ears. No remedy that does not reach the polluted blood can cure Catarrh. S. S. S. expels from the circulation all offensive matter, and when rich, pure blood is again coursing through the body the mucous membranes become healthy and the skin active, all the disagreeable, painful symptoms disappear, and a permanent, thorough cure is effected.

S. S. S. being a strictly vegetable blood purifier does not derange the Stomach and digestion, but the appetite and general health rapidly improve under its tonic effects. Write us about your case and get the best medical advice free. Book on blood and skin diseases sent on application.

THE SWIFT SPECIFIC CO., Atlanta, Ga.
