## MAYNARD'S VICTORY IS A SPLENDID ONE

Carries Second District by  
Overwhelming Plurality.

PORTSMOUTH'S BIG VOTE

Mr. Lawless is Strong in Norfolk City.

SOUTHAMPTON FOR BRYANT

But the Other Counties Roll Up Pluralities for Maynard and in Some He Secured Practically the Entire Vote—A quiet Election and None of the Expected Trouble at the Polls.

Congressman Harry Maynard, of Portsmouth, will warm his own chair in the next Congress, having been proudly re-nominated in the triangular primary in the Second District yesterday by something like sixteen hundred plurality over Jos. T. Lawless, of Portsmouth, and Dr. Bryant, of Southampton. Mr. Lawless received a large plurality in Norfolk and Dr. Bryant a highly complimentary vote, but in some of the counties Maynard swept the field and secured practically the entire vote.

**THE VOTE.**  
The vote by counties, so far as received, is as follows:  
Norfolk city—Maynard, 1,021; Lawless, 362; Bryant, 266.  
Norfolk county—Maynard, 625; Lawless, 60; Bryant, 579.  
Portsmouth—Maynard, 1,661; Lawless, 14; Bryant, 35.  
Anne—Maynard, 223; Lawless, 6; Bryant, 69. (Incomplete.)  
Newport News—Maynard, 791; Lawless, 624; Bryant, 425.  
Elizabeth City county—Maynard, 288; Lawless, 59; Bryant, 28.  
Warwick county—Maynard, 33; Lawless, 64; Bryant, 62.  
Southampton (one precinct missing)—Maynard, 62; Lawless, 0; Bryant, 1,138.  
Nansemond (incomplete)—Maynard, 441; Lawless, 18; Bryant, 17.  
Surrey county (incomplete)—Maynard, 15; Lawless, 3; Bryant, 4.  
York—Maynard, 163; Lawless, 10; Bryant, 141.  
James City county (incomplete)—Maynard, 2; Lawless, 10; Bryant, 87.  
Wright—Maynard, 334; Lawless, 57; Bryant, 225.  
Williamsburg—Maynard, 59; Lawless, 14; Bryant, 46.  
Totals—Maynard, 5,365; Lawless, 3,448; Bryant, 2,687.  
Maynard's majority, 2,268.

**NORFOLK'S VOTE**

Stands Handsomely by Lawless—None of the Trouble Expected.  
(Special Dispatch to The Times.)  
NORFOLK, VA., August 19.—Two missing wards in Norfolk added, give Lawless a majority of 1,000. There was no disorder in Norfolk, the quietest election ever held. There is no intimation of any trouble anywhere in the district. The apprehensions of trouble seem to have deterred men who might have been disposed to be quarrelsome. Maynard claims the election with confidence.

**PORTSMOUTH'S BIG VOTE**

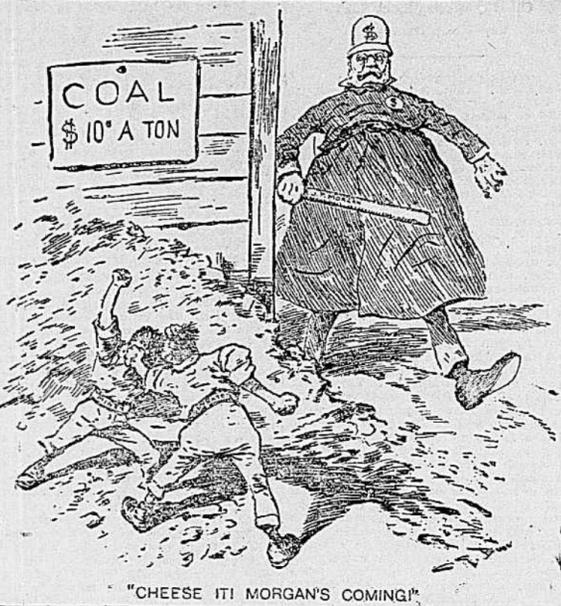

Maynard Much Gratified and Will Win the Election.  
NORFOLK, VA., August 19.—Portsmouth Maynard's home, gives the handsome majority of 1,539. Maynard claims to have carried the district by larger majorities than he expected.  
He says he is much gratified. Now he intends to go to work with energy to win the election.

**A LIGHT VOTE**

Bryant Secured a Big Majority in His Home County.  
(Special Dispatch to The Times.)  
SUFFOLK, VA., August 19.—There was a very light vote polled in the counties of Nansemond, Isle of Wight and Southampton. With all twelve precincts in Nansemond gives Maynard 423 plurality, the whole vote being Maynard 697, Bryant 184, Lawless 18. About thirty-five per cent. of the Democratic vote was polled in Nansemond.

With the returns in from ten out of eleven precincts in Isle of Wight, Maynard gets 191 plurality, the figures being Maynard 234, Bryant 24, Lawless 57. Thirty per cent. of the Democratic vote went to the polls.  
Southampton county, Bryant's home, stood by him loyally, practically every man being for him.  
With ten out of eleven precincts in Bryant has 98 plurality and majority too, for Lawless never got a vote. The figures are, Bryant, 1,043, Maynard 62, Lawless 0. Bryant's friends claim that he would have won the nomination had he not delayed coming out too long.  
Surrey county furnished another surprise. The total vote in the county is, Maynard 147, Lawless 2, Bryant 0.

**Southampton County.**  
(Special Dispatch to The Times.)  
FRANKLIN, VA., August 19.—Ten precincts out of eleven in Southampton county give Bryant 1,138, Maynard 62, Lawless 0. The missing precinct is small and will probably increase Bryant's majority to 1,200. The vote of Isle of Wight county, complete save one precinct, gives Maynard 334, Bryant 225, Lawless 57. The other precincts will not materially change the vote.  
This is a very light vote for Isle of Wight, but a very fair vote in Southampton.  
Bryant's home precinct, Franklin, gave him 33 and one for Maynard. The election passed off quietly and without special incidents.

## LEGAL BATTLE FOR CONTROL OF COLORADO FUEL AND IRON

John W. Gates and His People Lose Another Round Yesterday—Petition for Injunction Restraining Officers Refused by U. S. Judge.

(By Associated Press.)  
DENVER, COL., August 19.—The John W. Gates faction of the Colorado Fuel and Iron Company has lost another round in its battle for control of that company. Judge Riner, of the United States District Court, tonight denied the application for a preliminary injunction to prevent officials of the company from refusing to allow them to vote proxies, they claim to hold at the stockholders' meeting to-morrow in this city.

The suit, which was brought in the name of John J. Mitchell and others against the Colorado Fuel and Iron Company, was based upon the alleged fraudulent and absolutely void by-law, which was adopted by the Board of Directors of the company on July 20th last, and which the complainants charged was framed and adopted for the purpose of enabling the present officials of the Colorado Fuel and Iron Company to dictate to to-morrow's meeting, and also to deprive the complainants and the shareholders they represent by proxy of the privilege of voting at such meeting.

**INQUEST BEGINS  
IN BARTHOLOIN CASE**

Coroner's Physician Does Not Believe Body Found Was That of Minnie Mitchell.

(By Associated Press.)  
CHICAGO, August 19.—Interest in the Bartholin-Mitchell murder mystery to-day centered about the inquest, which may determine the cause of the death of Minnie Mitchell. Three men already accused as principals or accessories of the crime, namely, Oscar Thompson, former roomer of Mrs. Bartholin; John Claffey, stableman, who took care of the horse Thompson is alleged to have driven to the laundry wagon containing the girl's body to the prairie field at Seventy-fourth Street, and Edward Counselman, the father-in-law of William J. Bartholin, the supposed matricide.  
Four of the Mitchell family testified at the inquest that they could not make a positive identification of the body lying in the weeds on the prairie at Seventy-fourth Street, and believed to be that of Minnie Mitchell. These four persons, the father, brother, sister and sister-in-law of the missing girl, declared that the only identification they could make was that part of the clothing found near the body belonged to Miss Mitchell. Following this, Coroner's Physician Springer made a statement to the jury, in which he termed the body as that of an "unknown or unidentified woman." Dr. Springer stated positively that he did not believe the body to be that of Miss Mitchell, because of the advanced stage of decomposition. When the body was found, Miss Mitchell had been missing but eight days, and Dr. Springer claimed that it would be impossible for her body to have decomposed as much as the one discovered on the prairie.  
Inspector Hunt produced a witness who positively identified Oscar Thompson, who is under arrest for complicity in the crime, as one of the two men on a street car near the place where the body was found, and a photograph of William Bartholin as that of the second of the pair.  
Thompson, "Day" Claffey, and Counselman, all of whom have been held to the grand jury, were present at the inquest, but their attorneys refused to allow them to testify. The inquest was continued until to-morrow morning.

## REPLY MADE TO NURSE'S CHARGES

Superintendent Davis of Almshouse Makes Statement.

ANSWERS MISS CABANISS

Challenges Any City in the Union to Show an Institution Where Inmates Are Better Cared for—Perfection Impossible.

Editor of The Times:  
Sir,—It is with deep regret that I am coerced to make a statement in reference to the training school recently organized at the Almshouse. It has been my yearning desire for years to improve the system of nursing in our hospital, and I heartily endorsed the present training school, and have done all in my power to make it a success, but I am unwilling to agree with Miss Cabaniss in her statement that the Almshouse is in such a cloud of immorality, and that it is even necessary for her to appeal before the committee to help her lift that institution to a higher moral plane, or that she should make laws superior to the code of laws adopted by the City Council for its government.

Outside of the management, at least, for the past six years, numbers of prominent ladies of our city have been regular visitors to the Almshouse, diffusing their Christian influences and teaching morality. Only when the millennium takes place can we ever expect to find perfection anywhere, more especially in an almshouse. I may be pardoned when I say that my Christian wife has heartily aided me in the effort to improve the moral condition of the Almshouse. I have also had the strong aid of the committee, as well as that of a number of preachers and laymen of the various church denominations of our city.

**SPIRIT OF LAW.**  
So far as enforcing the laws is concerned, I will say that in dealing with the poor unfortunate in a good many cases, I exercise the spirit and not the letter of the law, and I very often get good results, so far as the ex-inmates are concerned, as nurses. I hope it is a thing of the past, inasmuch as Miss Cabaniss with her training school has succeeded them.

The application was made several days ago, and a brilliant array of legal talent was retained on each side of the case. The court-room to-night was crowded with spectators. Mr. Gates and his friends listened attentively to the reading of the decision, and as soon as it was completed left the court-room with their attorneys.

## Up-to-Date Effort For Charity's Sake

LONDON, August 19.—Lady Raglan is enjoying the distinction of evolving the most up-to-date charity show. She has agreed to place herself on exhibition during the afternoon to-morrow, wearing her coronation robes and coronet, for the benefit of the local hospital at Beckenham, Kent. The modest sum of six cents is to be charged for admission to the hall, where her Ladyship will be on view. The event was intended to be a quiet, suburban affair, but the newspapers got hold of the story, and the hospital authorities, anxious to reap the greatest benefit, have issued poster advertisements announcing the appearance of the peeress in her robes and wearing the coronation medal presented to her by King Edward.

## BURRELL JOHNSON IS AS A DEAD MAN

If the Law Acts Quickly the People Will Hands Off.

FEELING AT INTENSE POINT

Nothing Short of a Speedy Hanging Will Satisfy Citizens—Negro Sent on to Grand Jury—Is Now Safe in Jail.

(Special Dispatch to The Times.)  
QUINTON, VA., August 19.—Burrell Johnson, the negro who Saturday evening brutally attempted to criminally assault Mrs. Addie Crow, near this place, and cruelly beat her face with a rock, was brought from the courthouse to-day by Sheriff R. C. Apperson and appeared before Magistrate E. J. Clifton, and was sent on to grand jury. Mrs. Crow, his victim, was also present. She positively identified her assailant.

The husband of the suffering woman was also present, but made no demonstration, being satisfied to let his neighbors manage the affair. Mrs. Crow's bruises are disfiguring, but not serious, and she will recover from the inhuman treatment.  
There is intense feeling against the negro, which is shared in by many of his own color, but there is no danger of his immediate lynching unless the officers should falter in their determination.  
Nothing short of speedy hanging will satisfy the citizens of New Kent. If the law acts promptly they will keep hands off. If the machinery of the law is slow in operation they will wait for it.  
The negro is safely back in jail to-night.

## ROADMASTER KILLED; PORTER WOUNDED

RIVAL WHISKEY  
TRUST PROPOSED

Outside Distillers of Kentucky, Ohio, Indiana and Illinois May Get Together.

(By Associated Press.)  
LOUISVILLE, KY., August 19.—A plan is on foot to form a combination of the outside distillers in Kentucky and the outside distillers in Ohio, Illinois and Indiana, the proposed consolidation being a revival of the so-called "Greenbaum Plan," which was stopped in its infancy three years ago by the formation of the present combine, known as the Distilling Company of America.  
The plan which has been quietly discussed has not yet taken definite form, but it is proposed to interest in the scheme the leading jobbing houses of the country and to interest permanently all the distillers whose plants are bought by including in the deal the agreement to have the goods manufactured in their old location under their old brands, thereby making them customers of the new company, affording an outlet for the goods manufactured and leaving the brands and output in the hands of the original owners.

It is further asserted that a new combine might offer big prices for outside distillers and yet have a capital much less than the bonded indebtedness of \$16,000,000, which the Distilling Company of America has just underwritten.

**BOYS' FATAL AFFRAY**

Wounded Victim Dies on Train—Arrests Made.

(Special Dispatch to The Times.)  
BLUEFIELD, W. VA., August 19.—During a base-ball game at Oakvale yesterday Dennis Thiler and brother, Ed. Ed., Chapman Johnson, Bernard Ogness, Dale White and Marvin Moore got into a dispute with Charles Hanks while he was passing by the grounds where they were playing ball. The boys began to quarrel and he retorted in kind, and a quarrel soon arose.  
White became involved in an altercation with Hanks, and Marvin Moore soon joined in the dispute. The entire crowd of boys then gathered around him, who drew his gun and threatened to shoot. This had the effect of dispersing the crowd, but Moore, a boy fifteen years old, soon secured a pistol, and returning followed Hanks into the woods and fired on him twice. One bullet took effect just above the eye and the other in the side.  
Last evening Hanks was put on the train to be taken to his home in East Virginia, and died on the journey. Hanks was employed on the grade at Oakvale. He was about twenty-five years of age. The first five named above were arrested, but Moore made his escape.

**A HORRIBLE CRIME**

A Farmer, Out of His Mind, Drowns His Children and Shoots Himself.

(By Associated Press.)  
SALINA, KANS., August 19.—Joseph Anderson, a farmer, living east of Salina, in a fit of despondency to-day drowned his four children, three girls and a boy, in a cistern and then shot himself with a revolver. Anderson is still alive, but probably will die. Financial matters had affected his mind. The crime was committed during the absence of the mother. The oldest child was six years old and the youngest a baby of four months. Anderson left a note on a table notifying the mother that the children could be found in the cistern.

**Fatal Quarrel of Boys.**

(By Associated Press.)  
OZARK, ARK., August 19.—George Campbell, aged fifteen, was instantly killed last night at Sandy Creek Church, near here, by Theodore Wade, the same age. Wade and another boy were fighting when Campbell ran up and stabbed Wade in the arm. Wade seized the knife and cut young Campbell's throat killing him instantly. Wade is under arrest.

## CEDAR WORKS WAREHOUSE IS DAMAGED BY MYSTERIOUS FIRE

Four-Story Philadelphia Building of the Richmond Company Has a Narrow Escape—The Police Are Investigating the Cause of the Fire.

(Special Dispatch to The Times.)  
PHILADELPHIA, PA., August 19.—Fire was discovered shortly after 6 o'clock this morning in the rear of No. 450 North Second Street—a four-story warehouse occupied by the Richmond Cedar Works, of Richmond, Va. After a short but determined struggle the blaze was extinguished, the flames having been practically confined to the first floor. The loss is estimated at about \$2,500 on stock, principally by water, and at between \$500 and \$1,000 on the building.

An investigation has been started by the police and the fire marshal to determine the origin of the blaze. Considerable mystery surrounds the cause, and it is there is any clue that may tend to solve the puzzle, it is being carefully guarded. A policeman is stationed at the doors and no one is allowed inside except those officially entitled to entrance. C. Forbes, manager of the warehouse, issued the following statement this afternoon:  
"I am at a loss to guess as to the cause of the blaze. There has been no fire of any kind in the building for some months. Nor is there anything stored there that could cause a blaze. I left there last night at 5:30 o'clock, and everything was all right at that time. When I reached here this morning shortly after 6 o'clock the damage had all been done. There was no one in the building yesterday afternoon except myself and the driver of our wagon. The latter was only inside occasionally while he was loading orders on his wagon. I do not often smoke during business hours and I am always careful. There were no matches lying around. The flames seem to have started in the rear of the first floor. The building extends east to a small street in the rear. I place our loss on stock at about \$2,500, most of the damage being due to water."

**PETER POWER ARRIVES**

He is Taken to Jail for Thirty Days for Contempt of Court.

(By Associated Press.)  
NEW YORK, Aug. 19.—Peter Power, who was named as plaintiff in a suit brought to prevent the turning over of the stock of the Northern Pacific railroad to the Northern Securities Company, arrived here to-day from Montreal. He was accompanied by George Alfred Lamb, the attorney in the suit against the Northern Securities Company. Power was sentenced to thirty days' imprisonment recently for contempt of court in refusing to obey a subpoena ordering him to appear and testify in the proceedings in his name.  
Power surrendered himself to United States Marshal Menkel. The marshal

served Judge Lacombe's order of arrest and took Power to the Ludlow Street jail.

**SHANNAHAN ALIVE**

He is Still in Danger, But May Recover a Large Contract.

(Special Dispatch to The Times.)  
BOSTON, MASS., August 19.—Dennis Shannahan, the Ashland, Va., man who attempted suicide yesterday at the Hotel Cecil, is resting comfortably at the City Hospital, but is still on the dangerous list.

He proves to be a well known contractor, having headquarters in Louisville.

Within a short time an important job was awarded to his firm, Shamahan, Casparis and Company, in this city, and he is also said to be interested in some work now under way at South Framingham. He has a brother, Cornelius Shannahan, living in Framingham, who called at the hospital soon after the shooting to see him.

The wounded man, however, failed to give any reason for the shooting. A telegram was found in his room addressed to E. A. Wolfolk, Ashland, Va., which read as follows:  
"Don't use Scotville, see letter. Ashland."  
Mrs. Dennis Shannahan, who lives at No. 267 Second Street, Louisville, has been notified, but of course has not arrived here yet.

## PRESIDENT SCHWAB OFF FOR EUROPE

He Will Recuperate at the Mineral Springs of France.

(By Associated Press.)  
ALTOONA, PA., August 19.—Charles M. Schwab, president of the United States Steel Corporation, passed through here to-day on his private car "Loretto" en route to New York, whence he will sail for Europe. He disclosed his destination to an old Altoona friend who talked with him since he has been at Loretto. He said that he was going to France, where he will take a course of treatment at the mineral springs of that country. His chief ailment is an affection of the nerves.  
The steel president's stay amid the scenes of his boyhood has evidently done him good. He told his friend, F. D. Saupp, of this city, that he never felt better in his life, and Mr. Saupp emphasized this by stating that he had never seen him looking better. Mrs. Schwab is not with her husband. She will remain at Loretto during his absence.

## HE IS MOVED TO REPENTANCE AT THE GRAVE OF HIS FRIEND

Confessed Christ Over Open Grave at the Invitation of Pastor—Mr. Leland Jeter, of Meherrin, Va., is Thus Affected—Baptized the Same Afternoon.

Accepting an invitation to acknowledge God as his Saviour before man, in the presence of a large assemblage of sorrowing friends and over the open grave of his comrade in life, Mr. Leland Jeter, a popular young man of Meherrin, Virginia, with tears of repentance in his eyes, gave his hand to Rev. Mr. Clarke, who was conducting the funeral services over the dead body of Mr. William Henry Neal Monday, thereby profiting to the world that he intended so to live the rest of his life as to receive a crown in heaven when the same summons, which had taken his friend away in the flower of his youth, shall call him to his last account within three hours after the confession the young man was baptized by the pastor who had extended the invitation for any one to accept Christ.  
Possibly the case is unprecedented in the history of the State. Mr. Neal, who was an intimate friend of Mr. Jeter, died Sunday morning after being ill for only about a week. His death was a shock to the entire community and a blow to his sisters and mother. The funeral was at Meherrin, the services being held at

## Fatal Negro Riot on Seaboard Train in North Carolina.

OBJECT TO JIM CROW CAR

The Murderer and Two of His Gang Arrested and in Jail.

TWO JUMPED FROM TRAIN

Bloodhounds and Enraged Citizens on Their Trail—Insulting Negroes Entered Car Reserved for Whites.

Were Ordered Out; Obedied, But Attempted to Murder Conductor.

Roadmaster Stevens, killed, and a colored porter, Jim Mitchell, fatally wounded, is the result of a fight between five negroes and the train crew of a southbound passenger train on the Seaboard Air Line Railroad yesterday afternoon just south of Middleburg, a small station between Weldon and Franklinton. Roadmaster Stevens was snatched through the head by a negro with whom he grappled, and dropped to the floor of the coach. His body was put off the train at Henderson.

Jim Mitchell, the colored porter, who rushed into the general mixup following the killing of Stevens, was shot twice in the abdomen.

**FATAL WOUNDS.**  
His wounds are such as will in nine chances out of ten prove fatal. He is at a hospital in Raleigh, where an operation was performed last night, but the balls were not located.

Three of the negroes causing the trouble were captured by passengers in the coach, while two escaped, jumping from the moving train. The two fugitives were being pursued last night by enraged citizens led by a pack of bloodhounds, promptly sent to the scene from Weldon. The three negroes arrested, Joe Cole, Sr., Joe Cole, Jr., and Charles Ferguson, were turned over to officers notified and waiting at the depot at Henderson. They were placed in jail there and so far as could be ascertained, their presence in the city had not occasioned any movement among the citizens towards violence.

**CONDUCTOR'S STATEMENT.**  
In a dispatch to The Times, received last night from Raleigh, Captain W. F. Clements, conductor in charge of the train, makes a statement concerning the fatal row, which shows the whole trouble grew out of the refusal of the negroes to occupy seats in the "Jim Crow" car. Captain Clements says the negroes had entered the car reserved for whites, and taking seats began singing blusteringly. This he protested against and ordered them to go forward into the coach reserved for colored people, and many words followed, the negroes appearing ugly; but finally they followed him into that coach. Being in the "Jim Crow" car, one of the five, Joe Cole, Sr.,
