MISS VAN CLEAVE.

The above is the picture of the missionary whom the Christian Churches of Mason County have pledged themselves to support during this year. Her salary which is \$600.00 will be paid by the combined offerings of the members of the church and Bible School of these churches. Some of the churches expect to take their missionary offering on March 15th or later. Mayslick and Maysville will receive additional offerings next Sunday.

Miss Van Cleave whose first name we believe is Nina, is a new missionary in China. Within a few months word from Miss Van Cleave will be received by these churches and the character of her work will be known.

This new step by these churches not only unites their efforts but gives them a vital interest in the mission field where their own missionaries labor.

Louisville gets natural gas at 35 cents per thousand after March 15.

FATHER REALLY OUGHT TO HAVE HIS PICTURE TAKEN

He hasn't had a photograph since that funny looking one in the cut-away coat that he was married in. ('Twas a noon wedding, you know.)

Yes, mother says 'twas a good one of him as he looked THEN, but really, for the sake of the family, there should be one of him as he looks NOW.

Farmers

Have you ever tried our way of borrowing money to pay for a farm

You, of course, know that most farms are sold for one-third cash and the balance of the payment is represented by lien notes due in one and two years. You also know that there are times when it is impossible to pay these notes when they become due.

Our specialty is lending money on good farms for LONG PERIODS. Wouldn't you rather have five years to pay the balance than two years? Any one expecting to buy farms this March will do well to come in and consult us about getting the money.

We have been giving satisfactory service for 24 years.

ELECTRIC SIGNS!

The distinguishing air of quality which a first-class Electric Sign gives to a store is the element which gives a sign its greatest value as an advertising medium and investment. The impression it makes is good. It blazes forth to the public that there is business enterprise, merchandise and methods up-to-date. It affects the entire atmosphere of the business district. The stranger says, "It is a live town," and publishes it abroad.

It is the Sign of the Times.
