

It is easy enough to be pleasant
When there's nothing to vex us at all,
But the fellow who wins
Is the one who just grins
As he scrambles up after a fall.

FEEBLE OLD PEOPLE

Are Told How to Regain Strength and Vigor.

As one grows old the waste of the system becomes more rapid than repair, the organs act more slowly and less effectively than in youth, the circulation is poor, the blood thin and digestion weak.

Vinol, our delicious cod liver and iron tonic without oil is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, I am sure you would be unable to supply the demand. I never took anything before that did me so much good as Vinol. It is the finest tonic and strength creator I ever used in my life."

If Vinol fails to build you the feeble, old people, and create strength we will return your money. J. C. Pecor, Druggist, Maysville, Ky.

DOCTOR SAID HE HAD DROPSY
Some time ago I had an attack of grippe which finally settled in my kidneys and bladder. I doctored with the doctors and they claimed I had dropsy. I tried other remedies and got no relief from any of them. My condition was such that I was unable to work for about two months and the annoying symptoms caused me a great deal of trouble and pain. I was hardly able to turn over in bed. Seeing one of your Almanacs, I decided to give Dr. Kilmor's Swamp-Root a trial and after taking several bottles was able to resume my work again. I cannot say too much in praise of your Swamp-Root as the results in my case were truly wonderful.

Generally speaking, a town booster is one who has real estate to sell.
A man also demonstrates his superiority over woman in the respect that he can scratch his own back.
When a town takes the trouble to compliment a farmer it means that his car is "dead" a quarter of a mile down the road.
The proportion of suicides in the United States in the last year remained about the same, being 8,692 males and 4,504 females.

STOP
Coffee Drinkers,
And Think a Minute

Some persons seem able, for a time at least, to get along with coffee, but it contains a subtle, habit-forming drug, caffeine, which sooner or later is pretty sure to rob one of health and comfort.

If you know coffee don't harm you—if you feel prime and fit under its continued use, well and good—stick to it.

But—if you are sometimes a bit "off color," and irritable nerves, disturbed heart action, biliousness, headache, or symptoms of liver or kidney trouble make you wonder what's the matter—

Better find out what coffee has to do with it.

Evidently some people are learning the truth about coffee—listen—

During 1913 the sales of coffee in this country decreased over one hundred million pounds.

A mighty army of former coffee drinkers now use

POSTUM

and enjoy freedom from the old coffee aches and pains.

Postum, made of whole wheat and a bit of molasses, is a delicious table beverage absolutely free from the coffee drugs, caffeine and tannin.

If you are interested in bettering yourself—think it over.

Postum now comes in two forms.

Regular Postum—must be well boiled. 15c and 25c packages.

Instant Postum—a soluble powder, requires no boiling. 30c and 50c tins.

The cost per cup of both kinds is about the same.

"There's a Reason" for Postum

EMINENT HEROES IN HOSPITAL.
Attendants at the city hospital had just placed George Washington in a bed in the medical ward yesterday when a call was received to come and get Henry Clay. The ambulance was sent out and the "statesman" was brought in and placed alongside the "general."
"What seems to be the matter with the father of his country?" asked in ignorance of the doctor who was diagnosing the first case.
"Declaration of independence," said the other, laughing as he wrote "pneumonia" on his pad.
"How about Clay?"
"I'd rather be right than President, but I'll have to guess—lack of nourishment," I think."

COAL OPERATIONS
Big Tract of Land In Hazard Field To Be Developed at Once.
Hazard, Ky.—Hazard is soon to have what promises to be one of the largest coal operations in Eastern Kentucky. L. M. Buford and others, of Roanoke, Va., together with local coal men, have leased a 3,200-acre tract of coal land one mile south of Hazard. This tract is known as the Brown property and is owned by W. J. Brown, of Bristol, Va.; D. D. Hull, of Roanoke, Va., and others. Since that lease was completed the Ashless Coal Company has been organized and incorporated under the laws of Virginia for the purpose of developing the lower part of the tract, which contains about 1,800 acres. This company has a capital stock of \$150,000 and its chief officers are experienced coal men.

NEW HOTEL LAW.
The new hotel law, which also applies to lodging houses and restaurants, will probably reduce the number now kept. Under this law 99-inch sheets, made of white linen or cotton, two of them on every bed and washed after once used, are required. Also, two clean towels every day in each room, and individual towels during certain hours in the washing rooms; a window in each room opening out of doors or into an air shaft; a half-way door; a chemical fire extinguisher or a stand pipe for every 2,500 feet of floor space; stairway fire escapes for three story buildings, and proper sanitary conveniences are among the specific requirements of the act. A \$3 fee for a license and a tax of 25 cents the room, not to exceed \$10 annually, are to be collected from hotels for the support of the department.

BOND ISSUE DEFEATED.
(Augusta Chronicle).
On Saturday, April 4, the vote on the question of issuing bonds to the amount of \$10,000, or so much thereof as necessary, to improve the public school building, was defeated; the vote being 80 to 52 against issuing bonds. Apparently, the citizens of Augusta are against a bond issue of any description, regardless of how worthy the cause may be.
