**TEN TO NINE**  
Was The Shape of Maysville's Defeat Yesterday at The Hands of The Lexington Colts.

Lexington, May 27.—The Colts had a hard fight to win from the Maysville boys yesterday afternoon, due principally to the ineffectiveness of Fletcher in the early innings, but finally turned the trick in the ninth by the score of 10 to 9. The game was a slugfest, with Lexington always on the long end of the hits, although not always the big end of the score, the Cubs getting most of theirs when they needed runs.  
The Maysville lads came in for their share of the luck when several of their hits came on apparently easy chances when the ball took nasty hops over the heads of the infielders, Mike Konnick having two to act mean for him and another played a circus trick for "Bill" White and drove in two runs. But the Colts had their slugging clothes on and eighteen hits will win almost any old ball game, with heady base runners on the sacks.  
Score by innings:  
Innings 1 2 3 4 5 6 7 8 9—  
Maysville .....1 0 4 0 3 0 0 1 0—9  
Lexington .....1 0 2 3 0 1 2 0 1—9

**FIFTH DISTRICT CONVENTION**  
Of the Christian Churches of Five Counties Held at Mayslick Yesterday.  
The Sunday School convention, composed of all the Christian Churches in Mason and four other counties, gathered at the Mayslick High School auditorium yesterday. An immense crowd attended and all remarked that Kentucky hospitality is not obsolete.  
Rev. R. H. Crossfield of Transylvania University in Lexington, Rev. William Lloyd of Flemingsburg, Rev. John S. Hilton and Mrs. John Asbury of Louisville, spoke.  
The following officers were elected: Rev. E. L. Miley of Elizaville, president.  
Mr. William E. Pogue of Mayslick, vice president.  
Mrs. E. Vallengard of Piqua, secretary.  
The next convention will be held at Brooksville. Those attending from this city representing the Christian Sunday School were: Rev. A. F. Stahl, Mr. J. Ed Parker, Mr. Joe Newell, Mr. Geo. H. Frank, Mr. Robert F. Thompson and Col. Daly, Mrs. Dr. Davis, Mrs. A. F. Stahl, Misses Ruth Kreitzer, Ada Emmitt, Dorothy Douglas, Florence Frank, Rosa Watson, Ruth and Thelma Stahl, Ada Daly.  
The people of Mayslick upheld the good name of that community by the manner of their entertainment. Everybody was treated as a special guest and all felt well repaid for going.

**Why Vudor Shades**  
Are Better Than Awnings, Bamboo Screens or Canvas Drops.  
Vudor Porch Shades should not be confused with ordinary porch screens—canvas curtains or bamboo shades, for instance.  
Awnings and canvas curtains shut out the sun, but as they likewise prevent the circulation of air, the porch becomes an oven. It is like sitting in a tent with the sun beating down upon it.  
Bamboo screens afford practically no protection. On account of the narrow, irregular strips used, and the thick cords employed to hold them together, the sun's rays find easy entrance through the cracks.  
This defect also permits people on the outside to gaze in and there is no privacy behind a screen of this character.  
Vudor Shades have none of these defects but have every requirement of the ideal shade. Order one today. Prices \$2.75 to 5.75 according to size, all Vudor Shades are alike in quality.  
If you want cheaper Shades we have another kind at \$1.25 to 1.98

**Farmers, Look!**  
The important feature of any transplanter is the valve mechanism. Examine the Improved Tiger. The valve on this transplanter has a flat rubber cut-off and 1 1/2 hose that insures plenty of water. The Tiger makes the farmer absolutely independent of the weather. He sets his tobacco when he gets his ground ready and it makes no difference whether the soil is dry or moist. This machine was designed primarily for the purpose of enabling the farmer to transplant, irrespective of seasonable conditions. At the same time, it is constructed to make planting more rapid and accurate. You can't go wrong in buying a Tiger. They will "deliver the goods." If you are too busy to come in, phone us and we will give you the names of some of your neighbors who are delighted Tiger owners.
