**DEATH BLOW TO THE FEDERAL FAKERS**

Chicago, Ill., June 3.—The Cincinnati base ball club, and through it organized base ball, won probably its most important victory when Judge George H. Poff in the Superior court of Cook County made permanent the injunction restraining Pitcher George "Chief" Johnson from playing with the Kansas City Federal league club or any other team than the Cincinnati Reds. It is believed that the decision will completely stop all efforts by Federal league agents to induce players in organized base ball to jump to the new league. It also means, it is claimed, that owners of clubs can now feel secure that their teams will remain intact for the remainder of this season. Rumors of this or that star player planning to jump also will cease.

## CHILDREN'S DAY.

It is well known that the Christian churches of Mason County are supporting a missionary in China. The entire salary of Mrs. Frank C. Buck is provided for by this county. With this in view some of the Christian Sunday Schools will take their missionary offering next Sunday morning. Any individual in these Sunday Schools who gives \$1.65 will be given a definite date as the day when they support the missionary. For that amount pays one day's salary.

The Maysville Christian Bible School is asking the different classes to give the amounts as follows: Primary classes, \$25.00; Junior classes, \$20.00; Miss McDougall's class, \$5.00; Mr. Bowling's class, \$3.00; Miss Hanseman's class, \$8; Mr. Scott's class, \$8; Mrs. Frazer's class, \$8; Mr. Frank's class, \$25.00; Mr. Stahl's men's class, \$40.00; Officers, \$8.00.

No one in this or any other school is compelled to give, though all are asked to do so if at all able. The entertainment to be given by the children on next Sunday morning will immediately follow the regular study of the lesson. A full attendance of the church membership is expected.

## "EDUCATION IN KENTUCKY"

"The Specialist" in Teachers is Here—Prof. Dix to Succeed Prof. Gaither as Principal of Mayslick Consolidated Schools.

(Lexington Leader.)

Those in Kentucky who contributed the work necessary to secure the better school law passed in 1908, and since perfected have much cause to feel proud of results. This year's commencement program of the Boone County High School at Burlington, arranged by the principal, Mr. E. L. Dix, which we give in full, is:

(1) A Better Banking System for the Farmer.

By a young man from the farm who has already accepted a position with one of our Banks at the close of the school year.

(2) Farm Advertising and The Parcel Post.

The young man who handles this subject will exhibit large placards representing attractive advertisements that farmers may use to call attention of City people and others to their products. He will also show cartons filled with apples, parcel post egg packages, and other possible profit-producing schemes which most farmers overlook.

(3) Cooking as a Fine Art.

The young lady will have a stove, utensils and material on the platform from which she will prepare special dishes and cook them, with appropriate explanations.

(4) Labor Saving Devices in the Home.

The young lady will demonstrate modern conveniences, such as the vacuum cleaner, not in common use in our community.

(5) Dollars and Sense in the Dairy Business.

This young man whose father is a progressive dairyman will explain the use and advantages of feed and milk records. He will also test milk on the platform and perhaps operate a farm milk separator. He wants to bring a calf upon the stage and explain its good and bad points.

(6) Back! Truck! Back! Truck!

The large trucks are bringing too many things into Boone County from Cincinnati that they ought to be taking to Cincinnati from Boone County. This young man discusses that situation.

(7) Home Decorations and Ornaments.

(8) Character, The Greatest Thing of All.

A fifth young man keeps us from getting too far afield.

Mr. Dix will succeed Mr. R. P. Gaither as principal of the Mayslick Consolidated Schools.

## WAITING ON CARRANZA.

Niagara Falls, Ont., June 3.—Mediation tonight waits on Gen. Carranza, commander-in-chief of the rebels in Mexico. He has in his possession a communication from the South American diplomats which opens the door for Constitutional representation in the conferences here.

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the seat of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound in your ears, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless a course of treatment by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
