EMPLOYEE AWARDED FOR INJURY.

The State Industrial Commission Monday granted an award to Mordcait Boetes, of Lexington, Ohio, of \$12.14 for an injury sustained by him while in the employ of the Barrett Mill & Lumber Co. The award of the commission was granted under the provisions of the Ohio Workmen's Compensation Law.

SIXTEEN YEAR OLD BUTTER.

(Carlisle Advocate.)
At a depth of 29 feet under 20 feet of mud, a crock of butter was found in a well at the old homestead of Col. Thompson Parks at Parks' Ferry the other day when the well was being cleaned out, and, strange to say, the butter was as well preserved as if fresh. Mr. Parks has been dead sixteen years, and that the butter was accidentally dropped into the well during his lifetime there is no doubt.

L. & N. RAISES KENTUCKY FARES.

Beginning Wednesday the Louisville and Nashville will raise its rates from Cincinnati to Covington or vice versa to 25 cents, and to Latonia to 30 cents. The former fare was 10 cents to either destination. The reason for the change given by the road is that it was the simplest way by which it could make its rates conform both to the new Kentucky two-and-a-half-cent fare law and to the interstate law governing long and short hauls. The other lines crossing the river announced that the old rates to nearby destinations would remain in force.

Elgin and Walter Sharp, of Sharpburg, 241 head at 8 cents; of Hughes Atkinson, 48 head at 8 cents; of Mr. Hawkins, 47 at 8 cents; of Dan W. and John T. Batts, 103 head at 8 cents; of Col. W. T. Phelps 88 head at 8 1/2 cents and of Robt. C. Gatwood 138 head at 8 1/2 cents. These are all fine cattle and will weigh about 1,500 lbs. CHEROKEE NATION DISSOLVED

Tribal Funds Are To Be Divided Among 41,000 Members.
Washington, July 1.—The Cherokee Nation, largest of the five civilized tribes was dissolved as a nation at midnight, and the tribal funds, amounting to \$600,000, will be divided among its 41,000 members.

Senator Owen, of Oklahoma, was a member of the Cherokee Nation and will receive his portion of the tribal funds about fifteen dollars.

EARL OF WEMYSS

'Father' of House of Lords, Dies at Age of 96 Years.
London, June 30.—The Earl of Wemyss and March, the 'father' of the House of Lords, died today.
Born in 1818, the Earl of Wemyss until quite recently was considered one of the liveliest members of the British House of Lords. Long after he reached the age of 90 he played an excellent game of golf. At 82 he contracted a second marriage, although at the time he had a number of great-grandchildren.
The Earl of Wemyss owned about 62,000 acres.

ATTORNEY-GENERAL

Rules Negroes May Teach Despite What Superintendent Says.
Frankfort.—Attorney-General Garnett gave to G. P. Russell, of Frankfort, President of the Kentucky Normal and Industrial Institute, his written opinion that diplomas from that institution, signed by all the Trustees of the college except the State Superintendent of Public Instruction, are valid. He says further that such diplomas authorized the holders to teach in the negro common schools of the state.
State Superintendent Hamlett did not sign the diplomas this year, and instructed the County School Superintendents not to permit the graduates to teach in the negro common schools with out a special examination.
This opinion of Garnett overrides Hamlett. A friendly suit may be filed to get a construction of the statute.

DO IT NOW

Maysville People Should Not Wait Until It Is Too Late.
The appalling death rate from kidney disease is due largely to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may slip gradually into some serious form of kidney complaint.
If you suffer from backache, head aches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.
Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them. Here's a case at home:
Mrs. S. Neal, 497 W. Second St., Maysville, Ky., says: "One of my family had a great deal of trouble from his back and kidneys. Doan's Kidney Pills made him better and he always praises them."
Mrs. Neal is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Neal recommends—the remedy backed by home testimony. See all stores. Foster-McLura Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.
If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.
If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

In California there are 330,000 acres on which grapes are growing; 170,000 planted to wine grapes; 110,000 to raisin grapes and 50,000 to table grapes.

NOT ENOUGH MUSTARD IN TEDDY

Pittsburg, June 30.—Theodore Roosevelt fired the opening gun here tonight in the 1914 campaign of the Washington party, the Pennsylvania branch of the Progressive organization. While the old-time Roosevelt spirit was present, little of the old-time Roosevelt fire was evinced, for the Colonel's voice has been quieted, but 'tis far from being stifled.
