HALLOWE'EN PARTIES.

Last night Mr. George H. Frank entertained his Sunday School class with a Hallowe'en and birthday party at the Christian church. Mr. Frank certainly does know how to entertain, for every one of the eighty present ate to their fill of pumpkin pie, ginger bread and sweet milk. The church was beautifully and appropriately decorated with pumpkins, oak and other of nature's fall dress. During the evening Mr. Frank was given a suitable present by the members of his class, as a mark of their appreciation.

The following ladies were awarded prizes for the best pumpkin pie: Mrs. Elwood Tolle—First prize. Miss Gertrude Tolle—Second prize. Mrs. S. F. Hayes—Third prize.

Over one hundred members and friends of the Epworth League of the Third Street M. E. Church journeyed to the Nauman home just below town and enjoyed a pleasant evening. Refreshments consisting of pumpkin and mince pie and hot coffee were served, and in abundance. Games were played and a good time was enjoyed by every one present.

A goodly number turned out to the Hallowe'en party given by the Sunday School of the First Presbyterian church in the church last evening. Pleasant refreshments were served and it was indeed a very enjoyable affair.

CHAOS

In War Stricken Europe—London In Darkness

Conflict Widens and the United States Menaced

"CROWN PRINCE WOUNDED" Rome, via London, October 30.—It is reported here that the German crown prince has been wounded while leading an attack on Verdun.

London, Oct. 30.—The Daily Chronicle's Paris correspondent asserts that, with a view to detaching France from the allies, Germany made an offer to conclude peace.

"KAISER VON BELGIUM" London, Oct. 30.—A dispatch to the Times from Berlin via Copenhagen asserts that preparations are being made in the German capital for the public proclamation for the annexation of Belgium, which is mentioned officially as "the happy German Reichsland under the illustrious scepter of Kaiser Wilhelm Von Belgium."

London, Oct. 30.—All England shows anxiety—it would be untrue to say fear, because the English are an imperturbable race, and never show fear—over attacks on London by Zeppelins and possible raids on the coast. All lights in London streets are now dimmed. Electric street lights are covered with hoods, shop keepers are "advised" not to light show windows brightly. Theatres are giving five matinees and a few night performances, and all roof windows are covered. In short every precaution is being taken to darken London, so that no hostile Zeppelin, if it comes, can see where to strike.

TO BE WAR OF DEFENSE. Petrograd, Oct. 30.—In the highest official sources here it is stated that Russians view the action of Turkey in bombarding unfortified Russian ports without a declaration of war as infinitely more important to England than to Russia on account of the English communications with India and her position in Egypt. It is stated that though Russia has a new war on her hands, her policy will not be one of general aggression against Turkey, but merely a defense of her own interests in the Black Sea.

A GUSHER IN PROSPECT

Ohio Valley Oil And Gas Company Strike Gas Well of 500,000 Cubic Feet Flow—Pressure 105 Pounds to the Inch—Depth 1365 Feet.

The encouraging news reached Maysville yesterday afternoon that with deeper drilling of the gas well near Brooksville a pressure of 105 pounds to the square inch has been obtained at a depth of 1365 feet.

It is said that the roar from the gas escaping can be heard a half-mile away. It is reported that a proposition has already been made to light the town of Brooksville, but President John Brown says he expects greater things than this as soon as he drills through the oil sand rock into the gas strata proper.

Here to you, Mr. President, and to the stockholders of the Ohio Valley Oil and Gas Company.

As this oil well is now flowing at the rate of 500,000 cubic feet per day, it may be that Mason and Bracken counties are destined to be a vast oil and gas field.

PUBLIC SCHOOLS INSPECTED

President Browning, Vice-President Russell and Superintendent Caplinger Made Pleasing Visit Yesterday Morning.

Yesterday morning President S. P. Browning and Vice-President J. Barbour Russell of the Board of Education and Superintendent Caplinger of the Maysville Public Schools made a tour of inspection of the Maysville Public School and were very much gratified to find the schools in a fine condition.

At each school the fire drill was given for the benefit of the committee. The Colored School, with 150 pupils, was emptied in 45 seconds.

The First Ward School, with 138 pupils, was emptied in 38 seconds.

The Fifth Ward School, with 245 pupils, was emptied in 45 seconds.

The High School, with 405 pupils, was emptied in 40 seconds.

Superintendent Caplinger takes great pride in the way the Maysville teachers and scholars have taken hold of the fire drill and it looks as if each and every one of them had made "Safety First" his motto.

These inspection tours will be made at least once a month from now on.
