

NEED NOT SAY that these suits and overcoats of ours are irreproachable in fit and finish. We need not in the worn, stale and hackneyed of praise which in those days indiscriminately bestowed upon merchandise—upon the worthy and less alike.

Need only say that these clothes the signature of George H. Frank say that is to say all the rest. implies all that is excellent and double in clothes making. It is sufficient—conclusive—final.

To say more would be superfluous, necessary and a waste of good printer's ink which is worse needed elsewhere than in extolling the merits of the Live Store, its methods and its merchandise.

**NOTICE TO FREIGHT SHIPPERS.**

Act of U. S. Congress, dated October 22, 1914:

Commencing December 1, 1914, "it shall be the duty of every railroad or steamboat company, carrier, express company or corporation or person whose occupation is to act as such, to issue to the shipper or consignee, or his agent, or person from whom any goods are accepted for transportation where a charge exceeding 5 cents is made, a bill of lading, manifest, or other evidence of receipt, and forwarding for each shipment received for carriage and transportation, whether in bulk or in boxes, bales, packages, bundles or not so enclosed or included; and such shipper, consignee, agent, or persons shall duly attach and cancel, as in this act provided, to each of said bills of lading, manifest or other memorandum, a stamp of the value of 1 cent."

This is brought to your attention so as you can provide yourselves with the necessary supply of internal revenue stamps of the value of 1 cent to care for your needs.

You will note that the law provides that the shipper affix and cancel the stamp, and you will further note that a special internal revenue stamp must be used. The ordinary postage stamp will not do. Stamps can be purchased from the United States revenue agent, Maysville.

We are also advised that "Ohio will not accept stock from Kentucky until further notice."

It is not the appraised value in money that makes your gift valuable in the eyes of worthy friends, but the thought you have put into it.

A photograph carries with it not only the outline of your face and form, but rekindles the memory of pleasant days and happy hours, and brings afresh to the mind the priceless boon of friendship.

**STOMACH TROUBLE FOR FIVE YEARS**

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try **Theford's Black-Draught**, and quit taking other medicines. I decided to take his advice, although I did not have any confidence in it. I have now been taking **Black-Draught** for three months, and it has cured me—haven't had those awful sick headaches since I began using it. I am so thankful for what **Black-Draught** has done for me."

**Ford**  
21,976 FORDS SOLD IN SEPTEMBER

The Ford Motor Co., announces that in the month of September there were sold and delivered 21,976 Ford cars. This was a gain of 11,470 cars over September 1913. This is significant not only because it shows that the Ford production is rapidly being increased to meet the stupendous influx of orders, but also because it demonstrates that the Ford Motor Company is maintaining the 300,000 car-schedule necessary to give Ford purchasers between August 1st, 1914 and August 1st, 1915, a share of Ford profits.

We have just received a car-load of the new 1915 models, and can give you immediate delivery. There's nothing to gain by waiting, so order now and enjoy your car this fall and winter.
