A man might possibly use that inside vest pocket once a year. But why is the belt on the back of an overcoat?

TOBACCO

on our opening sale did not sell up to the expectation of a number of sellers, due in a measure to the extremely soft condition of a large percentage of the Tobacco on sale.

In some instances, however, we had expressions of satisfaction, and we confidently believe the difference between the 'Growers' Ideas' and the present market will adjust itself as soon as Tobacco begins to appear in good merchantable order. We anticipate a free movement of Tobacco before the holidays and we want your business. We are ready to serve you at all times to the limit of our ability.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is the favorite tobacco of critical American smokers—a refined tobacco for men of refined taste. No other tobacco has ever received the endorsement of so many famous Americans—leaders in their different spheres of activity, whose judgment carries weight and commands consideration.

Tuxedo is made from the very mildest, ripest Kentucky Burley tobacco—aged until perfectly mellow. Then treated by the original "Tuxedo Process" that makes Tuxedo absolutely non-biting and decidedly throat-soothing—and develops the wonderful mildness, fragrance and flavor of the Burley leaf in a way no other tobacco has ever successfully imitated.

FREE Take advantage of this free offer today and avoid disappointment as dealers have only a limited supply of these "State Seal" Watch Charms and cannot obtain more. Get 10c worth of Tuxedo—and ask for a free "State Seal" Watch Charm.
