STRENGTH.
He sure is an unpleasant jay,
We keep him at arm's length;
For he eats garlic every day,
Because it gives him strength.

RUPTURE EXPERT HERE

SEELEY, WHO FITTED CZAR OF RUSSIA, CALLED TO MAYSVILLE.

F. H. Seeley of Chicago and Philadelphia, the noted truss expert, will be at the Whitehall Hotel and will remain in Maysville Friday only, September 10. Mr. Seeley says: "The Spermatic Shield as now used and approved by the United States Government, will not only retain any case of rupture perfectly, affording immediate and complete relief, but closes the opening in ten days on the average case. This instrument received the only award in England and Spain, producing results without surgery, infections, medical treatments or prescriptions." Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. All charity cases without charge, or if interested call, he will be glad to show same without charge or fit them if desired. Business demands prevent stopping at any other place in this section.

ONE LITTLE BALL-UP

IN THE FIRST GAME OF THE POST-SERIES ENCOUNTERS CAUSED SEVERAL IMPROMPTU FIGHTS—INCIDENTALLY MAYSVILLE LOST BY THE SCORE OF 13 TO 3.

Yea, verily, a ball game is never over until the last man is out. After having a 3 to 1 lead over Portsmouth yesterday, Maysville lost to them by the score of 13 to 3.

The cause of the defeat was the fact that in the eighth inning of the contest, with two men down, Messrs. Tinnin and H. Devore went after the same fly ball and neither got it. Then the balloon went up. The painful particulars will be found a little farther on in our essay.

To top things off, after the slaughter in the eighth, Tinnin and H. Devore tried to place the blame.

Result—A short scrap until Manager Josh interfered.

Former President Pennywit, of the Charleston team, also wanted to lick Herrmann DeBerry, our star catcher, and to make things interesting, several other spectators started little fights of their own. No decisions were given owing to the arrival of the police.

Further results—One arrest.

The game play by play:

FIRST INNING.
Dillhoffler fled to Tinnin; Diltz out; Tipton to Henderson; Sharman beat out a hot grounder to Kelly; Johnson out, Emmer to Henderson. No runs, one hit, no errors.

SECOND INNING.
Caton singled and went to second on a wild pitch; McHenry lined to Kelly; Spencer fled to Tinnin, Caton going to third. Bush fled to Joshua. No runs, one hit, no errors.

THIRD INNING.
Hancock walked; Dillhoffler sacrificed; Diltz took four balls; Sharman grounded to Kelly, who threw Diltz out at second; Sharman started for second and DeBerry made a pretense of throwing to catch him, but caught Hancock napping on third. No runs, no hits, no errors.

FOURTH INNING.
Tinnin out, Caton to Spencer; McGraynor walked; H. Devore grounded to Bush, who touched McGraynor out; Emmer fled to Sharman. No runs, no hits, no errors.

FIFTH INNING.
Johnson fled to Josh; Caton took four balls; McHenry fled to H. Devore; Caton out trying to steal. No runs, no hits, no errors.
Manager Josh led off with a single; DeBerry sent Josh to second with a grounder to Dillhoffler, but was himself thrown out at first; Tipton out, Bush to Spencer; Kelly out, Dillhoffler to Spencer. No runs, one hit, no errors.

SIXTH INNING.
Dillhoffler walked; Diltz sacrificed; Sharman singled; Johnson fled to Tinnin, Diltz scoring; Caton fled to Tipton. One run, one hit, no errors.

SEVENTH INNING.
McHenry tripled to left center; Spencer out, Tipton to Henderson; Mac hit Bush; Hancock knocked a hot grounder to Tipton, who threw McHenry out at the plate; Dillhoffler fouled to DeBerry. No runs, one hit, no errors.

EIGHTH INNING.
Diltz fled to Joshua; Sharman singled; Johnson followed suit; Caton out, Tipton to Henderson; McHenry's fly fell safe when H. Devore and Tinnin both went after the ball, Sharman and Johnson scoring; Spencer walked; Bush again got to first by being hit by a pitched ball; Hancock singled, scoring McHenry and Spencer; Dillhoffler walked; Diltz cleared the bases with a homer to center; Sharman singled and stole second and third; Johnson walked; Caton knocked one under the fence for a homer, scoring Sharman and Johnson; McHenry doubled; Spencer singled, scoring McHenry; Bush fled to Kelly. Twelve runs, seven hits, one error.

NINTH INNING.
Devore out, Bush to Spencer; DeBerry out, Diltz to Spencer; Tipton singled; Kelly forced Tipton at second. No runs, one hit, no errors.

TREATS LEDGER FORCE.
The office and shop forces of The Ledger are very thankful to Mr. C. M. Dooley, of the Maysville Model Creamery Company, who Tuesday afternoon treated the bunch to a spread of ice cream and cake. It's just another case of words falling us in our attempt to express our thanks and appreciation.

Rev. A. F. Felts has been returned to his charge and regular services will be held. His friends will be glad to meet again.

Miss Anna Bell Lewis' kindergarten will open on Monday next, September 13, in the rooms formerly occupied by Miss Gordon.

Mr. and Mrs. Carl Boyden, of Cincinnati, spent Saturday and Sunday with me and his family again.

A GREAT REDUCTION

In going over our stock we find that we are OVERLOADED, and have decided to REDUCE STOCK, and it goes at cost. This space will not permit us to list it all. One great bargain is 100,000 feet of an EXCELLENT GRADE OF OAK SIDING. This goes at \$2 PER HUNDRED. All other yard stock greatly reduced. Don't miss this opportunity to get what you want in lumber and building material at the lowest prices ever known in Maysville. Terms at this reduced price are CASH.

MASON COUNTY TEACHERS' INSTITUTE.

Maysville, Ky., September 7.—The first day of the Mason County Teachers' Institute, which is now in session here, was indeed a success in every way.

The opening exercises were conducted by Rev. L. N. Thompson, who is not only an able minister, but is also and has always been greatly interested in education.

Miss Yancey then made to announcements for the week's work and appointed Miss Laura Crosby as secretary, with Miss Fannie Worthington as assistant. After this Miss Wallace made some announcements in behalf of De Nuzie, of Maysville, who has a splendid display of school supplies and kindergarten materials.

Mr. E. L. Dix, principal of Mayslick High School, gave a very helpful talk upon the use of the course of study. He compared the school to a living organism, in that they need the same four elements to keep them alive and growing, namely, atmosphere, which in the schoolroom will be system, discipline, purpose and earnestness and purpose. The second element is light, which will be our methods. Third food, which is to course of study, and fourth, exercise, which is the course of study in industrial subjects.

Mr. G. W. Lewis, of Chicago, who will be the primary instructor all week, was then introduced and took up the subject of the story method of teaching reading. He says that a child should be permitted to read anything enlightening ideas, thoughts and feelings not already within the sphere of his experience, and for which he has not the oral word thoroughly familiar.

The afternoon session was begun by a selection by the Glee Club, which is composed of a number of our Mason county teachers. This was followed by an address by Mr. Rhoades, state supervisor of high schools, on changed conditions in education.

In the evening Miss Allman gave a piano solo after which Dr. Curry gave an illustrated lecture on how to prevent disease.

THE WRONG COBB.
Mr. Dan Cobb requests The Ledger to state that it is a mistake about him having a fight with Mr. Henry Glenn over religion or anything else, as he does not fight. He absolutely denies the allegation and defies the alligator. It was some other Cobb, he says.
Mr. A. S. Dale, of Myers, was a business visitor to Maysville Wednesday.
Mr. L. M. True, of Paris, is a business visitor in this city today.
Mr. E. L. West, of Brooksville, is in this city today on business.

A telegram from Mr. Richard Williams, of Huntington, W. Va., to his brother, Mr. Millard F. Williams, the well known druggist, stated that he was entertaining a fine son at his home, born Monday, and that mother and babe were getting along nicely. Mrs. Williams was formerly Miss Edna Bendel, daughter of Mrs. Amelia Bendel. The young gentleman has been christened Richard, junior.

Workmen Thursday morning began razing the Concrete Construction Company's building on East Second street, near Limestone bridge. It was turned partly over during the 1912 flood and has remained in that position ever since, becoming an eye-sore.

Rev. and Mrs. Walter Cady are entertaining a new son at their home in Indiana, he arriving Saturday. Both were former residents, Mrs. Cady being a daughter of Mrs. Virginia Williams, of Commerce street.

Ripley is sure getting on the map. Not being satisfied with a new school building, one of the nicest of its size in the Ohio valley, they had to go and have a sure-enough Chautauqua this week.

Councilman Frank Hendrickson left Thursday morning for Cincinnati.

Mrs. J. T. Mackey is home after an extended stay at Paris.

Matchless Suits For \$25

The central fact about these \$25 suits is that the man who makes them is a specialist; he produces suits for \$25 selling exclusively, and he brings to this work the advantage of highly trained effort and concentrated thinking. Another point—it is just as easy to manufacture in hundreds as in tens, and is vastly more economical. No need to fear however that the styles will be duplicated for we never buy more than one suit of the same design and color. Fresh are ready for today—charming suits—garments in which every detail is finished with precision! And each suit comes direct from New York City. Plenty of cheaper suits also.

Blouses For \$1.25.

Something you need to wear under the winter coat—blouses that won't crush and that tub easily. Here are kinds to fill that need. Low in price, smart in design and trimming. White voile, long sleeves, new models.
