REGIMENTAL FLAG

Of the Sixteenth Kentucky Was Not Sent to This City for the Association Meeting of That Organization Last Week on Account of Delay in Letter.

County judge W. H. Rice is in receipt of a letter from Miss Sallie Jackson of Frankfort, librarian of the Kentucky State Historical Society stating the reason of Governor Stanley being unable to comply with the request of the members of the Sixteenth Kentucky Infantry to allow their regimental flag to be sent to this city on Wednesday last to be present at the Association meeting of that organization with the Tenth Kentucky Cavalry. The letter follows:

Frankfort, Ky., September 29, 1916.
Judge W. H. Rice, Maysville, Ky.

My Dear Sir: Your letter addressed to Governor Stanley has been handed to me this morning by the Governor's private secretary, Miss Mohler, for answer.

His Excellency being aware that the Kentucky State Historical Society has in its rooms and care a number of flags used in the Civil War, 1861-65, as one of the officers I drew out the record of those in our rooms to search for the one desired by the Sixteenth Kentucky Volunteer Infantry, without noting the day and date at first, and found the letter a delayed one, dated September 23rd, last Saturday, and this past Wednesday, the 27th, the occasion in which the surviving members of the regiment desired to display the flag for the pride and pleasure of those at the reunion at Maysville.

I will, when I have leisure, have the flags looked over carefully, decayed and faded as they are, and if the Sixteenth Kentucky Volunteer Infantry is among them, I will write you, and it is my instruction to say it would have given our society much pleasure to have loaned the one desired to you. Respectfully,

MISS SALLIE JACKSON,
Librarian, K. S. H. S.

The failure of the flag to come was the cause of much disappointment

among the old soldiers, many of whom were eager to see the standard under which they once fought. Several of them have planned to ask for the flag next year. It is to be regretted that the flag did not arrive but certainly it will be here for the next reunion as the tenor of the letter is to the effect that the request could have been granted.

GEORGE BRADFORD

Gets One Year in the Penitentiary for Shooting Green Meadows With Intent to Kill.

The jury in the case of George Bradford, charged with shooting Green Meadows with intent to kill, returned a verdict yesterday of guilty and placed his punishment at one year in the state penitentiary.

Some months ago Bradford and Meadows were attending a crap game in the old sand pit near the L. & N. Round House. An argument started over a suitcase of whiskey and Bradford went to the home of a friend in Eastland and borrowed a shotgun. Returning to the sand pit he met Meadows and shot at him, the gunshot taking effect in his left arm and side. The wounded man was taken to the Hospital where he received medical attention. Bradford was captured by the police near Wood street in the East End and placed in jail where he has been since that time.

Meadows, the chief witness for the prosecution, was not present at the trial but Bradford was convicted without his testimony. Meadows was before the grand jury on September 4 after having spent the summer in West Virginia and it is supposed that he returned to that state.

This about winds up the criminal cases for this term of court, there being about 100 left. The remainder of the term will be spent in adjusting civil cases.
