WILL SPEAK TONIGHT

Hon. Edwin P. Morrow of Somerset, Ky. Will Open the Republican Campaign in Mason County—Meeting to Be Held in Courthouse.

Tonight will mark the opening of the Republican Campaign in Mason County when Hon. Edwin P. Morrow of Somerset, Ky., candidate for governor on the G. O. P. ticket in this state last fall, will address the voters of this city and county in the Courthouse. The meeting will begin at 7:30 o'clock.

Mr. Morrow will arrive in this city about 5 o'clock from Mt. Olivet where he will speak this afternoon. He will remain in this city until morning when he will go to Ashland where he will speak in behalf of Charles Hughes, the Republican nominee for President of

the United States. Mr. Morrow will not be here probably as one of the local papers stated several days ago but will actually speak in the Courthouse.

Hon. Edwin P. Morrow is regarded as one of the best orators in the State of Kentucky and as Maysvillians had the opportunity of hearing him last fall they will be eager to hear him again. Mr. Morrow was a candidate for governor of Kentucky in the election last November and was beaten by Stanley by only a few hundred votes. His campaign for Hughes this fall has attracted a great deal of attention throughout the country and he is in great demand to speak at various political gatherings all over the country.

The Maysville Bluegrass Concert Band will be present at the meeting and will furnish music for the occasion. This will add much to the spirit of the meeting.

Remember the time 7:30 o'clock. Remember the place—the Courthouse. Everybody come. Seats reserved for the ladies.

The purpose of the new organization is to conduct a general looseleaf warehouse and to also do some manufacturing, stemming, etc. The capital stock of the company is placed at \$15,000 divided into 150 shares at \$100 each. The stockholders and the amount of stock each holds is as follows:

- H. B. Wood, 20 shares.
- Robert Wells, 10 shares.
- A. O. Taylor, 5 shares.
- T. A. Keith, Jr., 10 shares.
- J. F. Barbour, 5 shares.
- H. W. Rees, Mayslick, 5 shares.
- R. T. Turner, Mayslick, 10 shares.
- D. K. Wood, 10 shares.

The corporation will begin business as soon as the articles are filed in the office of the Mason County Clerk and the Secretary of State at Frankfort. The charter shall continue for a period of 25 years unless dissolved by a vote to two-thirds of capital stock issued.

The affairs of the corporation shall be conducted by a board of directors, not less than five nor more than seven in number. A president and vice-president of the board shall be elected, the president of the board being the chief executive officer. The first election shall be held by the stockholders by ballot at such time as they may determine. The annual election of officers will thereafter be held on the first Monday of May in each year. The stockholders shall at the first meeting also elect a president, a vice-president and a secretary and treasurer.

The highest amount indebtedness the corporation can undergo at one time is placed at \$12,000.

The Peoples Warehouse Company is composed of some of the best men in

the city and county and all of whom are well known in this section of the country. The fact that they are known as honest, straightforward gentlemen of the first class will serve to make a name for the company that will make it known all over the State of Kentucky and Southern Ohio. The company will serve to bring up the standard in fair mindedness and excellent treatment toward the farmers of this section.

All of these gentlemen have long been identified with the tobacco market in Maysville and are regarded as some of the best tobacco men in the state. They are assured of the friendship of those who have had past dealings with them and feel confident that the coming season will be a very profitable one for them.

The warehouse of the new company will be situated at the corner of Bank and East Front streets. The warehouse is the one formerly at Manchester. It was bought by the company and is being dismantled preparatory to being brought to this city where it will be rebuilt.

As the tobacco crop this year has been very large and of a fine quality the season this year promises to be one of the best Maysville has ever experienced. The new warehouse will mean that much more tobacco will be brought to this city from Adams county and thus boost the total sales for the year.
