REMOVAL SALE

Will Be Held by Mellvina, Knox & Diener Beginning Wednesday—Great Reductions in All Furniture.

On another page of this issue of the Ledger will be found an advertisement by Mellvina, Knox & Diener Co. announcing a big removal sale by them which will begin on Wednesday morning.

Several weeks ago this popular firm rented a business house on East Second street and since that time have been very busy preparing to remove to the same. Finding that they had a large amount of stock on hand that they could not conveniently store, they decided to have a removal sale and the results of this decision will be shown on Wednesday morning when the sale will open.

Furniture of all description will be placed on sale on the morning of the opening at greatly reduced prices. One may judge for themselves the value of this reduction by carefully reading the advertisement as found and after reading it they will see that such bargains have never been offered to Maysville people before. The store of the company is closed today and will be closed tomorrow in order to allow the owners to mark down their stock.

The idea of a removal sale at Christmas time will appeal greatly to a large number of persons hunting suitable Christmas presents. Certainly presents for everyone can be found in a furniture store and this will be a great opportunity.

This sale is now being advertised throughout this section of the country, large posters similar to the advertisement being used. The name of the company insures the quality of the furniture sold to be of the very best and large crowds will undoubtedly visit this business house to take advantage of the many bargains to be found there.

LEDGER MAN COMMENDED

We wish to commend Mr. Slye for the interest taken in the Company's welfare and the Safety First Movement.

A Good Thing For Maysville

Our Christmas Money Club Record For 1916

Fifteen hundred members.
Total deposits and to be paid out over \$35,000.
Seventy thousand weekly deposits received.
Smallest single weekly deposit one cent.
Largest single weekly deposit \$2.50.
If paid in pennies it would take 3,500,000 pennies.
Those pennies would weigh 25,000 pounds, and if put side by side would reach forty miles.
If paid in silver dollars they would weigh one ton.
If paid in one dollar bills they would reach over four and one half miles if placed end to end.
The amount saved in 50 weeks would keep 65 families one year. It would buy 600,000 loaves of bread.
It takes a well equipped bank to do these things, not to mention investing in loans and investments that can be realized on when desired, and paying out such a large sum of money without any perceptible effort.
If this club benefits you and if you think it is a good thing for Maysville, we will be glad to have you show your appreciation by opening a bank account in either or both of our commercial and savings departments.

BURNS FATAL

To Miss Margaret Toohey of Paris—Gown Catches Fire From Open Grate—Well Known Here.

Paris, Ky., December 10—Miss Margaret Toohey, 22 years old, died at 10 o'clock Sunday morning from the effects of burns received about 7 o'clock the same morning.

Miss Toohey resided with her parents, Mr. and Mrs. James Toohey, about three miles from Paris, on the Hume & Bedford pike. She rose about 7 o'clock this morning to replenish a grate fire, and as it did not burn quickly enough she poured some coal oil on it from a lamp. The blaze instantly flared up and caught Miss Toohey's night dress and kimono, enveloping her in flames.

Her screams brought her brother, James Toohey, who was sleeping in another room, and he found her on the floor with her entire body burned. Dr. J. T. Brown was summoned from town, but nothing could save her. She was conscious and able to talk with the members of the family, telling them how the accident occurred, and leaving messages for many of her young friends, also giving directions about some business matters.

Miss Toohey was employed at clerk in Grosche's bakery, and was a very attractive and popular young woman. Miss Mary Brannon, of Lexington, was a guest of Miss Toohey's at the time of the accident.

Besides her parents, she is survived by five brothers, John Toohey, George Toohey, James Toohey, Thomas Toohey and Robert Toohey, and three sisters, Misses Rosa Toohey and Elizabeth Toohey, all of this county, and Mrs. John McCarthy, of Paris.

The funeral services will be conducted Tuesday morning at 9 o'clock at the Catholic Church, by the Rev. Father Eugene DeBruyn, and the burial will follow in the Catholic cemetery. The pallbearers will be Charles Neal, John Brophy, R. E. Shea, George L. Doyle, Murray J. Higgins and Joseph P. Gullfoyle.

Mrs. Toohey's brother, George Flanagan, of Maysville, was thrown from a buggy last September and received injuries from which he died about December 1, and Mrs. Toohey had just returned from a visit to his family.
