GIVEN THE LIMIT

J. Wesley Osborne, Lewis County Man, Sentenced to Six Years in the Penitentiary—Has Served Previous Sentence.

In the Mason Circuit Court yesterday Wesley Osborne of Lewis county, was found guilty of hiring Robert Crawford to burn the Bethany Church near Springdale on the night of December 30, 1916, and given the highest sentence possible, six years in the penitentiary.

The trial of young Crawford was held on Tuesday, that worthy pleading guilty of the charge and receiving a sentence of one year in the state prison. The two men were indicted together but on account of the fact that Crawford had stated that he would plead guilty a separate trial was given to the men.

The chief evidence against Osborne was the testimony of his accomplice, Robert Crawford who said that he had been hired by Osborne for the sum of \$5 and some whiskey. He had already received the whiskey when he burned the church.

Caleb Osborne, the son of the accused man, also testified against Osborne. He said that he had overheard the two men talking about the burning of the church and that his father had hired Crawford to do the deed.

Osborne has served a previous term in the penitentiary, having been sent up from Lewis county in 1903 for shooting and wounding with intent to kill. He served three years.

The case was turned over to the jury a few moments before the noon hour. The following gentlemen composed the jury: William McDonough, Elmer Bridges, H. W. Wood, L. C. Parker, Clarence Mathews, Thomas Cummins, J. C. Rains, Jack Hedrick, Frank Rice, Clate Farrow, George Atkinson and George Patillo. The jury was out but a few moments before returning the verdict.

Allen Fletcher, a colored boy, was tried for converting property in possession of a common carrier to his own use. On motion of the Commonwealth his offense was reduced to petit larceny and upon trial he was adjudged guilty and sentenced to 30 days in jail. Fletcher was caught by the local police several months ago stealing coal from C. & O. freight trains.

Appeal to the Court of Appeals was granted to the defendant in the case of R. C. Knapp against John H. Clarke, Sheriff, a motion and grounds for a new trial having been overruled.

Larry Langfels was given a judgment of \$880.75 against the Cooper Construction Co.

The case of Sarah Roser against the Moerlein Brewing Co. came up for trial yesterday afternoon but the case was not finished.

ICE PRICES ADVANCED

Owing to the steady increase in the cost of materials of ice the Maysville Ice Company finds it necessary to make a slight advance in the price of the product. We will state in this connection that this company is the very last in this section to come to this conclusion. Under new contracts calling for materials very much advanced in price, it simply makes it necessary to make the extra charge. While all central Kentucky cities are charging from 50 to 60 cents per hundred, the price here will be from wagon, retail, 40 cents per hundred, wholesale, 35 cents per hundred. Platform, single hundred, 30 cents.

MORE DONATIONS

The following additional donations to the Mason County Health League's Sanitary Survey fund have been announced by Miss Annie M. Casey, visiting nurse of that organization:

 Alathema Class, Mill Creek Christian Church, \$5.00.

 Charles W. Traxel, Maysville, \$5.00.
 William Groppenbacher, Maysville, \$5.00.

RED CROSS WORKERS

Splendid Organization Existing in This City—Will Be Able to Do a Good Work.

There being quite a good deal of interest in war activities in the front about a month ago, several of the members of the Woman's Club and the Settlement Club united with Miss Annie M. Casey, public health nurse of the Mason County Health League, and formed an organization to be called the "Workers for the Red Cross," the object being to work for the Red Cross Society of the United States Government.

Miss Casey secured some patterns from the Cincinnati branch of the Red Cross, which the ladies have been copying for that chapter, the materials being furnished by the payment of twenty-five cents monthly dues for each member. In addition Miss Pearce gave several demonstrations in practical nursing. Miss Hunt gave a lecture on general nursing subjects and Dr. S. R. Harover a fine talk on pneumonia, its symptoms and treatment.

On last Tuesday Miss Casey suggested that it would be best to establish a Red Cross Chapter here. It was moved and seconded that the treasurer send to the national organization the necessary application and be furnished by volunteer members willing to assure the obligation and responsibility for the undertaking and she was instructed to act accordingly. A reply has not been received to the application.

The Shriners, during their recent ceremonial session in this city, upon hearing of the move, generously donated \$68 for the use of the Red Cross organization. In addition other sums have been donated and the organization is on a firm financial footing. It is in a position to do a great work in this community.

CIRCUS COLLED OFF

The big circus, which the Maysville Lodge No. 704, B. P. O. E., had planned to have on May 18 and 19, has been called off by that order. The circus was to have been an entirely new idea, being part professional and part amateur talent. It would have been a big drawing card as Maysville has not had a circus for several years.

Paid \$105.00 for a Studebaker wagon 38 years ago.

IN 1876 Mr. R. F. Dewey of Millersburg, Ind., bought a Studebaker farm wagon for \$105. Dividing \$105 by 38 years it will be seen that Mr. Dewey's Studebaker cost him—to date—\$2.77 a year.

—and, as the wagon is still giving good service, every additional year that Mr. Dewey uses his wagon still further reduces the cost per year.

You can't beat this for an investment.

We carry a line of Studebaker wagons just as strongly made, just as reliable, as the Studebaker wagon Mr. Dewey bought 38 years ago.

Come in and look them over. We will demonstrate to you that a Studebaker wagon is an investment that pays every time.

Mr. Leon Merz, President of The Magedoyn-Merz Co., Manufacturers of the "Royal Waists," writes as follows:

"I found laid away in a corner a lot of 'Royal' Waists which are slightly imperfect and are worth from \$3.00 and upwards and it is a wonderful lot of merchandise. I am taking the liberty of sending these to you at a very special price and would suggest filling a window with these and marking the entire lot at \$1.95 and at this price you ought to make a 'killing' with them."

Following the above suggestion we shall place these waists on sale

Next Saturday at 9 A. M. At \$1.95

We shall fill our Second Street Window with them and then lock the window door and not open same until Saturday at 9 o'clock.

Positively no waists will be reserved, exchanged or sent on approval. If you expect to get some of these beautiful "Royals" you had better be here Saturday morning when the clock strikes NINE.
