SECURITY LEAGUE A IN NATION-WIDE EDUCATIONAL WAR

Institutes "Americanization Advisory Service" to Stimulate and Assist Local Effort to Combat Radical Doctrines.

New York.—An "Americanization Advisory Service," instituted by the National Security League to supply information and suggestions to teachers, women's clubs, civic societies, etc., for use in combating un-American radical doctrine, has been extended into every state in the Union, according to an announcement by the Security League today.

This particular effort of the Security League against Bolsheviks, Anarchists, and International Socialists is under the direction of Miss Etta V. Leighton, a well-known Americanization worker, who is at present serving as Civic Secretary of the National Security League. Miss Leighton only recently returned to this city from Milwaukee where she advised the Milwaukee Branch of the Council of Jewish Women in the organization of an Americanization campaign to be conducted by the women of the Council in that city. She is spending her vacation in conducting an advanced course in Americanization methods at the Rhode Island State Normal School at Providence.

Through its "Americanization Advisory Service," the Security League is in touch with teachers and their problems in all parts of the country. The "Advisory Service" consists of conferences, advice by correspondence supplying speakers and the preparation and circulation of suggestive material, particularly designed to answer the insidious arguments of the radicals and to instruct foreigners in the duties and responsibilities of American citizenship.

The "Advisory Service" reaches every state in the Union. The various central organizations of women's clubs publish the Security League's material in their club magazines. The Ohio State Federation uses the suggestions in its club column in 65 newspapers. Other club press committees promote the spread of the propaganda in their club news columns. The Civic Chairman of the General Federation of Women's Clubs has adopted and sent to all State Chairmen the Security League's "Outline on the Ideals of America," for use in forum discussions.

A complete "Americanization Week" program was prepared at the request of a Michigan District Federation. A complete year's Americanization program was prepared at the request of another club in Michigan. An Americanization conference was held in East Orange, N. J., and suggestions for such conference forwarded on request to Rhode Island, Connecticut, Maryland, North Dakota, and Pennsylvania.

Suggestions for Bulletin Boards and similar activities have been requested by the American House, Cincinnati, and the Civic Cottage, Providence. The inquiries come from all parts of the country. Appeals from the State Federation of Women's Clubs in Washington, the Woman's Club in Muskegon, Mich., the Community Betterment Club at Stanley, N. Y.; requests for suggestions for Americanization legislation from Arizona; other requests from South Dakota, North Dakota, Montana, Ohio, and Indiana, give some idea of the scope of the work.

The Security League material is being used in Americanization courses in Normal Schools and Universities.

HEADS TRIO OF FINE ARTISTS TO GIVE TWO CONCERTS AT THE CHAUTAUQUA

Charles Edward Clarke, who heads The Charles Edward Clarke Company, to be heard at the Chautauqua, is one of those musicians who, while he has rare ability to interpret good music, has not been afflicted with what is commonly called "the artistic temperament." In addition to being a good singer, Mr. Clarke is a good human being. He likes folks, and he likes to mingle with them. From his first appearance upon the platform, he instantly strings the wires between himself and his hearers. Folks feel instinctively that here is a man who is using music as a vehicle for the expression of fine personality, of high ideals, and of splendid purpose. He sings his way into the hearts of his hearers with the first note, and he never fails to hold their appreciation and interest to the close of the program. His accompanying artists include his talented wife, Rachel Steinman Clarke, one of the best known violinists of the Chautauqua platform, and Mr. Earl Victor Prah, a most competent pianist.

The latest requests coming from Normal Schools in Washington and Wisconsin. The League's "Americanization Service Manual" is in great demand and is being widely circulated.

The Security League's suggestion that the energies devoted to war-work be now turned to Americanization, and that women's next task is to "make America American," has met with cordial response. Resides advice by correspondence and office conferences, Miss Leighton has held conferences or made addresses on Americanization topics in Illinois, Maryland, Pennsylvania, Rhode Island, New Jersey, New York and Wisconsin.

The following is an example of the material circulated throughout the country in the Security League's "Americanization Advisory Service." "Bolshevism means chaos, wholesale murder, the complete destruction of civilization. The Bolsheviks are merely our old conventional anarchists under a new name and the murder on a huge scale instead of potting a king now and then or exhibiting their unfriendliness to the law by safe-cracking and murdering for pleasure or for hire. The Bolsheviks of Russia and elsewhere are merely the criminal classes organized."—Gertrude Atherton, author and journalist.

"Bolshevism bears precisely the same relation to democracy that chaos does to order. Each is the antithesis of the other. Neither the man who works nor the man who has saved can expect any quarter from Bolshevism unless he accepts its doctrines that might make right and that the least competent shall organize government and set the pace for the State."—Dr. Nicholas Murray Butler, President of Columbia University.

"A region of terror, instituted by the Bolsheviks with the purpose of maintaining themselves in power, is prevailing in central and northern Russia. The outrages they have committed are incredible."—David R. Francis, U. S. Ambassador to Russia.

MAYSVILLE MAN LOOKS FOR WIFE AT VANCEBURG

Local Married Woman Said to Have Gone to Lewis County With Another Man Monday.

The Vanceburg Sun says: Monday night, a Mr. Ranfins of Maysville came up on No. 4 looking for his wife, whom he said he had located here with a fellow by the name of Sam May, who has been pulling off the religious stunts even to doing the preaching. A strange woman was here several days and they together had left on the West-bound train Monday. Communication was opened with Maysville police but Tuesday they were unable to locate the couple.

This same fellow May formerly lived here where he enjoyed the reputation of being the toughest character about. He has been doing some so-called preaching at Slate and Heinisch Chapel, and the question arises when such a well known character turns up why do those who have

the keys in charge turn them over to such as he. The cause of the Master will be promoted by compelling such persons to remain high privates in the rear rank.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. . . It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

IT'S SURPRISING

That So Many Maysville People Fail to Recognize Kidney Weakness.

Are you a bad back victim? Suffer twinges; headaches, dizzy spells? Go to bed tired—get up tired? It's surprising how few suspect the kidneys. It's surprising how few know what to do. Kidney trouble needs kidney treatment. Doan's Kidney Pills are for the kidneys only. Have convinced Maysville people of their merit. Here's a Maysville case; Maysville testimony. Kidney sufferers hereabouts should read it. Miss Dora Edgington, Wood St., says: "I have used Doan's Kidney Pills and from the results received, I have every reason to recommend them. At times my kidneys have become weak and have been irregular in action. My back has ached, too, and has been very weak and lame across my kidneys. When I have used Doan's Kidney Pills for this trouble, they have never failed to relieve the complaint in a short time. I gladly advise anyone to get a box of Doan's Kidney Pills at Chanslor's Drug Store, if troubled in that way." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Edgington had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Why Central Can Not Answer Questions

The duty of the switchboard operator is to answer your number calls and get connections for you. If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers. When in response to a question, the operator says: "I will give you Chief Operator," she is obeying her instruction. If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.
