

MRS. T. G. GILMORE SERIOUSLY INJURED; STRUCK BY AUTO

Former Maysville Woman Receives Injuries that May Prove Fatal When Struck by Machine Near Lexington Saturday Evening.

Sunday's Lexington Leader says: Mrs. T. G. Gilmore, of 215 East High street, was taken to the Good Samaritan hospital about 7:30 o'clock Saturday night suffering with a broken left hip, right arm broken in two places, a bad cut over one eye and severe bruises about the head, received when she was accidentally knocked down by an automobile, said to have been driven by young people of Georgetown, while at the intersection of the Iron Works and Paris pikes about six miles from Lexington.

Mrs. Gilmore had just alighted from the machine, in which she was riding with Mr. Gilmore, Mr. and Mrs. J. T. Shannon, 209 East High street, came from behind the car and was crossing the road to gather honeysuckle on rock fences when struck by the passing automobile, which was going toward Paris.

The young people in the car stopped, assisted the Shannons in getting Mrs. Gilmore into the car and said they would return with them to the Lexington hospital, but failed to do so. Neither their names nor the automobile license number was learned.

Mr. and Mrs. Shannon with the Gilmore family had driven out the Russell Cave pike to see Man o' War and were turning into the Paris pike homeward bound when they stopped for Mrs. Gilmore to gather the honeysuckle.

Mrs. Gilmore is about sixty years old and because of her advanced age it is feared her injuries are serious.

Mrs. Gilmore's only child, a daughter, Mrs. Roy Roberts, of Harriman, Tenn., with Mr. Roberts, and their young son, were notified of the accident Saturday night. They left Harriman at 11 o'clock and were due in Lexington at 4:35 this morning.

Word from Mr. Gilmore Sunday night was to the effect that physicians attending Mrs. Gilmore had hopes of her recovery.

SIGNS OF THE END OF THE WORLD DISCUSSED

Evangelist Discusses the Many Signs of the Second Coming of the Christ To Earth—Services Monday.

"The Baptism of the Holy Ghost," was the subject of Rev. Howard's talk Sunday afternoon when he gave a doctrinal instruction regarding the experience of baptism. He did not confine his teaching to the Wesleyan doctrine but spoke rather from the Bible and personal experience.

An interesting feature of the opening service in the evening was "The Grumbling Song" rendered by the Cox family. Evangelist Howard preached on the "signs of Christ's coming," taking his text from Matt. 24:3, which is a question of the disciples to Jesus, "Tell us when shall these things be, and what shall be the sign of Thy coming and of the end of the world?"

The Bible abounds with prophecies of Christ's coming. He Himself said He would come back to earth again. In Acts 1:11 the angels also promise the return of Jesus. In the apostles' writings we find many references to the coming of Christ. No one knows when He is coming but we can study the Master's words concerning the signs. The post-millennialists believe that the world is to go on with her church and missionary work until we usher in the golden age and then will be a thousand years of peace before Christ comes but the church would lose her real spirit trying to make nominal Christians and overlooking quality. It is an easy thing to lose Christ. The church must be in conflict with the world and be witnesses for Him. The Master's words oppose the golden age when He says "As it was in the days of Noah so shall it be in the days of the coming of the Lord."

Jesus said: "After the gospel is preached as a witness to all nations then will the end come. We live in a hurry up age and modern inventions are helping to spread the gospel quickly. Another sign is the Jews returning to Palestine. Prophecy is being rapidly fulfilled. There is a Zionist movement among them now, trying to buy back the old commonwealth of Palestine.

In II Timothy 3 we find these words "In the last days perilous times shall come." Statistics show that in 1900 two thousand people committed suicide. Men's hearts also falling them for fear. There will be no permanent peace in this sinful world until the Prince of Peace brings it.

In the last days people will be "lovers of pleasure, without natural affection, ever learning wit ever coming to the knowledge of the true way. Many churches today have a form of godliness but deny the power thereof.

He will not have another destruction of the world by water but by fire. In that day the saints will go to meet Him in the air. Are you ready to meet Him? Christ said "In such an hour as ye think not the Son of Man cometh."

Evangelist Howard expects to deal with such vital subjects as these during this week. Don't fail to hear him. Mrs. Cox preaches Monday evening. Come and bring your Bibles.

REPUBLICANS HAVE GREATLY REDUCED NATION'S EXPENSES

Senatorial Campaign Chairman, In Statement, Tells the Great Saving to the Common People Made by Republican Administration.

Washington, June 25. — Reductions in appropriations, federal taxes and freight rates since the Republican administration came into power were detailed in a statement issued tonight by Senator McCormick of Illinois, Chairman of the Republican Senatorial Campaign Committee.

"That the Republican Congress had saved the taxpayers seven billions of dollars compared with "the sums sought to be spent under the Wilson administration during three years," was asserted by Senator McCormick, who added:

"Since Warren Harding took office we have paid nearly a billion dollars of the national debt. We have cut the annual expenditure of the federal government by a billion dollars, or about 25 per cent. per annum. No other government in the world has done anything like it. Neither have any of the state or municipal governments, many of which have increased taxation.

"The present Congress has reduced the annual aggregate of taxation by about a billion dollars, by some eight hundred million dollars for the current year, and by a billion dollars a year thereafter. We have wiped off the statute books a score or two of nuisance taxes which fell upon everything used by father, mother, sister and sonny. We have been able to reduce all income taxes so that for every one they are less, for example, than those paid in the British Isles. The additional income tax exemptions have reduced by about a third the tax of the family man with an income of \$5,000 a year or less. We not only have reduced the total sum of federal taxation by about a billion dollars a year, but we have reduced it to such a point that the government of the United States collects from its citizens per capita about one-third as much as does the government of Great Britain.

"Since Warren Harding became President the increase in the value of Liberty bonds, which have gone to par, amounts to about three billion dollars."

WILL ATTEND BAPTIST ASSEMBLY. The regular annual Kentucky State Baptist Assembly will open at Georgetown College, Georgetown, Ky., on Tuesday of this week and quite a number of local Baptists will attend, all of the young peoples' organizations of the local church being represented.

Rev. John A. Davis, pastor of the local church, is one of the directors of the assembly and will deliver an address.

CLIFT-CARR SHOP MOVES TO PRETTY NEW HOME. The Clift-Carr Shop is Monday moving from their home in Market street to the beautiful new home adjoining the Gem theater in Second street. The Shop's new home is one of the most attractive store rooms in the city and the front is very beautiful. The location is ideal and we predict a healthy growth in their already large patronage.

REPORTS INCREASE IN ODD FELLOWSHIP. Governor W. H. Cox is at home from Atlantic City where he attended meetings of prominent committees of the Sovereign Grand Lodge of Odd Fellows, of which he is Grand Treasurer. Mr. Cox reports healthy growths in all branches of Odd Fellowship during the year an especially in the Rebekah and Encampment branches.

BURNING RAILROAD TIEN CALL FIRE DEPARTMENT. A number of blazing railroad ties along the C. & O. near the James H. Hall Plow Factory called out the local fire department Saturday night. No damage was done and the blaze was soon extinguished.

FIVE HUNDRED MORE SIGN POOL CONTRACTS

Million and a Half Pounds Added to Burley Association Pledges During Past Week.

Lexington, Ky., June 26. — More than five hundred growers were added to the signed membership of the Burley Tobacco Growers' Co-operative Association during the past week, not counting the West Virginia and Eastern Ohio territory, in which Manager Clifton Rodes and his staff of workers are said to be making considerable progress in the fact of a determined fight made by warehouse and speculative interests.

More than a million and a half pounds of tobacco are added to the holdings of the Burley Association by the past weeks work, it was said at the office of the Field Service Division, Assistant Chief Williams Collins spent most of the week in the western part of the district, in the counties of Barren, Hart, Larue and Metcalfe, aiding local workers in perfecting campaign organizations.

The belief is steadily growing among members of the association that the sign-up of growers will be so thorough that not enough tobacco will be left to be marketed through the few loose leaf warehouses operating in the burley district to make the business profitable this year. Some counties have an almost unanimous sign-up and in others the amount signed up to the association constitutes about 90 to 95 per cent. of the production.

Leaders of the Association in the various counties of the Burley district are impressing upon members the importance of quality and of care in looking after the growing crop and it is expected that quality, as a result of the carrying out of this policy among the members, will be considerably improved.

Manager Rodes on a visit to Lexington the past week, conferred with Director of Warehouses Ralph M. Barker and was assured that proper warehousing facilities would be provided for the growers in that section of the Burley district who might join the Burley association. The director in a statement in regard to the general warehouse policy, however, made it plain that receiving plants would not be established unless they are necessary for the best interests of the association and that none would be established unless absolutely necessary.

CHAUTAQUA EQUIPMENT PASSES THROUGH CITY. The tent and equipment for the Lewis county Chautauqua at Vanceburg passed through Maysville Monday morning by automobile. The head line feature of the Vanceburg chautauqua this year and many other chautauquas in the smaller towns in this section will be Hon. William Jennings Bryan and this great national character is expected to attract record-breaking crowds as he always does whenever he speaks.

C. & O. INDUSTRIAL AGENT TO TALK FACTORY. The chief industrial agent of the C. & O. Railroad Company will be in Maysville again late Monday afternoon to meet with local bankers and business men to talk over the location of a large artificial leather factory in this city. Those who are in a position to know say that Maysville stands a splendid chance to get this big factory.

HENRY FORD ASKED TO SPEAK AT LOCAL CHAUTAUQUA

Great Manufacturer Asked to Fill Vacancy on Local Program—Tickets Go On Sale Monday At Reduced Price.

It was learned Monday that the committee of Leslie H. Arthur Post American Legion in charge of the local Chautauqua which is to be held August 6-13 inclusive, had asked Mr. Henry Ford, the automobile manufacturer, to fill the one vacancy on the local program. No reply has been received from Mr. Ford but the committee is expecting to hear from him at a very early date.

Season tickets for the eight day program have arrived and were placed on sale Monday morning at two dollars each for the entire program. Twelve hundred season tickets have been pledged and these will be distributed to the guarantors this week. When these twelve hundred tickets are sold the price will be increased to \$2.50 per season ticket. None will be sold, however by the Legion at the advanced price until all of the guarantors' tickets have been disposed of at the lower price.

Indications are that the 1922 Chautauqua will be one of the best ever held in Maysville. As to talent, there has been no better program ever offered. It is well balanced with music, lectures, fun and magic. Everyone in the Maysville district is going to attend and they are advised to procure their tickets as early as possible.

SUNDAY'S BAND CONCERT HEARD BY LARGE CROWD.

A record-breaking crowd heard the Horseshoe Band's concert Sunday evening in Maysville. The program was a most delightful one and the little band played every number perfectly. If the Cardinal don't look out this second band will have reached their class. For execution, Sunday night's program was never excelled here and there was never a larger audience to hear a concert. Little Harry Blythe's cornet solo was a great hit.

NOTICE. The People's Building Association will open its books for subscriptions to its 58th Series of Stock on July 1st, 1922. A splendid opportunity for saving, with substantial annual dividends, at no cost whatever to the stockholder. See A. G. Sulser, Secretary; W. A. Munzing, Treasurer, or any of the Directors. 26June10t.

MRS. J. J. PERRINE DIED AT HOME MONDAY MORNING

Wife of Squire J. J. Perrine Died at Tuckahoe Home—Funeral to Be Held Wednesday Afternoon.

Mrs. Julia Bradford Perrine, aged 81 years, died at her home in Tuckahoe neighborhood about 8 o'clock Monday morning after an extended illness of complications incident to advanced age.

Mrs. Perrine was a very lovable woman with a large circle of acquaintances and friends. She had been twice married, her first husband being the late Tige Bacon, from which union there was one son, Mr. Charles Bacon of the county. There were no children from the second union. Mrs. J. H. Hutchins, of this city, is a grand daughter.

Mrs. Perrine is survived by her devoted husband as well as the one son and one grand daughter. The funeral will be held Wednesday afternoon at one o'clock and burial will be in the Maysville cemetery.

MRS. JAMES STAGGS DIES.

Mrs. Matt Staggs, wife of James Staggs, prominent resident of the Goddard neighborhood, Fleming county, died at her home Monday morning at about 6 o'clock after a long illness. She is survived by her husband and five children. Miss Hattie Staggs, of East Second street, is a niece. The arrangements for the funeral have not as yet been made. Mrs. Staggs was the eldest daughter of the late James Easton and has many relatives here.

NORMAL SCHOOL INCREASES IN ENROLLMENT.

The Mason County Normal School continues to daily increase in enrollment and interest. County Superintendent Turnipseed reports a total enrollment of sixty-five Monday morning which is just twenty-five more than was expected when the school was launched.

MRS. SOISTER HELD ON MURDER CHARGE; BOND IS \$15,000

Mother of Mrs. Dewey Sweet Held by Magistrate to Be Chiefly Responsible For Infant's Death—Girl. Mother Released.

Mrs. Nancy Soister, of the Springdale neighborhood, was held by Squire Q. V. Truesdell, of Trinity, in an examining trial held Monday morning, to be chiefly responsible for the death of an infant, the child of her daughter, Mrs. Dewey Sweet, whose body was found sometime ago in a deserted well on a farm near Trinity. The Magistrate offered Mrs. Soister bail in the sum of fifteen thousand dollars, which she was unable to give and she was taken to the Lewis county jail at Vanceburg to await the next session of the grand jury.

Mrs. Sweet was also charged with the crime and the Magistrate fixed her bond at \$500 which was given and she was released to return to her home with her family. The defendants were represented by Attorney A. D. Cole, of Maysville, while County Attorney Strother, of Vanceburg, was in charge of the prosecution.

The evidence produced at the examining trial was practically the same as has been recited in these columns. Mrs. Sweet, the girl-mother of the babe, charged her mother with wilful neglect which caused the untimely death of the infant. She testified that her mother laid the babe on the rough floor and permitted it to die from a lack of proper attention.

Great interest was taken in the trial in the neighborhood of the Hoop school house where Squire Truesdell held his examination Monday morning. Mrs. Soister, who is charged with wilful murder, was returned to Vanceburg Monday afternoon.
