

DR. J. K. PATTERSON DIED AT LEXINGTON LATE YESTERDAY

Venerable Educator, Who For 41 Years Was President of Kentucky University Died Tuesday at Campus Home.

Lexington, Ky., Aug. 15.—Dr. James Kennedy Patterson, president-emeritus of the University of Kentucky, died Tuesday afternoon at 4:10 o'clock at his home on the university campus at the age of 89.

Until April, 1920, the venerable scholar was hale and hearty and every sunny day found him driving in his carriage or in the yard of his home. In April two years ago, he was seized with an attack of illness from which he did not fully recover.

He is survived by his brother, Walter K. Patterson, retired educator and capitalist. They made their home together.

Born in Glasgow, Scotland, March 26, 1833, the son of Andrew and Janet Kennedy Patterson, Dr. Patterson was as proud of his Scottish blood as of his American citizenship. An injury at the age of four prevented the great scholar from obtaining education early in life.

The following year, 1861, he entered Hanover College, and led his class through the entire course. He graduated from Hanover in 1866, receiving his bachelor's degree then and his master's degree in 1869.

I will call at the home end shampoo your hair for 50 cents. Satisfaction guaranteed. Rose Anderson, 215 Beech street. Phone 780. 10Aug16

GOVERNMENT AID TO BE EXTENDED RAILWAYS

President to Issue Statement Taking Public Into Confidence on Rail Walk-Outs.

Washington, Aug. 15.—Congress and the country will be informed within 36 hours by President Harding of every fact in the railroad strike situation as he views it, and also—administration advisers said tonight—will be given an expression of his determination to give the full aid and protection of the federal government to maintenance of railway operations.

There is no room for further Presidential efforts to bring about compromise settlements of the shopmen's strike, a high official at the White House said, by negotiating between managements and the unions, although the President does not wish to hinder attempts of officials of railroad unions not on strike to mediate for their associates.

Meanwhile there emerged today from the almost continuous sessions here of the transportation labor organization heads an invitation to the Association of Railway Executives to reopen negotiations for a compromise settlement of the shopmen's strike, the five train service brotherhoods of engineers, conductors, trainmen, firemen and switchmen, acting for the striking craft.

HALL RECOVERING FROM SELF-INFLICTED WOUNDS IN JAIL

Fleming Countian Who Sley His Half-Brother and Wounded His Step-Father Is Improving From Attempt at Suicide.

The Fleming Gazette says: Russell Hall, the Colfax man who was lodged in jail here last Tuesday afternoon for the shooting and killing as described last week, is improving and it is thought will soon be recovered from his injuries self-inflicted.

The 32 ball which entered his breast did not penetrate any vital organ but ranged upward and lodged in the arm near the shoulder. He is still in jail and will be given a hearing as soon as he is able to come to the court house.

The version of the killing as given by Wall Cook, who was shot and is recovering, is that Hall came to his home carrying a shot gun and approaching asked "are you ready to die?" To which Cook replied, he was not. As Hall raised the gun Willie Cook stepped between them and received the full load from the gun. Wall Cook ran into the house, got his gun and as he emerged was shot by Russell who had evidently been waiting for him to appear. Cook did not fire his gun.

When the Sheriff arrived on the scene he found Russell Hall lying on the ground with a wound in his breast and his wife fanning him. He told the Sheriff he wanted to die and that his only regret was he did not kill Cook. He is said to have been drinking. After Hall had been lodged in jail he said the shooting of his half-brother, Willie Cook, was accidental. Neighbors say there had been some family quarrel the day before. Russell Hall is about 40 years of age.

The boy said he didn't want to leave jail.

Winchester Plays Here Thursday and Cynthiana on Saturday and Sunday At the Local Ball Park.

The Cardinals take a three game stand at home Thursday with the Winchester Dodgers and Saturday and Sunday with Cynthiana and in order to regain first place must win all three battles.

The Dodgers' appearance Wednesday is their first here in more than six weeks as well as the first chance to see Ralph Eismann work with the visitors. He will likely hurl for the Dodgers to be opposed by one of the new Cardinal slab artists. With Devoreaux and Hogan in the lineup the team has been fighting hard since Camnitz became its manager.

Pres. Thomas M. Russell is in Cincinnati Wednesday to increase the supply of umpires for the Blue Grass League which seems to be about exhausted. If Spade and Brauer are a fair sample, why go to Cincinnati after arbiters.

But thirteen batters of the Blue Grass League are above the coveted percentage .300 or more. The Cards have but one representative, Class, Winchester, Lexington and Paris have three men over .300, Cynthiana 2 and Mt. Sterling 1.

THE DANGEROUS LITTLE DEMON, PASTIME THURSDAY.

"It is a relief to see your level-headed attitude in contract with these one half of one per cent. brains," said the father of the Dangerous Little Demon as he stood with his secretary and watched a score of society lightweights gambol about with his pleasure-mad daughter. And when the young secretary intimated his regard for the girl, "the old man" put his hand out and give his best wishes to a serious-minded youth. In came "The Dangerous Little Demon" and her father's secretary proposed to her. Thus did her first taste of the serious business of life begin, while Gary McVeigh, a wealthy neighbor who played "big brother" to her, looked on and felt more pain than he wanted others to know. From one mad party to another "The Dangerous Little Demon" went in search of pleasure, balancing it against the attractiveness of a happy married life with a sensible man. In the end she didn't choose either! See "The Dangerous Little Demon" at the Pastime Thursday.

MASONIC FROLIC AT BEECHWOOD ON FRIDAY TO BE BIG

Local Lodge of Masons Has Extended Invitations to Hundreds Throughout This Section to Be in Attendance at Picnic.

Masonic Day at Beechwood Park on next Friday promises to be one of the biggest and best days yet at this popular park since its opening.

The local Masonic Lodge has sent invitations to every Masonic lodge in this and adjoining counties and personal invitations to the number of more than a thousand have been sent to members of the fraternity. It is expected that practically every Masonic organization including the Eastern Star Chapters within a radius of a hundred miles will be represented at the big frolic.

While the picnic will be on all day, the big celebration will be held at night when Hon. G. Allison Holland, of Lexington, will deliver the chief address. There will be fireworks and a feature motion picture. A part of the proceeds of the park on Friday will be donated to the Kentucky Masonic Widows' and Orphans' Home.

While the day will be a Masonic celebration, attendance will not be restricted to that great fraternity and the members of Masonic families but the entire public will be invited.

A grand dance at night with music by an augmented orchestra will close the day's festivities.

HARDMAN GIVEN A PRELIMINARY TRIAL TODAY.

Winchester, Ky., Aug. 16.—Preliminary hearing of Scobee Hardman, 22, on a charge of murder, growing out of the death of Leon Renaker, 35, in his home here July 25, was the center of attraction in all the section around Winchester today.

Renaker was one of the town's leading citizens and was known as the "turkey king" of Kentucky because of his deals in turkeys. He had business connections in Cincinnati, where he also had relatives.

Preliminary hearing of Hardman was set for 10 a. m. in the Clark county court house before H. B. Scribner, police judge.

R. S. Scobee, county judge, ordinarily would have presided, but he asked Judge Scribner to take his place because Hardman is a distant relative of his. Hardman was named for Judge Scobee.

MINES ARE REOPENED IN THREE STATES

Production of Soft Coal Is Resumed as Union Miners Reach an Agreement.

Cleveland, Aug. 16.—John L. Lewis, president of the United Mine Workers, was to issue instructions today to district officials to place the wage agreement reached here yesterday before operators of their districts at once.

If the operators sign the agreement as Lewis predicts, the bituminous strike will be ended in 75 per cent. of the soft coal districts.

Lewis issued a statement in which he heralded the pact as a "complete victory for the miners."

"I regard this termination of the conference as gratifying not only to the miners who have emerged from this great industrial conflict with signal honors, but to the American people as well," Lewis said.

"The settlement is an honorable one to all concerned."

"Early acceptance of the agreement by operators in all fields will allay much of the bitterness aroused in the conflict."

Lewis will leave here today for Philadelphia to attend a conference of union leaders and anthracite operators tomorrow.

Coal miners returned to work in three states today.

COUNTY TENNIS CHAMPION TO BE DETERMINED AT PARK

Tennis Tournament To Open at Beechwood Park Thursday Afternoon—All Interested in Net Game Urged To Enter.

Who will be the champion tennis player of Mason county?

This question will be answered within the next few weeks at Beechwood Park's tennis courts. A tournament in which there will be no entry bars except that the player must be a resident of Mason county and not a professional, will be opened on the local park's courts Thursday afternoon at 2 o'clock.

All interested are urged to enter themselves as early as possible so that the elimination contests may be arranged and started promptly. These eliminations will continue until the best players have been selected and the finals should attract more than ordinary interest as this season more interest has been displayed in Maysville and Mason county over tennis than in many, many years.

Wednesday at Beechwood should be a big day as the Odd Fellows of the county and the adjoining counties gather there for an annual picnic and an address by Hon. George I. Briel, Past Grand Master of the state. While this is an Odd Fellows' picnic, attendance at the park is not fixed upon membership in this fraternity. The entire public is invited to enjoy the celebration with the Odd Fellows.
