**CURE FOR CONSUMPTION!**  
**WISTAR'S BALSAM OF WILD CHERRY**  
Will Miracles never cease! More evidence of its surpassing Health Restorative Virtues!!!

[From Dr. Baker, Springfield Washington county, Ky.]  
SPRINGFIELD, Ky., May 14, 1845.  
Messrs Sanford & Park—Agents—I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry.

In the year 1840 I was taken with inflammation of the bowels which I labored under for six weeks when I gradually recovered. In the fall of 1841 I was attacked with a severe cold, which seated itself upon my lungs; and for the space of three years I was confined to my bed. I tried all kinds of Medicines, and every variety of medical aid without benefit; and thus I wearied along until the winter of 1844, when I heard of "Wistar's Balsam of Wild Cherry."  
My friends persuaded me to give it a trial though I had given up all hopes of a recovery, and had prepared myself for the change of another world. Through their solicitation I was induced to make use of the "Genuine Wistar's Balsam of Wild Cherry." The effect was truly astonishing. After five years of affliction, pain and suffering; and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians had proved unavailing, I was soon restored to entire health by the blessing of God and the use of Doctor Wistar's Balsam of Wild Cherry.

I am now enjoying good health, and such is my altered appearance that I am no longer known when I meet my former acquaintances.

I have gained rapidly in weight, and my flesh is firm and solid. I can now eat as much as any person, and my bowels seem to agree with me. I have eaten more during the last six months than I had eaten five years before.

Considering my case almost a miracle, I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow men (who should know where relief may be had) to make this statement public.

May the blessings of God rest upon the proprietors of so valuable a Medicine as Wistar's Balsam of Wild Cherry.  
Yours Respectfully,  
**WILLIAM H. BAKER.**

**Great Reduction of Price!**

**PROSPECTUS OF THE DEMOCRATIC REVIEW.**

THE price of the DEMOCRATIC REVIEW has heretofore been too high—of for its size cost, and character, but for the means of tens of thousands of readers who would be glad to receive it, and among whom it is highly desirable that it should circulate. For the purpose, therefore, of largely widening the range of its usefulness, and of multiplying the numbers of those to whom it may be accessible, it has been determined, simultaneously with the great reduction in the expenses of the postage, to reduce its subscription price, also, from Five to only Three dollars; and when several unite in subscription to as low as 2,50, or even 2,30 per annum.

This very large reduction in the receipts (accompanied with but a comparatively small diminution of its expenses) involves, of course, an entire sacrifice of profit upon it, unless compensated by a vast multiplication of subscribers. There will be at the outset only a small reduction in its number of pages; soon to be restored to its old number, without increase of price, when the anticipated success of the experiment shall justify it.

The PORTRAITS OF DISTINGUISHED DEMOCRATS will be continued—engraved in better and more costly style than heretofore.

The POSTAGE will hereafter, for any distance, be only five and a half cents; it has heretofore been, for over 100 miles, eighteen cents.

We look for an extension of circulation to be reckoned by tens of thousands, as the result and compensation of this great reduction of price. Every friend of the work, and of the Democratic principles and cause, is confidently appealed to, to exert himself with an active interest to procure it subscribers; both to extend its usefulness, and to carry it successfully through the crisis of this great reduction of its receipts.

Those who have paid in advance for the coming year, will receive it, at the reduced rate, for a year and a half.

**TERMS HEREOFORWARD.**  
(Invariably in advance.)  
Single copy, \$3 00 | Eight copies, \$20 00  
Four copies, 11 00 | Thirteen " 30 00

It will thus be seen that when thirteen copies are ordered at once, the price is brought down to about \$2,30 each. For six months, half these rates.

These rates afford high inducements to agents and others to interest themselves to procure subscribers.

The cash system and payment in advance must be uncompromisingly adhered to. The past relaxation of it has caused an accumulation of not far from \$40,000 of debts due to the work. Hereafter this must be wholly reformed; nor must either eminent political friends, or the most intimate personal ones, be displeased on experiencing its application, in the stoppage of their numbers, if they neglect this rule, the vital necessity of which, at the present reduced rates, must be obvious to all.

No communications will be taken from the Post Office unless free of postage.

All communications, both on editorial and publishing business, must be addressed henceforward to the undersigned. Those relating to the settlement of past debts due the work will be still addressed to Mr. H. G. LANGLEY, 8 Astor House, the past arrangements with whom, as publisher, have reached their termination.

This invaluable medicine was prepared from an extensive practice of several years in a bilious climate, and is never known to fail of curing Fever and Ague, or any of the above diseases.

It is equally effectual for the cure of Liver Complaint, Jaundice, enlargement of the liver; also enlarges it of the spleen, called Ague cake, and the various forms of bilious Indigestion. There, with the other varied affections of such climates, arising from a common miasmatic cause, are only modifications of the same disease, and equally controlled by the same remedy.

Residents of bilious climates, emigrants, or persons traveling through infected districts of country, will find the Cholagogue an invariable and absolute preventive.

Each bottle of medicine is accompanied with a pamphlet on the "Causes, Treatment, and cure of Fever and Ague, and other Diseases of Bilious Climates," containing much valuable information, and may be had gratis of the undersigned agent.

From the Hon. WM. A. FLETCHER, Chief Justice, Supreme Court of the State of Michigan.

ANN ARBOR, Feb. 17th 1842.  
**MR. EDWARD BINGHAM:**

Sir—Having had repeated opportunities during the last year, to witness the salutary effects of Dr. Osgood's India Cholagogue, it affords me great pleasure to bear testimony in its favor, as an invaluable remedy in cases of fever and ague and bilious diseases generally. Many cases have come under my observation, of persons who have suffered for years, who have been immediately relieved by the use of one or two bottles of the Cholagogue; and I have not known a single case where relief has not been obtained by its use.

Believing that the general use of this medicine must be of the greatest importance to all persons living in those parts of our country, which are subject to bilious Diseases, I give it this general recommendation. Nor is the pleasure of this act diminished by the fact that I am personally acquainted with Dr. Osgood, and that I have the most entire confidence in him as a skillful, experienced, and judicious physician. I remain respectfully, your most obedient servant,

Van Horne, Charles Van Horne, Elizabeth Van Horne, Jr., Mary Van Horne, Catharine Van Horne, Demas Adams, Jr., Sophia Adams, Susan Adams, Harriet French, and French, her husband.

The non-resident defendants to this suit are hereby notified that the said complainant on the 14th day of August, 1844, filed his bill in the court of common pleas of Paulding county, stating that Benjamin F. Van Horne departed this life leaving the said Elizabeth Van Horne, his widow, and William A. **SESSION STATESMAN FOR 1845-6.**

The undersigned give notice that the Ohio Statesman, for the Legislative Session, will be issued, as in former years. Full and accurate reports of Legislative proceedings will be published. The best Reporters that we can procure will be engaged, and no party bias will be allowed to enter into our columns to be devoted to the history of the Legislature. Every exertion will be made to give full and accurate accounts of the doings of the People's Representatives. Upon the importance of the action of the next Legislature, it is not necessary for us to enlarge. The result of the late election has not decreased, but rather increased, the probabilities that that action will be more momentous than that of any former year.

In addition to the proceedings of the Legislature, and the general news of the times, we shall have a regular correspondent at Washington, to advise us of the doings of Congress. The proceedings of the approaching Democratic Eighth of January Convention, will also appear, in full, in the columns of the sessions, as well as the yearly Statesman, which will, evidently, be of the highest interest to the Democratic party of the state.

Any person who will procure subscribers, and inform us of the direction of his paper, shall have a copy sent him for his trouble.

Persons receiving a prospectus, who cannot make use of it themselves, will please hand it to another.

**TERMS OF SESSION PAPER**

All payments to be made in advance.

**TERMS OF THE STATESMAN BY THE YEAR.**
