

VINEGAR BITTERS
 Dr. J. Walker's California
 Vinegar Bitters are a purely
 vegetable preparation, made
 from the native herbs found on the
 lower ranges of the Sierra Nevada
 mountains of California, the medicinal
 properties of which are extracted
 therefrom without the use of Alcohol.
 The question is almost daily asked,
 "What is the cause of the unparal-
 leled success of VINEGAR BITTERS?"
 Our answer is, that they
 remove the cause of disease, and
 the patient recovers his health. They
 are the great blood purifier and a
 life-giving principle, a perfect
 restorative and invigorator of the system.
 Never before in the history of the world
 has a medicine been compounded
 possessing the remarkable qualities of
 VINEGAR BITTERS in healing the sick
 of every disease man is heir to. They
 are a gentle Purgative as well as a
 Tonic, relieving Congestion or Inflammation
 of the Liver and Visceral Organs, in
 Bilious Diseases.

The properties of Dr. Walker's
 Vinegar Bitters are American, Dia-
 phoretic, Carminative, Nutritive, Laxa-
 tive, Diuretic, Sudorific, Counter-Irritant,
 Sanguifer, Alterative, and Anti-Bilious.
 Grateful Thousands proclaim
 VINEGAR BITTERS the most wonder-
 ful invigorant that ever sustained the
 sinking system.

No person can take these Bit-
 ters according to directions, and re-
 main long unwell, provided their
 houses are not destroyed by mineral
 poison or other means, and vital or-
 gans wasted beyond repair.
**Bilious, Remittent, and Inter-
 mittent Fevers**, which are so
 prevalent in the valleys of our great
 rivers throughout the United States,
 especially those of the Mississippi,
 Ohio, Missouri, Illinois, Tennessee,
 Cumberland, Arkansas, Red, Colo-
 rado, Brazos, Rio Grande, Pearl,
 Alabama, Mobile, Savannah, Flor-
 ida, James, and many others,
 with their vast tributaries, through-
 out our entire country during the
 summer and autumn, and remark-
 ably so during seasons of unusual
 heat and dryness, are invariably ac-
 companied by extensive derange-
 ments of the stomach and liver, and
 other abdominal viscera. In their
 treatment, a purgative, exerting a
 powerful influence upon these vari-
 ous organs, is essentially necessary.
 There is no emetic for the purpose
 equal to Dr. J. Walker's VINEGAR
 BITTERS, as they will speedily remove
 the dark-colored viscid matter with
 which the bowels are loaded, at the same
 time stimulating the secretions of the
 liver, and generally restoring the healthy
 functions of the digestive organs.

Fortify the body against dis-
 ease by purifying all its fluids with
 VINEGAR BITTERS. No epidemic can
 hold a system thus fortified.
Dyspepsia or Indigestion, Head-
 aches, Pains in the Shoulders, Coughs,
 Tightness of the Chest, Dizziness, Sour
 Eructations of the Stomach, Bad Taste
 in the Mouth, Heart Attacks, Palpita-
 tion of the Heart, Inflammation of the
 Lungs, Pain in the Region of the Kid-
 neys, and a hundred other painful sym-
 ptoms, are the offspring of Dyspepsia. One
 bottle will prove a better guarantee of
 its merit than a lengthy advertisement.

Scrophulous, or King's Evil, White
 Swellings, Ulcers, Erysipelas, Itch,
 Nettle, Gout, Scrofulous Inflammations,
 Indolent Inflammations, Mercurial Affec-
 tions, Old Sores, Eruptions of the Skin,
 Sore Eyes, &c. In these, as in all other
 constitutional Diseases, WALKER'S
 VINEGAR BITTERS have shown their great cur-
 ative powers in the most obstinate and
 protractable cases.

**For Inflammatory and Chronic
 Rheumatism**, Gout, Bilious, Remit-
 tent, and Intermittent Fevers, Diseases
 of the Blood, Liver, Kidneys and Bladder,
 these Bitters have no equal. Such Dis-
 eases are caused by Vitiated Blood.
Mechanical Diseases—Persons
 engaged in Paints and Minerals, such as
 Plumbers, Type-setters, Gold-beaters and
 Miners, as they advance in life, are sub-
 ject to purities of the Bowels. To guard
 against this, take a dose of WALKER'S
 VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions,
 Tetter, Salt-Rheum, Blotches, Spots, Pim-
 ples, Pusules, Boils, Carbuncles, Ring-
 worms, Scald-head, Sore Eyes, Erysi-
 pelas, Itch, Scourf, Discolorations of the
 Skin, Humors arising from the Skin,
 whatever name or nature, are literally
 dug up and carried out of the system in a
 short time by the use of these Bitters.

Pin, Tape, and other Worms,
 lurking in the system of so many thou-
 sands, are effectually destroyed and re-
 moved. No system of medicine, no ver-
 rugines, no antihelmintics will free the
 system from worms like these Bitters.

For Female Complaints, in young
 or old, married or single, at the dawn of
 womanhood, or the turn of life, these Bit-
 ters display so decided an influence
 that improvement is soon perceptible.

Cleanse the Vitiated Blood
 whenever you find its impurities bursting
 through the skin in Pimples, Eruptions,
 or Sores; cleanse it when you find it ob-
 structed and sluggish in the veins; cleanse
 it when it is foul; your feelings will tell
 you when. Keep the Blood pure, and the
 health of the system will follow.

THE DAILY GRAPHIC
 The Only Illustrated Daily Newspaper in
 the World.

THE DAILY GRAPHIC is an Eight-page Pa-
 per, published every afternoon (three editions),
 in time for the only mail to all parts of
 the country.

Its great feature consists in the fact that it is
 not only a newspaper, but an illustrated news-
 paper as well. Four of its pages are filled with
 choice reading matter—telegrams, editorial com-
 ment and local news items, and correspond-
 ence from the freshest and most interesting
 localities. The remaining four pages contain
 Splendid Illustrations,
 executed in the most finished and artistic style
 and portraying accurately and fully all leading
 events.

THE GRAPHIC COMPANY, with a capital
 of \$500,000 has
 One of the Largest and Most Com-
 plete Newspaper Establishments
 in the United States.

In the great work of illustrating the events of
 the day its attention is given to the best known
 and most accomplished artists are constantly en-
 gaged.

THE DAILY GRAPHIC aims to be in its strictest
 sense a "family" paper, striving always to be just
 and truthful, it discards questions of independ-
 ent and impartiality. It is not the organ of
 any party, sect or creed. It is always high-
 toned, and contains nothing of offensively taste-
 less or of a "old-fashioned" paper. The annual sub-
 scriber gets
 A PICTORIAL HISTORY OF
 THE YEAR.

A volume of twenty-four hundred pages, con-
 taining a valuable record of events and
 graphic panoramas of our time and progress. If
 purchased not merely for its own sake, but as a
 paper for every reader of the language. It is, un-
 doubtedly,
 The Paper for the Household.

SCRIBNER'S MONTHLY for 1873-4.
 THE unexampled success of the pub-
 lisher in the conductors of this Magazine has
 enabled them to enter upon their fourth year
 with the means of making it more attractive and
 valuable to the large and constantly increasing
 number of readers than ever before. The Mag-
 azine's year begins on the 1st of September.

ILLUSTRATED ARTICLES.
 "THE GREAT SOUTH,"
 By Edward King, will be commenced in Novem-
 ber. By Adeline Trencher, author of "An
 unmissable amount of labor bestowed upon this
 article has long been destroyed by apparitions.
 It is intended that it shall be the best, as it will
 be the most complete and valuable of the series.
 The illustrations will be executed by various
 hands. Besides these serials, we have more
 than fifty single illustrated articles, prepared and
 waiting for the change to be published—articles
 which it would almost be too much to say to
 mention.

STORIES.
 The serial story of the year, "Katherine
 Kade," by Adeline Trencher, author of "An
 American Girl Abroad," is complete, in the
 October number. The best short stories
 written will be secured for the future, as they
 have been in the past, for Scribner's Monthly.

BRILLIANT NOVELLETES.
 By Kate Hahn, Rebecca Harding Davis, Kate
 Putnam Demarest, and other writers, will be
 appear during the year. The best short stories
 written will be secured for the future, as they
 have been in the past, for Scribner's Monthly.

JAMES ANTHONY FROUDE.
 Mr. Froude's "Autobiography" (under the
 title of "The New River to the Gulf") will open
 in the November issue, and be completed in that
 of January. It gives the history for six hun-
 dred years of the most remarkable of the relig-
 ious houses of England, and will attract un-
 derstanding attention. No other work is more in-
 teresting than this has been published in many
 years.

EDMUND CLARENCE STEEDMAN'S
 Critical Essay on the Victorian Poets will be
 continued. Those who have read this remark-
 able work on London, will not need the assurance
 that no other critical writing will appear during
 the year.

OLD TIME MUSIC.
 Mr. Benjamin F. Taylor, long known for his
 brilliant contributions to the Western press, has
 prepared a series of very striking poems which
 will be quite unique in American literature.
 They will be in the nature of the "The
 Fall," &c., and will be beautifully illustrated.

These are some of the attractions which we
 promise for the new volume and the new year.
 The editorial discussions of moral and
 questions of science, literature, art, and
 domestic economy, which, after all, will make
 the staple of every number, we can only say
 that they shall be good as they have been
 and better than they can be made. We intend
 to publish a Christian Magazine in which there
 shall be free thought and free expression, and
 to make literature and art tributary, not only to
 the culture of the intellect, but to the particu-
 lar of the heart and the advancement of
 social and political reforms.

**TERMS, \$4.00 a Year, 25 Cents a

 troductions of the "The New River to the Gulf," free
