EXAMINERS' TEST QUESTIONS.

FEBRUARY 16th, 1884.

RULE. Any applicant detected in giving or receiving aid in any way,

GRAMMAR

J. P. H. STEDEM, Examiner.

1. What is case? How many, and what are the cases? Write the possessive of the following sentences:-Charles, he, Knight Grogan Templar, Queen of England. 2. Give examples of "what" used as three different parts of B & H speech, and parse "what" in each example. 3. What is com; arison, and to what parts of speech applied?

4. Write the principal parts of-begin, cling, forsake, get, lie (to recline). 5. Define defective, redundant, and auxiliary verbs and give ex amples. 6. State by what method the various classes of sentences are con-

7. Tell what you know about the modifications of the predicate. 8. Correct the following: They who honor me, will I honor. Withhold not honor from them to who it is due. Let us praise God, he whom created and B & H districts of Jefferson, Belmont and sustains us. You and me understands grammar as well as him. Meigs, the population is quite dense The Lord's servants' duties are numerous. 9. Parse quoted words : They are the "lovely." "they" in whom "unite" "Youth's" fleeting charms with virtue's lovely light.

For if, when we were enemies, we were reconciled to God by the

death of his Son; much more, being reconciled, shall we be saved

UNITED STATES HISTORY.

10. Analyze or diagram:

by his lite.

1. Describe the first French voyage of discovery and explora-

J. P. H. STEDEM. Examiner.

The first tried to colonize America, and with what result? 3. What was the "Grand Model?" Describe it. 4. Describe the capture of Philadelphia during the Revolution. Describe the state of affairs at the close of the Revolution. 6. Tell what you know about Alexander Hamilton. 7. State the facts relating to the annexation of Texas.

S. Give a brief outline of slavery. 9. What led to the issue of greenback currency? When were specie payments resumed ? 10. What is the "civil service reform?"

THEORY AND PRACTICE.

J. P. H. STEDEM, Examiner. 1. State some of the advantages of having commodious school-2. How far is it practical or possible to grade district schools ?

3. What is a primary grade? What should be the nature of its instruction? 4. Discuss the subject of ventilation. 5. What is a class register! Of what use? 6. Tell how to control "whispering." 7. Ought a teacher give any lessons in manners? How conduct B&H

8. W at are the advantages of classifying a school? 3. What is meant by special priveleges? How should that matter be managed? 10. Give your idea of administering discipline.

ORTHOGRAPHY.

F. M. GORDON, Examiner. 1. What is the difference between orthography and spelling! 2. Give words, illustrating the different sounds of "a. 3. In what three respects is our alphabet imperfect?

4. Give three rules for the use of capitals. 5. Define double consonants and give three examples. 6. Spell the following words: Faceshus, declenshun, fallashus, malicia. shivalry, vicisatude, me tisanal, apocraphy, palitable, bat-

7. Define the following words: Eucharist, sedentary puerile, flat- B & H ulence, coercive,

GEOGRAPHY.

F. M. GORDON, Examiner.

1. Give the area, population, number of counties, principal cit ies, cereal and mineral productions of Ohio. 2. Name the four Barbary states and give their respective capitals. What mountain system traverses them? 3. Bound West Virginia and tell why and when it was made a 4. When it is 2 P. M. at Cleveland, what is the time at St. Aug-

ustine? What is the ecliptic? 5. What is commerce? What articles of commerce do the New further particulars call on Mrs. England States supply to other portions of our country? 6. Beginning at the north, name the natural boundaries between | Buerhaus

7. Describe the position of the earth, with reference to the sun, on the 21st of June. On what circle does the sun's rays then fall pendicular ? 8. What part of Asia has no drainage into the ocean? Describe the principal river of Australia. 9. How would you go by water from St. Petersburg to Constant-

10. How far from the North Pole is the Antartic circle, and why

ARITHMETIC.

J. L. BRIGHT, Examiner.

B, B& H 1. Define order and period, and explain why in dividing one est as can be gathered through the fraction by another you invert the divisor and then multiply. 2. What sum must I pay for \$3,000 in bank stock that pays an annual dividend of 5%, in order that I may make 10% on my in vestment? 3. I wish to remit to London money sufficient to meet a demand | W & L of £787, 9s, 3d. What amount of federal money, no exchange or other charges, £I equals \$4.84, would be required? 4. What is the bank discount on a note for \$983.68, payable in 60 | G & P days ? 5. Divide \$5,000 among four persons in the proportion of onebers at the following liberal rates of half one third, one-fourth and one-fifth. subscription, by mail, postage paid: 6. Find cube root of 7th power of 7. 7. What is saved by following the diagonal instead of the sides 8. What is the difference between ratio and proportion? If 12

9.00 men mow 32 acres in four days of 8 hours each, how many days of B, B & H Daily and Sunday edition for six 10 hours each will it require 15 men to mow 90 acres? 9. Define the terms circumference, hypotenuse, mathematics, Daily and Sunday edition for three digit, rule, problem, sign, solution and root. 10. Explain why you begin at the right hand to multiply and at

PENMANHIP.

J. L. BRIGHT, Examiner.

1. How would you manage your writing exercises in an ungraded school? 2. What system of penmanship have you studied? How many principles in that system? 3. Define shading and spacing.. What slant should letters have

4. Analyze the vowels. 5. Write four or five lines as a specimen of your penmanship. February Term, 1884. FIRST DAY.
