LOCAL ITEMS.

George Nibiser, of Falls town ship, has been granted a pension. The next term of Common Pleas Court will convene Monday, February 27th.

The infant child of Heuben Culler who was very sick on last Tuesday is now better.

Mrs. Jeffries, of Lancaster, is spending this week in Logan, the guest of Mrs. Capt. Bowen.

Rain, snow, sleet and ice, particularly the latter, has characterized the weather in this vicinity for the past two weeks.

Mr. Henry Lutz desires to have it stated that he has the best horse in town, and that he is not a government horse.

A number of our young ladies of Logan gave a leap year dance at McCarthy's Hall, Tuesday evening. It was quite an enjoyable affair.

Dr. Dye, who is convalescing from his recent sickness, accompanied by his wife, are visiting this week in Columbus, guests of Mrs. Ed. Churchill, aunt of Mrs. Dye.

Dr. M. Salm, of Columbus, who limits his practice to the diseases of the Eye, Ear, Throat and Nose, will be at the Bempel House on the 2nd Friday and Saturday of each month.

Prosecuting Attorney Lowry is preparing his work for the opening of the next term of Court. Mr. Lowry is an efficient officer and a terror to the evil doers of the county.

Clerk-elect Lappen is taking lessons from Clerk McCourtney, and will take official charge at the next term. The old Clerk is a good teacher, and the new one is an apt scholar.

Another gas well was struck at Lancaster on Monday at a depth of 1900 feet. The supply of gas is equal to that of the other wells and will be utilized at the Lancaster Brewery.

Auditor Bowen is busy this week in making up the required annual settlements. He is prompt and efficient in his official work, and is noted not only at home, but throughout the State as one of the best auditors in Ohio.

Mr. Newt Collins met with an accident on Friday last. While using a drawing knife on a piece of wood, he made a gash in his leg near the knee which will retard locomotion for some time.

Mr. Arthur McCourtney stepped on the ice at the stairway of his residence, last week, and was seriously badly bruised up. We are glad to know that he is able to be out and about again.

From February 6th to 12th, inclusive, the Midland Railroad Co. will sell round trip tickets to New Orleans, at extremely low rates. Tickets will be good returning until March 1, inclusive. For rates and any other information call upon or address agents of the Midland Railroad.

A total eclipse of the moon will occur on Saturday next, which will be visible throughout the United States. The moon will enter the shadow at 3:31 p. m. The total phase will begin an hour later and end at 4:09.

Commencing Thursday, Jan. 25th, 1888, the Midland Railroad Company will sell thousand tickets at \$20.00. These tickets will be good for passage on B & O. lines, both east and west of the Ohio River, and on the Columbus & Cincinnati, Midland Road, between Columbus and Cincinnati.

Mr. Charley Sweney, the popular Railroad man, left last Saturday for Tuscaloosa, Ala., on a trip of recreation and business observation. He will be absent a couple of weeks or until the sleet rolls by.

Mr. John Donavan who fell and hurt himself on the icy pavement, is able to attend to business again. It was lucky for Mr. Donovan that he carries an accident insurance policy, and while crippled, drew a dollar a day in demerit.

We had a pleasant call on Monday from Mr. Will Bowers, of Alliance, Ohio, brother of Mrs. Dr. Pillsbury, who is here on a visit. Mr. Bowers was a citizen of this place about twenty years ago, and was then, as he is now, "a hale fellow well wadded." He will remain in Logan about a week.

The friends of Dr. Mansfield gave him a birthday party on last Monday evening, the occasion being the doctor's 45th anniversary. A present of a pair of gold rimmed spectacles was presented. The company was elegantly entertained by Mr. Mansfield and other ladies, who served an elegant supper.

Don't fail to witness the parade of the Duke Band with Our Jonathan Co., at noon, Tuesday, January 31.

If you want the best, buy a Spiral Spring Wagon, or a Jump-seat Troy Wagon. Call on F. F. Rempel.

"Our Jonathan" will be at Bempel's Opera House Tuesday evening, Jan. 31st. Reserved seats on sale at Bempel's.

If you want a Champion Mower, Reaper, or Binder, or a Champion Drill, Thomas Rake, or Section Harrow, call on F. F. Rempel.

"Our Jonathan" has the finest band and orchestra and the finest man on earth—Oh City Blizzard. At the Opera House, January 31.

If you wish to improve your Cattle, buy a dark red Pedigreed Durham Calf of F. F. Rempel.

Miss Mame Wellman, while skating last Tuesday, fell through the ice, but was rescued in time to prevent a serious result.

Mr. Michie, of the Motherwell Iron and Steel Co., who has been away on a business trip for some time, returned home last Tuesday.

Mr. C. H. Buerhaus has been detained at home by the serious sickness of his wife, who we are glad to learn at this writing, is improving.

Miss Cad Murphy and Mr. Byron Wolf were united in marriage on last Wednesday evening by Rev. Wolf, father of the groom, assisted by Rev. Thomas Lewis Kleinschmidt, Jr., of our city, who has been shipping large quantities of ice the last week, to Straitsville and other mining towns in the valley.

We regret to learn that Dr. Green of Bloomingville, fell on the ice and sustained serious, if not fatal, injuries. Dr. Green is one of the old and esteemed citizens of our county, and his accident is the occasion of deep regret to his many friends in Logan.

On last Thursday, a man named Hood, from Gore, fell on the icy pavement in Logan and got badly hurt. Tom Allen, who drives up the Logan news for the Columbus Dispatch, telegraphed that paper that the man was dead. He is walking about at Gore and waiting for the show, when he will come to Logan and make a lively corpse for the Columbus correspondent.

Monte Cristo was played to a large and appreciative audience on last Friday night. This play is undoubtedly of a much higher grade than any others which come to Logan, and was rendered fairly well.

Mrs. John Rochester and Miss Nell were called to Athens last Monday, on account of the serious illness of their relative, Judge Guthrie, who fell on the ice, causing, it is feared, a fatal concussion of the brain.

Mr. Henry Kleinschmidt, one of the most enterprising young men of Logan, left last Saturday for Kewanee, Ind., where he has engaged as editor in the leading tailoring establishment of that place.

A fire broke out in Dr. Day's Little's coal shed last Sunday morning, but was discovered in time and extinguished before it could get any headway. The fire was caused by hot ashes being emptied against the side of the shed.

About fifty little girls of the age of Miss Lulu Bright, gave a party at her home, the residence of Judge Bright, on Walnut street, on last Tuesday afternoon, the occasion being the young lady's 11th birthday. The presents were elegant and appropriate, for which, and for many expressions of good will tendered by her friends, Miss Lulu returned hearty thanks.

Mr. Mack Cornel, night operator at the depot, was called away to Columbus on last Sunday, to the death bed of his mother, widow of the late Col. John Cornel, of Lancaster. The remains of Mrs. Cornel were buried in Lancaster on Tuesday. She was the sister of Mrs. Gen. Tom Ewing of New York, who with many other relatives from various parts of the country, attended the funeral.

An Old Pioneer Gone. David Goss, perhaps the oldest native citizen of Bucking county, died at his residence near this place on Sunday morning, in the 74th year of his age. He was born in this county where he resided up to the time of his death. He was buried at Fairview cemetery Tuesday morning.

Our good natured "fat, fair and forty" County Treasurer can take a joke, but we advise a correspondent of the Plymouth Graphic not to rub it in too hard on the bare places. His long and intimate acquaintance with Ben White, during the bellum days, when the back of a turtle was the only means that Ben had to convey his thoughts to his constituents on Big Pine, has made him impervious to any wiles of the fair sex, and rejecting all leap year follies, nothing short of a cyclone or a Dakota blizzard arayed in feminine apparel will make the least impression. We give this advice to the Graphic correspondent, and warn him, or her, to go slow.

Council Meeting.

The City Council met in regular session on Tuesday evening, with all the officers in their chairs.

The following members were present: Messrs. Kreig, Waner, Schlagetter, Price, Braddock, Gould, Rochester and Keynes.

Minutes of previous meeting were read and approved.

Mayor Steinman submitted his monthly report. Receipts for rents, fines and licenses, \$28.75, which was accepted.

Mr. Waner introduced an ordinance for the appointment of a depot policeman, giving the power to appoint to the Mayor, and repealing a former ordinance, which gave the appointing power to the Railroad Company.

A motion that the rules be suspended and the ordinance read for a second time, was lost.

Mr. Gould moved that the ordinance be referred to the Committee on Ordinances, to be reported on at a next regular meeting. Motion carried.

Finance Committee reported favorably on bills for police and city officers, for month of January, which were allowed.

Mr. Waner made a motion that the vote by which a bill of the Logan Gas Co., presented at former meeting was lost be re-considered.

Motion was lost. The City Surveyor and Mr. Michie, former Secretary of the Gas Co., were present to explain the correctness of the bill, but Council refused to reconsider by the following vote:

Yeas—Waner, Gould, Kreig, Nays—Price, Schlagetter, Braddock, Rochester.

The Street Committee reported that the Street Commissioner had been notified to remove obstructions to the water course of Carpenter Run, and that the work had been done as far as the corporation had authority.

Mr. Young, representing E. B. Preston & Co., of Chicago, manufacturers of fire apparatus and supplies, was introduced to Council.

He submitted a proposition to Council to furnish two hose carts to the village for the sum of \$250.00, payment to be made on or before July 1st, 1888. The Engineer and Chief of Fire Department recommended the purchase, and after an exchange of opinion among members, Mr. Waner submitted the following resolution:

"Be it resolved, by the Council of the Village of Logan, that the proposition this day submitted, by E. B. Preston & Co., of Chicago, through its agent, Mr. Young, for the sale of two hose carts to the village of Logan, be and is hereby accepted, and the Mayor and Clerk of said village are hereby authorized to sign the contract on its behalf."

The resolution was unanimously passed without debate.

Mr. L. J. Burgess appeared before Council with a claim of \$15.00 for legal service in defending the action of Council in the case of contempt of Court, growing out of the local option election of February last. The former Council had allowed Mr. Bright \$20.00 for service and Mr. Burgess claimed that he was also entitled to his fee.

Mr. Rochester moved that the bill be referred to the Finance Committee. The motion was lost by the following vote:

Yeas—Braddock, Price, Rochester, Nays—Keynes, Gould, Kreig, Schlagetter, Waner.

The bill was rejected in accordance with a resolution passed early in the session that the City Solicitor should attend to all corporation cases, and that no attorney should be employed without consent of Council at regular meeting.

The Mayor stated that by reason of carelessness of many persons in throwing out their wood and coal ashes, and which caused the slight fire Sunday morning last, he would in future enforce the ordinance to the letter.

There being no further business Council adjourned.

Dr. Salm, the Oculist and Aurist, of Columbus, will visit our city every second Friday and Saturday of each month, and further notice. The Doctor does not only recommend by many of our readers, but also by the medical profession Dr. Salm limits his practice entirely to the Eye, Ear, Nose, and Throat, he has an extensive practice of many years. The Dr. hails from Germany, but speaks English and several other languages fluently. He is an author renowned in his particular line, and has written nearly 1000 pages.

Among them "Report of 400 hundred Cataract Operations," "Tobacco and Alcohol and their Effects Upon the Eyesight," "Successful Treatment of Nasal Catarrh," etc.

During his last stay the Dr. performed a glass-eye operation in 35 seconds. This quickness and the wonderful use he can make of both hands, making the right assist the left and vice versa; (such dexterity) has earned for him the well deserved sobriquet, "The Lightning Operator." The Doctor is very moderate in his charges and has already done much good, so that his practice without the aid of newspaper advertising with the exception of his card, has won for himself simply by his merit the name of a man understanding his business and quite a lucrative practice in Logan. If you suffer with any trouble running in the Doctor's line give him a trial, and don't close him with the traveling man who makes every thing in the line of medicine his specialty. Card in other column.

Card From the Secretary of the Gas Company.

EDITOR SENTINEL.—In the report of the proceedings of the town Council, published in your issue of last week, I observed the statement, made by one of our honored Town Councilmen, that he had been most reliably informed that the Gas Company had been practicing a great fraud upon the corporation in regard to the amount of gas furnished for the street lamps. The honorable gentleman declined to give the name of the person who furnished this very reliable information. This unknown and strictly reliable person furnished the further information that the Gas Company curtailed the amount of gas it was to furnish the corporation under the contract by means of a governor placed in each street lamp.

Upon this highly scientific and reliable information, the town Council was asked to institute an investigating committee and demonstrate the wickedness and dishonesty of the Gas Company.

To those who have no knowledge of the facts and who do not care to be informed, before arraigning the Gas Company for dishonesty, the statement that a "governor was placed in each lamp in order to defraud the corporation," is quite sufficient to justify their joining in the hue and cry against the Gas Company.

But to those who have any knowledge of the use of governors or the effect they have upon the consumption of gas, or even have any knowledge of them at all, the "reliable information" furnished our good friend, the councilman, seems absurd. No fair minded men who prefer to have facts before making charges and subjecting honorable gentlemen to the humiliation of innuendoes and insinuation, the information thus "reliably" furnished, flavors strongly of unfairness.

It is not my purpose to enter into a scientific explanation on the subject of gas governors.

Suffice it to say that it will afford the Gas Company great pleasure to explain and demonstrate to the honorable town Council, or to any respectable citizen who may desire to be enlightened, the use, purpose and effect of gas governors, and that it will be pleasure to me, as Secretary of the company, to demonstrate from measurements and strictly reliable information that cannot be questioned, that the street lamps of Logan have burned during the past year and are still burning 3 and 1-2 feet per hour more than the contract requires.

In order to make myself perfectly understood, I append the following certificate, which I will be glad to demonstrate to any one who may feel sufficiently interested in the matter to call upon me for that purpose.

Respectfully,
F. F. REMPEL, Jr.
Sec'y Gas Co.

LOGAN, O., Jan. 24, 1888.

I hereby certify under oath, that on a close inspection of the manufacture and consumption of gas at the Logan Gas Light & Coke Co., by myself and officers of said company, we find that the amount consumed on an average by the street lamps to be 5.124 feet of gas per hour, estimated for the last 12 months.

F. F. REMPEL, Jr.
Sec. Logan Gas Light & Coke Co.

Sworn to before me and subscribed in my presence this 24th day of January, 1888, by the said F. F. REMPEL, Jr.

W. M. BREHM, Jr.,
Notary Public.

CERTIFICATE.

I, Ferd F. Rempel, Secretary of the Logan Gas Light & Coke Co., hereby certify, that since my appointment as secretary for the Logan Gas Light & Coke Co., in January, 1887, and services as such, having from that date to the past month of December, 1887, (being for the last twelve months) monthly taken a correct account of the station meter at the Gas Factory, and corresponding with the consume meter, and the amount thus correspondingly consumed by the street lanterns, and that after the most careful examining said report by all the officials of the company and the amount of coal consumed and the gas manufactured, and that the street lanterns have burned at the rate of 8 and 1-2 feet of gas per hour. The contract with the corporation calls for 5 feet, and the company has thus furnished largely in advance of its obligations.

GAME IN SEASON.—The new name called "editors' delight," is played in this wise: Take a sheet of ordinary writing paper, fold it up carefully and enclose a bank note sufficiently large to pay up all arrears and a year in advance.

What adds immensely to the pleasure of the game is to send along the name of a new subscriber or two, accompanied by cash. Keep your eye on the editor, and if a smile adorns his face the trick works like a charm.

Vegetable Salads. The markets at this season of the year afford such an unlimited variety of vegetables, that with a little attention to the most agreeable and nutritious, every housekeeper will be enabled to provide numerous and agreeable changes for her table, as well as contribute largely to the health and well-being of her family. For it is impossible to over-estimate the importance of vegetables as daily articles of diet. Vegetable salads are among the most agreeable and wholesome dishes that can be prepared for a light summer repast; besides being very economical, they are easily made, tempt the appetite, and impart a flavor to the rest of the meal. If desired in perfection, care should be taken in their preparation. The dressing for a variety of light salads is the same, but different flavors can be delicately added, and skill will soon be acquired by practice, if due attention is paid to the direction given. In making salads, the freshest olive oil should be used, or if desired, the most agreeable and pure, non-irritant and heating.

PILE! PILE! PILE!!!
Dr. Williams' Indian Pile Ointment is the only sure cure for Blind Bleeding or Itching Piles ever discovered. It never fails to cure old chronic diseases of long standing. Judge Coombs, Mayville, Ky., says: "Dr. Williams' Indian Pile Ointment cured me after years of suffering."

Judge Coombs, Cleveland, O., says: "I have found by experience that Dr. Williams' Indian Pile Ointment gives immediate and permanent relief."
