—Last Sunday seventeen of our handsome young men went to Logan to "see their girls." My, what is the matter with the young men in Logan that the young ladies have to have their beaux imported from this city.—Nelsonville Register.

The dinner and supper in the Odd Fellows assembly room, given by the ladies for the benefit of the Library, was a great success, and one of the most enjoyable social events our people have enjoyed for a long time. The proceeds amount to about \$65.

The dinner was elegant, and abundant, and the service by the young lady attendants, polite and pleasant. The Fresner orchestra furnished delightful music.

A tired stomach is very much like a sprained ankle. If you suffer from any of the symptoms of dyspepsia, your stomach is tired. It needs a crutch. We must relieve it of all work for a time, or until it is restored to its natural strength. To do this successfully, we must use a food which is already digested outside of the body, and which aids the digestion of other foods that may be taken with it. Such a product is the Shakar Digestive Cordial.

The Shakers have utilized the digestive principle present in plants for the manufacture of this article, and its success has been truly phenomenal. You can try it for the nominal sum of 10 cents, as samples are sold by all druggists at this price.

LAXOL— is the best medicine for children. Doctors recommend it in place of Castor Oil.

Marion township was the banner for democratic gains.

On a vote as compared with last year, we gain 11. This is a gain of 11 per cent. On the county vote this would be a total gain of 160. When added to the vote cast shows the county democratic by over 400, as against all the opposition, Republican, Populists, Prohibitionists, etc.

The Democracy of Hocking is in good shape. With our full vote out, Marion leading, we can defy all the elements that fight us or trifle with has passed.

OBITUARY.

Miriam Sprague Allen, infant daughter of Dr. C. O. and Mrs. L. M. Allen, after a few days illness passed away, Nov. 6th, 1897. Funeral services were held at the home of Mr. Sam Moore, father of Mrs. Allen, on W. Second street, Sunday, Nov. 7, at 3 p. m. conducted by Rev. N. W. Good assisted by Rev. J. F. Williams.

With patient mind the course of duty ran; God, nothing does nor suffers to be done, But then would he do this if thou could see The end of all He does, as well as He."

The quail shooting season opened yesterday. A number of Nimrods with death hanging on the end of their guns, and dogs lean for a chase, started out for the quail roosts.

In the meantime, while we shoot the little birds, and pursue the timid rabbit, killing as we can, the barbarous Mexican is arranging for his fun with a bull fight.

Logan School Examiners Meeting.

The Board of School Examiners of Logan Village will hold regular meetings for the Examination of applicants Teachers Certificates on the Third Wednesday of February, April June, August October and December at the office of the Superintendent, in the School Building of said Village. Examinations begin at 9:30 A.M. (standard) of each day

By Order of Board of Ex. C. W. H. Wright, Pres. R. E. Rayman, Clerk.

We had a pleasant visit last Saturday from an old timer, Isaac Frasure of Marion. Mr. Frasure was one of the first men we met and got to know a quarter of a century ago when we first set foot in Hocking. He had been here before us forty years. He gave us welcome, as did he and his people to the folks who came in after he had blazed the way to the town.

Mr. Frasure is one of our light house. He came to Hocking, seventy years ago. Think of it. And has been a resident ever since. His nearest neighbors when he settled in Marion were the Berrys on Rush Creek, the few people who had "squitted" in Logan. The old man is 83 years of age. He is in good health and belongs to that hardy old Virginian stock who live out their allotted days. He and John Nutter and Lan Hett are about all who are left to us of that old Virginian stock who came in early, and stand and lived until they saw and yet see their children and children's children occupying a happy country which they found a wilderness. Grandpa Frasure dont often come to town, but

when he does, the doors are open, the latch string is out, and he is always made welcome when he comes to the SPYGLASS office.
