

A PELVIC DISEASE
Of Which Peruna Cured Me in a
Very Short Time
WAS SAPPING MY LIFE.

MRS. SOPHIA CALDWELL, 1125 McGavock St., Nashville, Tenn., writes:
"After doctoring for a year and finding no relief from leucorrhoea resulting from prolapsus uteri, and which was sapping my life forces away, I finally tried Peruna, and when I found that it was helping me every day, it seemed almost too good to be true.
"But, it not only helped me, it cured me and in a very short time."
"I am now enjoying the best of health. I am strong and free from pain, and I certainly feel that all praise and honor are due to Peruna."
"Thousands of women will read the testimonial of Mrs. Caldwell as above given."
"Thousands of them will be induced to try the remedy that saved her."
"Thousands of them will have the same experience she had."
"Peruna is the remedy such women need. Peruna comes like a boon to suffering womanhood."
Mrs. John H. Webb, Webster Ave., Glendale, L. I., N. Y., has also been relieved of pelvic catarrh by Peruna.

They demonstrated to the National Administration that they need no advice how to vote or have no use for their party.
