### Obituary.

John W. Lyons was born in Guernsey county, Ohio, on the 31st. day of October 1838, and departed this life on the 17th. day of July 1908. Aged 69 years, 8 months and 16 days.

In the year 1861 he was united in marriage to Mary T. Oaks, which union was blessed with eight children, two sons and six daughters, one son and two daughters having preceded him to the Spirit World.

He served his country as a valiant soldier for one and one-half years in the Civil War.

He was converted and united with the M. E. Church at Wesley Chapel on what is known as

Orland charge in the year 1886 and later transferred his membership to the M. E. Church at Laurelville. All these years he lived a devoted christian life, holding a worthy membership in the M. E. Church until transferred to the Church Triumphant in Heaven.

He leaves to mourn his departure a wife, one son, four daughters and 17 grandchildren and a large number of friends, yet with the consolation that we believe our loss to be his eternal gain.

Why should we weep when we behold  
This empty house of clay,  
That spirit that we loved so well  
Is dwelling far away.

In Paradise he softly roams  
Mid scenes of holy bliss  
The better that he could be there  
Than in a world like this.

Then dry the tears of sad bereavement.  
He is not dead but gone before  
To be with Jesus over yonder  
Where we may dwell forever more

A precious one from us has gone,  
A voice we loved is still,  
A place is vacant in our midst  
That never can be filled.

### CARD OF THANKS.

The wife and children of the deceased wish to extend to the neighbors and friends their sincere thanks for the aid and assistance furnished during the sickness, death and burial of their loved one.

MARY T. LYONS AND CHILDREN.

### Common Pleas Court.

On Monday Judge George E. Martin held court in Logan, that was certainly a day's work. The Judge is a tireless jurist, and ground out a batch that cleaned up many cases for anxious litigants.

The case of Charles Williams vs Cora M. Williams for divorce, was heard. Divorce was granted to plaintiff and custody of child. The court was very severe on the witnesses in this case who swore that they had committed adultery with Mrs. Williams. He said he would call attention of the prosecuting attorney to these cases.

Wm. Hussey vs Rachel Hussey, petition for divorce. Decree granted plaintiff as prayed for.

Case of Ruth E. Bishop vs Mary A. Brooker and Joe Brooker, foreclosure of mortgage. Case settled by James Thomas taking up mortgage.

Dr. C. F. Aplin vs Logan Brick Mfg. Co. for money. Judgment given plaintiff for \$850 26 by default.

Luther C. Martin vs Edie A. Martin for divorce. Settled and costs paid. Petition withdrawn.

Case of John Wellman and John S. Collins vs Charles E. Kennard, foreclosure of mortgage. Sam St. Clair and John Wolfe took up mortgage, and case settled and costs paid.

The trusteeship under the will of Homer L. Wright, deceased, having about expired a case was brought entitled Robt. Wright vs Eugene B. Wright and V. C. Lowry Trustees. The matter was a mutual form of dissolving the trusteeship, and permitting the will of Homer L. Wright to take its course. By this process the provisions of the will are now operative, and Robt. Wright has full control of his property.

In the case of Edie Wright vs Mary E. North et al, the Woodruff estate was again in court. An order was given that \$2700 be paid out of the estate to Ann S. Woodruff, (widow) administratrix for payment of debts of said decedent.

On Wednesday Judge Martin again held court in Logan. The case was that of the Maxwells, that came up out of Ward Township. The old gentleman still lives and is probably worth \$25000.

One branch of the family insist that he is not capable of transacting business and want a guardian appointed. The Probate Court so held, and it is taken to the Common Pleas Court on appeal. About 85 witnesses are in attendance from Murray City and vicinity. The following persons we see here in attendance on the trial:

John Hogan, Thos. Murphy, Noel Powell, Lawrence Fick, Isaac Hoch, W. C. Rodgers, Dr. Tippie, Geo. Murphy, Wm. Storer, John Storer, George Hooper, Conrad Wein, Robt Tipton, Pete Bitner, Kate Evans, Addie Pinkins, Joe Jenkins, Dr. Dillinger, Wm. Snodden, Joe Smart, James Murphy, George Vansickle, R. A. Surtees, Rebecca Collins, Thomas Bryon, John Brooker, Sullivan, Maxwell, George Trimmer, Thos. Ward and wife, and Ollie Stevens. The case is still on today as we go to press.
