## Better Shoes for Less Money

Latest Oxford styles in all leathers including popular colors Russia Calif and Ox Blood \$3.00 and \$3.50

You save from 50 cents to \$1 on ENDWELL shoes because you buy direct from raw material—no middlemen's profits. Only shoes made by ENDICOTT-JOHNSON CO. are sold in this way, as this is the first and only shoe house in the world to tan leather and sell the finished product direct to the wearer, through the retailer. Most shoes cost more than they are worth because they pass through so many hands—hide trader—leather trust—leather broker—shoe manufacturer and jobber. The expenses, profits and losses of each of these middlemen must be added to the price, which you pay, without adding any value to the shoes. You get the full worth of your money in ENDWELL shoes.

#### Elbert Hubbard on Suffering.

Elbert Hubbard, editor of the Philistine, says: "Most of the suffering in this life comes from too much work or too little." He could have left off that "too little," and he would have left it off had he referred to wash-day suffering. There has been too much work on wash day for the women, but now we have Easy Task soap that does the work easily, quickly, cleanly surely—and does half the work all by itself. It is the cleanest, purest, white laundry soap made and sold at five cents a cake.

## INDIGESTION IS ENDED FOREVER

Why not start now—today, and forever rid yourself of Stomach trouble and Indigestion? A dieted stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapepsin to start the digestive juice working. There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and dizziness, and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapepsin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of Indigestion and Upset Stomach in five minutes.

There is nothing else better to take Gas from Stomach and cleanse the stomach and intestines, and besides one triangler will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapepsin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all Stomach Misery is waiting for you as soon as you decide to begin taking Diapepsin. Tell your druggist that you want Pape's Diapepsin, because you want to be thoroughly cured of Indigestion.

Elder W. H. Devore, of Vinton, was visiting his daughter Mrs. J. B. Dollison, Friday and Saturday of this week.
