

# IN MEMORIAM

MRS. FLORA MAY LANOR

Mrs. Flora May Lands, daughter of Mr. and Mrs. Benjamin Easterling, was born August 5, 1884, died October 12, 1909; aged 25 years, two months and seven days. She was united in marriage with William Lands, December 3, 1908.

Husband, mother and four brothers are left to mourn their loss. Father, brother and one sister have gone on before.

She united with the M. E. church two years ago.

ROBERT WATTS.

Robert Watts was born Jan. 2, 1888, died Tuesday, Oct. 26, 1909 at 5:40 a. m. Aged 71 years, 9 months and 24 days. United in marriage, 1863 to Eliza Jane Pierson; there was 8 children born to this union, six of whom are deceased, leaving a wife and two children to mourn the loss.

He was a devoted husband and a good father. He lived in Logan the greater part of his life; for 55 years he was a member of the church, leaving a godly example before his bereaved relatives and many friends.

Mr. Watts had but one sister Mrs. Wm. Anderson, and one half sister Mrs. A. Inboden, and four grandchildren.

MARY CATHERINE OGG.

Mary Catherine, the daughter of Samuel and Annie Ogg, was born in Goodhope township, Hocking county, Ohio, on July 30, 1865, and departed this life Oct. 25, 1909, aged 44 years, 2 months and 25 days. The father having preceded her to the great beyond about a year ago. She leaves to mourn her loss four brothers, three sisters, a patient mother, and a host of other relatives and friends. She has suffered much in this world, but has found sweet rest in Jesus. She bore her sickness with patience to the last. She said she was ready to go, and asked the rest if they were ready. She said it is so hard to leave mamma, but mamma we will meet over on the other shore.

And the mother gave in tears and pain, The flowers she most did love, She knew she should find them all again In the fields of light above.

Oh not in earthly, not in wealth, The reaper came that day, 'Twas an angel visited the green earth, And took the flowers away.

CARD OF THANKS.

Mrs. Ogg and family desire to extend their gratitude and thanks to all those who so kindly assisted them in the time of sickness and death of our daughter and sister.

MOTHER AND SISTER.

MRS. ANNA N. NAIL.

Anna N. Nail, daughter of Mr. and Mrs. J. H. Brown, was born at Hamden, Ohio, March 18, 1860, died at Logan, Ohio, October 27, 1909. Aged 49 years, 7 months and 9 days.

On December 1, 1878, she was united in marriage to William R. Nail, the ceremony being performed by the Rev. E. W. Ellis, at New Plymouth, Ohio. For nearly 31 years they have journeyed along life's pathway together.

The deceased is survived by her husband and the following children: Fredrick A. Nail and Margaret C. M. Nail, of Logan, and Mrs. Evelyn H. Mock, of Lancaster, Ohio. Helen H., the third child born to this union, died at the age of 6 years, 3 months and 15 days. Of her father's family there remain three brothers and three sisters, J. Clifton Brown and Charles Brown, of Columbus, Ohio, Edward M. Brown, of Logan, Ohio, Mrs. George Davidson, of Chicago, Ill., Mrs. James Morse, of Starr, Ohio, and Mrs. Lewis Sniff, of New Plymouth, Ohio.

Early in life Mrs. Nail became a member of the Union Furnace Presbyterian Church. Some years later when her home was established in Logan she transferred her membership by letter to the Logan Presbyterian Church. To this church she was a faithful member and was happy in its worship. About four years ago at her request she was granted a letter to the Methodist Episcopal Church of Logan that she might be united with her husband in the worship of her Heavenly Father.

In the varied relations of her life Mrs. Nail's character was marked by prudence, constancy, self sacrifice and christian faith. As a wife and mother she was a model of loving faithfulness. Her sunny disposition and unflinching optimism made a source of cheer and inspiration to all with whom she came in contact. She seldom thought of herself, like her Master, her thoughts were always of others. She received her reward in a multitude of friends. No unkind word was ever spoken of her. A true friend and a generous neighbor, a faithful wife and a loving mother has become a member of the Church Triumphant. The memory of the just is blessed, so shall the memory of this pure and useful life with its gentle ministries of love, continue to dispel its fragrance and sweeten the atmosphere of earth.

DOW GRAHAM.

Dow, the little son of Mr. and Mrs. Pearl Graham, was born March 31, 1902, died Oct. 21, 1909 making his brief stay with us 7 years, 6 months and 21 days. Though his life among us was too short, it was sufficient to endear him to all who knew him best, which renders the parting with him full of sorrow. Through all of little Dow's sickness, of something like five weeks, he had no complaint to make, but bore up under his affliction of typhoid fever with heroic fortitude. The world and its future prospects was full of interest to the young life that has gone from us. Nothing was more pleasing to little Dow than for him to know that he had pleased others. Life was dear to him for he knew that he was loved and would be missed by those who so dearly loved him. Yet with all this he realized that he would not be able to remain with us, as he told a kind neighbor, who stood by his bedside, that he was going far away, never to come back. To his mother, however, not wishing to add to her sorrow, he said he would try to get well. Though it is hard to part with one so dear to us, there is one great consoling feeling in little Dow's case, all must be well with him.

A precious one from us has gone, A voice we loved is still, A place is vacant in our home Which never can be filled.

CARD OF THANKS.

We wish to thank our friends for the beautiful floral expressions of sympathy during the sickness and death of our darling boy.

MR. AND MRS. P. A. GRAHAM.

JANET MARIE HARDEN.

Why are ye sad, all ye who weepeth? The child is not dead—but sweetly sleepeth.

On the 16th. of May, 1903, there came to the home of Wilby and Gertrude Harden a little babe, who in her baptism was given the name Janet Marie. The first sickness of the little life came between the age of two and three, when she was stricken with pneumonia and whooping cough, and although all hopes for her recovery were given up, God granted that her presence should brighten the home for a little longer.

About two weeks ago she was taken with sore throat, which later developed into diphtheria. She was recovering nicely from this disease, but her little heart could no longer do its work, and she fell asleep Saturday, October 23, 1909, at 12 o'clock, at the age of 6 years, 5 months and 7 days.

Janet was a sunbeam, not only in her own home, but also in the homes of relatives and neighbors. She had a sweet disposition, and was a very bright child. Singing was her great delight, and she could sing well and without error several of the church hymns, one of her favorites being "Will There Be Any Stars in My Crown."

She leaves to mourn their loss a father, mother, and one brother, and many relatives and friends.

She has gone to the happy land, there to lift her sweet young voice in praises to Him who has said "Suffer the little children to come unto me, and forbid them not, for of such is the Kingdom of Heaven."

CARD OF THANKS.

We wish to thank our neighbors and friends for the kindness during the sickness and death of our little girl, and thank those who sent flowers, and to Rev. Barngrover, and Mrs. George Hartman and family for kindnesses and sympathy at the funeral.

MR. AND MRS. WILBY HARDEN.

MARY A. TENNYHILL.

Mary A. Frasch, daughter of Fred and Barbara Frasch, was born in Wertenberg, Germany, February 29, 1880; was married to John Tennyhill May 7th, 1890.

To this union was born eleven children, three sons and eight daughters. Three daughters and one son have preceded her to the other world. There are five daughters and two sons, twenty-one grandchildren and three great-grandchildren left to mourn her departure. She united with the M. E. Church when eighteen years old and remained a faithful christian until her death.

The good woman whose departure from among us we are called to mourn was one of those great ministering angels whose kindness and gentleness to those in sorrow and distress, came as benedictions along the quiet paths of her life.

During the civil war, when her husband was at the front, she maintained with incessant motherly care her helpless family, and still found the time to give, not only words of comfort, but a helping hand to all those in trouble and distress who came within the sphere of her acquaintance.

Her home, and its surroundings was a bower of beauty, and the flowers that glorified her yard and garden were typical of the charities which blossomed in her maternal bosom.

She was not a woman widely known. Hers was a home life and her acquaintance was limited to a near neighborhood and a reach to those where a hand of help or a word of comfort might lighten the cares of the sick and sorrowing. Her life was gentle and her mission well fulfilled. Her graces along the quiet path of her maternal and neighborly life, bear a rich heritage, and will follow like

angels, guarding her tomb.

May her memory be held in fondest remembrance, and the example of her good life be a benediction upon those who mourn and survive her.

First Number On The Lecture Course, November 12.

The first number on the Lecture Course for the coming year is by Hendrickson and Rosani, wonder workers and novelty entertainers. This is undoubtedly the grandest novelty entertainment on the lecture platform and no lecture course in the county can offer a better entertainment of the same character. The sleight-of-hand and tricks in magic are exceedingly difficult and can be done only by skilled and well practiced hands.

The impersonation of prominent characters, the juggling, the smoke and shadow pictures all combine to make an entertainment of exceptional interest and merit.

With Hendrickson and Rosani as novelties; with Frank Dixon and Frank G. Smith as lecturers; with the Dunbars and the Bergelt Concert companies. The lecture course for the coming year is an exceptionally strong one. Almost all of the season tickets have been sold, but a few may be secured of the teachers in the public schools.

Football

Agitation for the abolition of football generally follows a fatal accident on the gridiron. It will be so now since a West Pointer has succumbed to the rigors of the game. There will be the usual charges that the sport is a brutal and brutalizing one, such as those which resulted several years ago in the abandonment of the game at Columbia and Union universities in New York state. Accidents such as those of Saturday at West Point are deplorable, but it is extremely doubtful whether the result will be a curtailment of the game to any extent, even though the form in which it is now played, the massing of the eleven and the like, conduces to serious mishaps. Furthermore, many other popular sports suffer from practically as large a percentage of fatalities, baseball and automobile racing being among the more prominent of these.

Saw it Just in Time.

Sunday about 1 o'clock, Clifford, the 5 year old boy of Homer Cruise got a match and went to the barn, and lighting it the wind carried the blaze right to the straw and leaves, which made straight shoot for the barn. Mr. Cruise was going from the spring with a bucket of water for his hogs, he saw the smoke and ran out with the water and by such means saved the barn and contents which would have been in fire in a few minutes.

A PUBLIC BENEFIT

Logan People Greatly Interested in the Generous Offer of F. S. Case and Opera House Drug Store.

The people have already demonstrated that they would rather trust a man who is naturally honest than one who is honest only because he had to be.

The F. S. Case and Opera House Drug Store have a firmly established reputation for square dealing and sterling honesty. When they told the people that Rexall Remedies are the purest and most dependable medicines that it is possible for modern science to produce, and that they would tell the public what each one of these 300 or more remedies contained, and that they sold Rexall Remedies on their personal guarantee that they would give entire satisfaction or they would not cost the user a single cent, they were believed.

Ever since this announcement the F. S. Case and Opera House Drug Store has been largely patronized by people buying Rexall Remedies, all of which proves that this store has the confidence of the people and that honesty is the best policy.

There is no "cure-all" among the Rexall Remedies. There are different and separate medicines, each one devised for a certain human ailment or a class of ailments closely allied. For instance Rexall Dyspepsia Tablets are recommended for the positive relief of stomach irritation, indigestion, flatulency and dyspepsia. They are rich in Bismuth-Subnitrate, Pepsin and Carminatives. They are prepared by special processes which perfect and enhance the great remedial value of these well-known medicinal agents. This remedy sells for 25 cents, 50 cents, and \$1.00 per package. Every one suffering from stomach disorder should try Rexall Dyspepsia Tablets, inasmuch as they cost nothing if they do not satisfy.

Remember, The F. S. Case and Opera House Drug Store are the only stores in Logan where these remedies may be obtained, and every one in need of medicine is urged to investigate and take advantage of the frank and generous manner in which they are sold,
