Our latest JOURNAL can always be
found at MR. WASSON'S Book Store.

Five State cases have been nollised
at this term of the Court.

Its thickness in thickness has
been passing here at intervals
during the past week.

One of our valued correspondents
tells of the Chesire robbery. The
 thief captured successfully with the
 "wing."

The cold wave lingers. Tuesday
morning the thermometer marked
zero.

We are proud of our country cor-
respondents. We have just cause
for being a little vain over them.

The criminal docket in the Court
of Common Pleas is set to commence
next Monday.

Five of the vagrant ignobility are
in jail, viz: HITCHINGS, ATKINSON,
MYERS, VINNY and SUTTOR.

The remnant of stock of boots
and shoes belonging to O. HALL was
sold out at Assignee's sale on Thurs-
day.

JUDGE FERARD left on Sunday for
McArthur to open court. He and
Judge De HADWAY simply exchange
benches.

MORE NEPOTISM.—It is announced
on the street that our Congressman
will run his father for Mayor. This
sort of family favoritism is becom-
ing too common.

MR. C. H. MCCORMICK has sold
his store to Mr. J. T. HALLIDAY.

FRIDAY and Saturday evenings the
Black Diamonds perform in Ale-
shire Hall. Programme is a good
one, and some rare amusement may
be looked for.

We should have written *Rudolph
Comptroller* last week in place of
Reuben.

On Monday Mr. HUNT retired from
a faithful service of sixteen years in
the Clerk's office. He is succeeded
by Mr. SISKOK. Mr. JOHN T. HAM-
PSON continues as Deputy.

MR. W. D. GRAHAM was at Vicks-
burg last week. He is selling apples
at from \$2 to \$3 50 per barrel; po-
tatoes, from \$3 25 to \$3 50 per bar-
rel, and flour at \$6 00/50.

MR. SAMUEL DRAKE, of Walnut
township, is on the petit jury of the
United States Circuit and District
Court, at Cincinnati, for the Febru-
ary term.

We understand that both parties
will be ready this term of Court to
try the case of the State of Ohio
against SAMUEL J. LANGLEY.

TIPPETT of the *Register*, palmed a
foul deck upon a steamboat Captain,
a few evenings since, and it wasn't a
cold one either.

THE tobacco box presented to Mr.
HUNT was made of silver and lined
with gold. It cost \$35, and was
made on order from Mr. SHORER
of DENNE & Co., of Cincinnati. On
the top of the lid was engraven
"JOSEPH HUNT," on the inside of the
lid was, "Token of esteem by the
Bar and Officers, Gallia County,
Ohio, February, 1875."

OUT of a class of 23 before the Board
of School Examiners, last Saturday,

Relief for Kansas.
"We, the undersigned, citizens of
Gallipolis and Gallia county, feel that
something should be done by our
people for the sufferers in the de-
vastated portions of Kan and Nebr-
ska, and therefore ask our citizens to
come together at the Court-house, on
Friday evening, Feb. 12, 1875, at 7
o'clock, to devise ways and means
for the relief of the destitute and
suffering in those States. We earnest-
ly invite every one to meet with us
on that occasion, and to do his ut-
most for those in distress and want."
[The call is signed by a large num-
ber of our leading citizens, but we
are compelled by want of room to
omit them here.—Ed.]

Presentation to a Worthy Om-
cer.

An interesting scene occurred in
the Court Room Monday morning.
The occasion was the presentation of
a massive silver Tobacco Box to Mr.
Hunt, upon his retirement from the
duties of Clerk, a testimonial of the
members of the Bar and others. S.
A. Ash, Esq., made the presentation
speech as follows:

Sir: When the public servant, after
fifteen years of service, may truthfully
be said that he has been faithful and
just in the discharge of every public
duty during that half a generation of
years, it is a memorial richer than gold,
the foundation of a fame that shall out-
live that can be conferred by sculp-
tured marble monuments and costly
massive monuments erected over the
dead.
Sir: Your fifteen years and over of
official duty as Clerk closes to-day.
Those who, during those years, have
known you best, those who have been
nearest about and associated with you,
the members of the bar and the officials
of your own county—have authorized
me to say to you on retiring this
morning, that that service has been per-
formed faithfully and uprightly; and
as an evidence that they do not lie,
that they do not flatter, they have directed
me to hand you this, a memento of it-
self, but which is presented to and ac-
cepted by you as their sign-manual that you
are an honest man, that you leave no
spot on your record, it is a thing of value
beyond all price, and which will be treas-
ured together with your business, trick-
ery and fraud. Receive it, Sir, not
merely as a kindly memorial of its do-
nor, but as an evidence of a higher and
truer truth; that it is only by strict
fidelity in the discharge of every duty
that the official can have any claim upon
the respect and confidence of his coun-
trymen.

MR. HUNT responded as follows:

MR. NASH, AND THOSE WHO
REPRESENT: You will not expect me
to reply in a speech of any length, as you
are all well as usual, and I have a
life of action and not of words. I will
merely thank you for this very unex-
pected expression of your appreciation
and approval of my services; and I will
further thank you for the presence of
public and official life. I have not found
the paths of that life either strewn
with flowers or paved with gold. But
to have the assurance of the members of
the bar of Gallia county, and the coun-
ty officers and my constituency and
friends generally, that I have perform-
ed my duty as faithfully as a higher and
truer satisfaction and approval, is to me
a greater reward, yea, a greater and
more lasting source of pleasure, than gold
and silver in abundance. This pres-
ent and token of your esteem, I receive
with gratitude to the givers, and it shall
be by no sacredly kept to remind me
in after years of the happy events and
feelings of this day. And as some of you
are about to enter upon new duties,
and assume new responsibilities, I wish
you great success in your official cap-
acity, and as in the walks of life. And,
gentlemen, I wish you, one and
all, a long life of prosperity and happi-
ness; and at last, when the pleasures
of this world are fading from your vision
and life's journey is near its close, my
prayer is that the close of each and
all of your lives may be as the setting
of a summer evening's sun, in peace and
serenity.

Resolutions were also entered
upon the Journal of the Court bear-
ing testimony to the uniform fidelity
and correctness with which Mr.
HUNT has discharged the duties of
the office.

cident claims paid, is \$2,075,409. Of
about seventy Accident Companies
started from 1864 to 1868, the Travel-

To the Afflicted. No matter un-

there is one great truth you should keep
in mind: All disease originates in an
impure condition of the blood. Purify
that, and the disease must depart; but
you cannot purify the blood by the use
of poisonous drugs, and exhausting
stimulants. The best Blood Purifier

that is certain to cure. It is a satisfaction
to know that a person is safe from the
dangers of these diseases—all you need do,
is to go to your Druggist and get a bot-

three doses will relieve you at once. If
you doubt what we say in print get

VEGETINE

Purifies the Blood, Renovates
and Invigorates the
whole System.

Its Medical Properties are
ALTERNATIVE, TONIC, SOLVENT AND
DIURETIC.

VEGETINE is made exclusively
from the juices of carefully selected
herbs, roots and leaves, and is strong-
ly concentrated, that it will effectually
eradicate from the system every taint of
Scrofula, Scrofulous Humor, Tumors,
Cancer, Cancerous Humor, Erysipelas,
Salt Rheum, Syphilitic Diseases, Canker,
Faintness at the Stomach, and all dis-
eases that arise from impure blood,
Sciatic, Inflammatory and Chronic
Rheumatism, Neuralgia, Gout and Spin-
al Complaints, can only be effectually
cured through the blood.

For Ulcers and Eruptive Diseases of
the Skin, Pimples, Blotches, Boils,
Tetter, Scaldhead and Ringworm,
WERTZ has never failed to effect a
permanent cure.

For Pains in the Back, Kidney Com-
plaints, Dropsy, Female Weakness, Leu-
corrhea, arising from internal ulceration,
and uterine diseases and General
Debility, Vegetine acts directly upon
the causes of these complaints. It in-
vigorates and strengthens the whole sys-
tem, acts upon the secretive organs, al-
ways inflammation, cures ulceration and
regulates the bowels.

For Catarrh, Dyspepsia, Habitual Con-
stipation, Palpitation of the Heart, Head-
ache, Piles, Nervousness and General
Prostration of the Nervous System, no
medication is so beneficial as Vegetine. It
purifies the blood, cleanses all of the organs,
and possesses a controlling power over the
nervous system.

The remarkable cures effected by Veg-
etine have induced many physicians and
apothecaries who we know to prescribe
and use it in their own families.

In fact, Vegetine is the best remedy
yet discovered for the above diseases,
and is the only reliable BLOOD PURI-
FIER yet placed before the public.

PREPARED BY
H. B. STEVENS, Boston, Mass.

WHAT IS VEGETINE?—It is a com-
pound extracted from herbs, roots and
leaves of the vegetable Kingdom. It is
perfectly harmless from any bad effect
upon the system. It is nourishing and
strengthening. It acts directly upon
the blood, it quiets the nervous system.
It gives you good, sweet sleep at night.
It is a great panacea for our aged fathers
and mothers; for it gives them strength,
quiets their nerves, and gives them the
peace of mind which has been proved
by many an aged person. It is the great
Blood Purifier. It is a soothing remedy
for our children. It has relieved hun-
dreds of thousands. It is very pleasant
to take; every child likes it. It relieves
and cures all diseases originating from
impure blood. Try the VEGETINE. Give
it a fair trial, and you will say to your
friend and acquaintance, "Try it; it has
cured me."

Vegetine for the complaints for which
it is recommended, is having a larger
sale throughout the United States than
any other medicine. Why? Veg-
etine will cure these Complaints.

VALUABLE INFORMATION.

BOSTON, Dec. 12, 1869.
Gentlemen—My only object in giving
you this testimonial is to spread valua-
ble information. Having been badly af-
flicted with Salt Rheum, and the whole
surface of my skin being covered with
pimples and eruptions, many of which
caused me great pain and annoyance,
and knowing it to be a blood disease,
I took many of the advertised blood pre-
parations, among which was any quantity
of Sarsaparilla, without obtaining any
benefit until I commenced taking the
vegetine, and before I had completed
the first bottle I saw that I had got the
right medicine. Consequently, I took
the second bottle, and before I had com-
pleted it I saw that I had taken seven
bottles, when I was pronounced a well
man, and my skin is smooth and entire-
ly free from pimples and eruptions, and
I feel better than I have for many years
before, and I attribute it all to the use
of Vegetine. To benefit those afflicted
with Rheumatism, I will make mention
also of the Vegetine's wonderful power
of curing me of this acute complaint, of
which I have suffered so intensely.
