T. N. WILSON.

We are indebted to Capt. FRED. FORD for favors.

There will be no levy for the new Cemetery this year.

Council allowed bills last week amounting to \$474 65.

Mr. D. W. DAVIES, of the Riverside Dairy, runs a nice milk wagon.

SEE advertisement of Stock Sales.

The tow-boat Jos. Warren left a load of coke here, Thursday for our Foundry men.

The tow-boat Mount Clare, on Thursday, left a barge here to go on the docks.

The late Mr. X. BRANDSTETTER had \$1000 insurance on his life, payable to Mrs. B.

The High Sheriff will sell some land on Saturday. Look over the sales, and see what you want.

A Levy of one-half mill for road purposes has been made by the city Council.

TRAINS on the Scioto Valley Railroad are expected to be running into Chillicothe by June 1.

The city ordinance relative to licensing vehicles must be enforced, say the Council.

The administrator of Mr. X. BRANDSTETTER started the Brewery on Monday, to work up the stock on hands.

MR. JOHN KERNS and lady left on Saturday for Missouri on a visit, and to see the scenery.

CAPT. S. H. SMITHERS, of Detroit, Mich., is in the city on a visit to relatives and friends. He is on his way to the Centennial.

PERSONAL.—THOS. CHERINGTON, Esq., of Ironton, and Capt. OAKES, of the Crawford House, Cincinnati, were in the city the past week.

The following Supervisors have been confirmed by Council: District 5, Jacob Knight; No. 3, W. H. McCormick; No. 1, E. L. Wood; No. 4, Charles Beckhart.

A GRAND German Ball comes off at Aleshire Hall, June 5th. The floor managers are Messrs. E. GEISLER, A. UHRIG, GUSTAVE VOLLMER, P. J. KRAUS and CHAS. STOCKHOFF. Entrance, \$1.

Business.

For the 24 hours ending last Thursday evening, 18 steamers landed at our wharf, three of the number mail boats. During the same time, 22 tow-boats passed.

The dwelling house of Mr. JOHN HALL, residing in Walnut township, was destroyed by fire last Thursday. House and contents total loss, which amounts to about \$800. The origin of the fire is unknown.

MR. JAS. HARPER left on the steamer Hudson, Sunday evening, to pay his accustomed annual visit to his aged mother. The old lady has attained her 82d year, and is the daughter of Dr. ROBERT WILCOX, a surgeon in the war of the American Revolution, who demised in the year 1812.

There was a dance at Vinton Friday evening, and an entertainment at Cheshire Saturday evening.

MR. H. C. WOODWARD has resigned his position in the wholesale house of Jno. T. HALLIDAY & Co. and returned to Middleport.

CAPT. JOHN THORNBERG is building a new packet. The boat will be 150 feet long, and 30 feet beam, and is to have the Clara Scott's machinery.

The new steamer St. James was launched at Madison last week. She is expected to be a model of beauty when completed, and fast.

GALLIPOLIS hens are patriotic—have caught the Centennial enthusiasm. We were shown a few days since an egg, on the point of which was plainly marked the letter C. Another had the letter I as distinctly marked. We interpret this to signify that the "independent" press is right in urging the Republicans to nominate Hinshaw.

EROS, HILL & Co. are erecting a fire proof building for the storage of their patterns.

Railroad.

President Griggs, of the Michigan & Ohio Railroad Company, while in our city last week, left a mortgage executed by the M. & O. R. R. Co. to the Farmers' Loan & Trust Company of New York, as Trustee, for \$15,000,000, for record.
Mr. Griggs had several talks with prominent men in the city, and we understand that he will raise the money, on this mortgage, in Europe, for the building of our road, upon his return to the Orient.

MESSRS. R. ALESHIRE and E. L. MANAGER made application for an injunction against the city Council putting scales on the Public Square to Judge KNOWLES, on Thursday. The Judge granted it, and now all is so still round about the proposed location that you can hear a gun drop.

DURANCE vile is bad, inasmuch as it is confining. You are shut off from spring chicken, tenderloin steak, broiled shad and champagne. It is good that no bills are presented. It is bad if you are bereft of the companionship of a new wife.
One of the boys about town had fraudulently contracted a debt, and was lodged in jail on Saturday, in default of the necessary goods. The rigors of the law snatched him from a new wife. He felt no interest in judicial proceedings at that time. Sunday in jail could not be endured, and must be cured. The Commissioner of Insolvents was appealed to, and the train are now supremely happy.

The Alton City Salt Furnace, on the Kanawha, has blown out, owing to the low price of salt. Several other Kanawha furnaces contemplate blowing out from the same cause.

MR. HUGH PRYMALE, Jr., was elected Magistrate, in Clay township, Saturday.

Not Wanted.

The Mayor sent to Council, last week, three new names for wharfmaster, to-wit:—A. McCafferty, G. D. McBride and ALONZO J. LOWRY. They followed the fate of Mr. COWDEN—rejected. In the meantime Mr. COWDEN acts as Wharfmaster. We fear the members of the Council have a hobby.

EMANUEL, son of Mr. GEORGE RUPP, of Cheshire township, aged about eighteen years, was adjudged insane by the Probate Court, on Wednesday, and ordered to be taken to the Asylum. No particular cause is assigned for the derangement.

One of the Boys.
The case of the State vs. CHARLES RADEKIN, for entering a tobacco house, which was tried at the recent term of the Court of Common Pleas, was taken to the Supreme Court, and a motion made for an allowance of a writ of error, which motion was overruled. The court say:

A tobacco house—a building erected upon a farm for the purpose of storing and drying tobacco, and used for that purpose—may be the subject of burglary under the act defining that crime, and may be described in the indictment as a "bar."

The result is that RADEKIN will have to serve out his term—two years.

Our police got acquainted with Marshal MUSHOWER, of Ironton, last week, and pronounce him a man of the right kind of kidney.

TIPPETT, of the Point Pleasant Register, was among us on Thursday. Our readers may know that the man with the longest toe-nails in West Virginia still lives. TIPPETT's heart, however, is large and correctly located.

PICKINGS.—Taxes are payable now... Dust without limit last week... Saturday they came in and traded... A. Mocu has a neat, new sign... New spouting being put on the DuFour House... New metal roof has been put on the NEAL-MAGNET block... New silver dimes floating hereabouts now... Soda fountains sizzling... Is the Public Square to be a cow pen?

OMAHA, May 2.—A fire at Cozad City Neb., on Saturday night last, destroyed a large frame hotel and hardware store, and adjoining at about 2 o'clock. All the inhabitants of the hotel barely escaped with their lives, with the exception of Mr. J. O'Neal, formerly of Columbus, Ind., who was burned to death.

The Hardware Store belonged to Mr. A. MCINTYRE, late of this city. His loss, over insurance, is about \$1,500.

MR. JOHN W. GILLMAN, of Chicago, is at home on a short visit.

A Sunday School will be organized at the Mill Creek School House next Sunday at 2:30 P. M.

Mrs. W. L. JAMES (nee Morrison) died at the residence of her husband, in Green township, Tuesday morning.

Mrs. ROBERT S. BUCKLE, of Point Pleasant, died suddenly of paralysis Saturday morning.

DANIEL BECK, of Green township, is the champion plowman. With a single two-horse team, he turned over ten acres in four days! Who beats it?

MARRIED.

HAMILTON—HALLIDAY.—In this city, at the residence of the bride's father, Mr. Laing Halliday, May 9th, 1876, by Rev. Walter Mitchell, ROSSER H. HAMILTON and ALICE E. HALLIDAY.

Neighborhood News.

Mr. and Mrs. Frank A. Guthrie, of Point Pleasant, celebrated their tin wedding on the 28th ult. Mrs. Guthrie was formerly Miss Clara Van Gilder, of Cheshire. The presents were many and handsome.

Ironton Journal.—Why the Democrat should resolve to support John L. Vance for a second term in Congress, when such superior ability as Ralph Lee is lying around idle is beyond our comprehension. Mr. Lee is a more Legislative ability than a ten acre field full of Vances.

Ports Times.—The African M. E. Conference, in session at Xenia, made the following appointments in Southern Ohio: Chillicothe, G. H. Shaffer; Portsmouth, J. A. Nelson; Gallipolis, L. Woodson; Marietta, Damon Huston; Hillsborough, H. W. Toney.

J. C. Bishop, C. C. Mauck, C. J. Vincent and J. S. Bradbury are members of the Middleport Fire Company.
We learn that the Foresters of this vicinity will have a grand celebration in Gallipolis on the 17th of May. Middleport Republican.

Mrs. E. Rice, for two or three years past of the Ripley House, this city, has removed to Pine Grove, Gallia county.—Same.

Judge William Ledlie, the backbone of the Democracy of Meigs county, called on us Saturday, and we had a very pleasant interview, and felt all the better for the acquaintance; albeit, he is one of the stiffest Democrats we ever met. We tried hard to convince him of the error of his ways; but he is seventy four years old, and very much set, and we failed to make any impression on him. In fact, we are not sure but that the impression came from the Judge. It is fourteen miles from this place to where he resides; and living so far from the centre of intelligence may account somewhat for the density of his politics.—Same.

A certificate was filed with the Secretary of State Saturday, changing the route of the Michigan and Ohio railroad so that it will run through the counties of Franklin, Pickaway, Fairfield, Hocking, Vinton and Gallia, terminating at some eligible point on or near Gallipolis.—Ohio State Journal.

Forty applicants were before the Board of Examiners last Saturday. Twenty certificates were granted, as follows:

This Beats All!—T. B. Putnam, Covington, Pa., was cured of kidney disease by using only half a bottle of WHEELER'S PINK TABLETS. CORNELL, while Mr. Packard (druggist in same town) was also benefited by what remained in the bottle! Thoroughly cures Sore Throat and Diseased Lungs!

Call on Mrs. ROBINSON for a good plate of ICE-CREAM; she has again opened her store for the season, upstairs, between F. J. Zehring's grocery store and the book-store, in the apartments formerly occupied by the Lotus Club.

HAAS' EXPECTORANT.—The Great Remedy for Coughs, Colds, Consumption, and all Diseases of the Throat and Lungs. Will Cure, and often when apparently hopeless. We do not mean to say that when the Lungs are destroyed any medicine can create them anew. But we do say, that if a person has a Violent Cough, Night Sweats, Creeping Chills, is confined to bed, a cure may be effected. One bottle may not complete the work, but if the patient continues the use of the EXPECTORANT, taking it regularly, relief will soon be obtained, and a Cure made.

HAAS' EXPECTORANT IS PURELY VEGETABLE, Safe and pleasant to take. And its extraordinary virtues make it the Best Medicine for Pulmonary Complaints extant. Try it! PRICE 50 CENTS. Sold by all Druggists.

What General Refsnyder Says: J. B. DANIEL & Co.—TRENTON, N. J. Dear Sirs:—I have used HAAS' EXPECTORANT in my family for 30 years, and having the experience of knowing its great merits, do gladly recommend it to all sufferers with those distressing complaints, for which it is intended.

Good Stock.

I WILL be glad to show the fine-bred Horses,

GEORGE M. PATCHEN,

to the farmers of this vicinity. For size, weight and color are in his favor—bright bay, 16 1/2 hands high, weight over twelve hundred pounds; a good stepper in harness. If any doubt his moving qualities I would be glad to convince them that what I say is so. Horsesmen should raise horses for profit. A good horse, of fine appearance will always sell and this renders it important to give attention to good breeding; and this horse comes to us with a pedigree that can not be disputed.

The stock will be seen at W. H. McCORMICK'S Stable, during the season, in Gallipolis.

Centaur Liniments.

The Quickest, Surest and Cheapest Remedies.

Physicians recommend, and Farmers declare that no such remedies have ever before been in use. Worms are cheap, but the proprietors of these articles will present trial bottles to medical men, gratis, as a guarantee of what they say.

The Centaur Liniment, White Wrapper,

will cure Rheumatism, Neuralgia, Lumbago, Sciatica, Caked Breasts, Sore Nipples, Sore Feet, Chills, Swellings, Sprains, and any ordinary

FLESH, BONE OR MUSCLE AILMENT.

We make no pretense that this article will cure Cancer, restore lost bones, or give health to a whiskey soaked carcass, but it will always reduce inflammation and allay pain.

It will extract the poison of bites and stings, and heal burns or scalds worn out by a scab. Palsy, Weak Back, Caked Breasts, Earache, Toothache, Itch and Cutaneous Eruptions readily yield to its treatment.

Henry Black, of Ada, Hardin Co., Ohio, says: "My wife had rheumatism for five years—no rest, no sleep—could scarcely walk across the floor. She was now completely cured by the use of Centaur Liniment. We all feel thankful to you, and recommend your wonderful medicine to all our friends."

James Hurd, of Zanesville, O., says: "The Centaur Liniment cured my Neuralgia."

Alfred Tush, of Newark, writes: "Send me one dozen bottles by express. The Liniment has saved my leg. I want to distribute it, &c."

The sale of this Liniment is increasing rapidly.

The Yellow Centaur Liniment

is for the tough skin, flesh and muscles of

HORSES, MULES AND ANIMALS.

We have never yet seen a case of Spavin, Sweeney, Ring-bone, Wind-gall, Scratches or Poll-evil, which this Liniment would not specifically benefit, and we never saw but a few cases which it would not cure. It will cure when anything else fails. It is fully as good for a Farrier, when one dollar's worth of Centaur Liniment will do better. The following is a sample of the testimony produced:

W. P. Hopkins, Postmaster, Piqua, O., writes: "Centaur Liniment can't be beat. It cures every time."

YELVERTON, O., March 3, 1874.

"The Centaur Liniment are the best selling medicines we ever had. The demand is very great for it, and we cannot afford to be without it."

P. H. HISEY & SON,

JEFFERSON, Mo., Nov. 10, 1873.

"Some time ago I was shipping horses to St. Louis. I got one badly crippled in the car. With great difficulty I got him to the stable. The stable-keeper gave me a bottle of your Centaur Liniment, which I used with such success that in two days the horse was active and nearly well. I have been a veterinary surgeon for thirty years, but your Liniment has cured anything I ever saw."

A. J. McCARTY, Veterinary Surgeon.

For a postage stamp we will mail a Centaur Almanac, containing hundreds of certificates, from every State in the Union. These Liniments are now sold by all dealers in the country.

Castoria.

Dr. Samuel Pitcher, of Hyannis, Mass., experimented in his private practice for twenty years to produce a combination that would have the properties of Castor Oil without its unpleasant taste and griping effect, and he succeeded.

His preparation was sent for, near and far, till finally he gave it the name of Castoria, and put it up for sale. It is very wonderful in its effects, particularly with the disordered stomachs and bowels of children. IT ASSIMILATES THE FOOD, cures sour stomach and wind colic, regulates the bowels, expels worms, and may be relied upon in all cases.

As a pleasant, effective and perfectly safe cathartic remedy it is superior to Castor Oil, Opium and Syrup. It does not contain alcohol, and is adapted to any age.

By regulating the stomach and bowels of babes and sickly children they become good-natured and healthy. THEY CAN ENJOY SLEEP and mothers HAVE REST. The Castoria is put up at the Laboratory of J. B. ROSE & Co., 40 DEY STREET, NEW YORK.
