SICILY.

The young lady friends of Miss Amanda Huggins, who is an invalid, made her a please ant surprise lately,

Seeding mostly done. A number of our farmers have added bone dust and superphosphate in sweing their wheat. We have had good growing weather, and wheat is looking well around here.

Early and Janesville as his "best Hope our young people will think more so-black varieties."

Hope our young people will think more so-therly about marrying, as a number of them have not lived long together.
