To the Public. COLLEGE PARLOR, June 15, 1887.

The Board of Trustees of the Hillsboro Female College, after a careful survey of the work of the academic year, desire to make the following minutes with reference to the administration:

We recognize with pleasure the scholastic attainment and executive ability of the President, Rev. Dr. W. C. Helt, and his accomplished assistants upon the staff of the College, and a few days before the opening of the session, and best with many serious obstacles, they evinced a courage, industry and ability that command respect and deserve success.

Plans are maturing that will greatly enhance the already excellent facilities of the College, and at present we point with pleasure to the substantial College building. All these, together with the social life of the College, are calculated to give a delightful and home-like environment to the pupil. This edifice is better prepared than ever to offer a practical and classical education to its patrons, under pure, healthy and Christian influences. We confidently expect that its halls will be thronged with pupils, and urge the public to aid us in securing this result.

The next term opens Tuesday, September 6th. Correspondence, which is kindly solicited, should be addressed to Rev. Dr. W. C. Helt, JOHN M. BOYD, Secretary.

J. H. THOMPSON, D. W. CLARK, Chairman. Committee to draft the same.

Scrapped at Lynchburg. NEWS-HERALD Special.

LYNCHBURG, June 8, 1887. A magnificent game of ball was played here Friday between the Hillsboro and Lynchburg clubs. The home team outplayed the visitors in all points. They batted Merkle very hard, while the visitors were unable to secure but a few scattering hits off of Murphy's delivery. Thompson's 2d base work was the feature of the game, while R. Murphy's 1st base playing, D. Murphy's pitching and Day's catching was excellent. Day, the promising young catcher of the Lynchburg nine, bids fair to rival "Doc" Bushong or Jimmy Keenan as champion catchers. Minizer, on third, did well. Foraker and Schermer did the best work for the visitors. Merkle was knocked out of the box in the fifth inning, and Mullenix took his place in the sixth, but was no better, and Merkle was reinstated in the 8th. Quite a number of people witnessed the game.

G. A. R. At a special meeting of J. M. Barrere Post, No. 206, G. A. R., held Saturday evening, June 18, 1887, the following preamble and resolutions were passed:

WHEREAS, it appears by order of the Adjutant General of the U. S. Army that Grover Cleveland, by virtue of his position as President of the United States, did presumptuously assume the right to dispose of battle flags captured by Union forces from various regiments and bodies of soldiers lately in rebellion against the Government, and without consultation with the law-making power of the Nation to return said flags, some of which are stained with the blood of brave Union soldiers who captured them, therefore, be it

Resolved, By the U. S. G. A. R., that in and by the fact that he has succeeded in carrying out the same, he has forfeited the esteem of every faithful Union soldier, and has given unpardonable offense to the loyal citizens of the country, and has shown utter inability to appreciate the motives which induced patriots to enlist for the preservation of the Union.

Resolved, That in view of the expected presence of President Cleveland during the National Encampment of the G. A. R. at St. Louis, it be requested to remove the encampment in September next from St. Louis to some other city, therefore, be it

Resolved, That we hereby endorse the action of our department officers in their telegram to the Governor of Ohio against this attempted encampment, and we request that the Governor of Ohio be requested to remove the encampment in September next from St. Louis to some other city, therefore, be it

Resolved, That copies of these resolutions be sent to Headquarters of Department of Ohio and to Governor Foraker.

Resolved, That copies of these resolutions be sent to the News-Herald, Hillsboro Gazette and Cincinnati Gazette for publication.

CONRAD MULLINX, COMRADE CARSON, Committee on Resolutions.
