**City Council:**

The subject of the sale of the city bonds was brought up. There had been some telephonic communications between the Solicitor and the brokers and it was decided that unless the bonds were accepted Tuesday the deal should be off.

The manager of the planting of the poles said it was the custom every place else to put the poles inside the curb. Mr. Hilton believed in the greatest good to the greatest number. It would be impossible to suit everybody. Mr. Utman thought the proper place for the poles was just inside the curb. A motion to place the poles just inside the curb was carried.

Adjourned until Tuesday at 7 pm. TUESDAY EVENING.

The plat of the W. H. Walker addition was accepted and approved.

No word having been received from the prospective purchasers of the bonds, the Council adjourned until Monday evening. The Clerk was instructed, in the mean time, to notify the parties that the transaction must be closed by that time.
