"Great Scott! What's the matter?"  
"The water pipes have burst, and my beautiful persian rug will be ruined."  
"Let the plumber go. It'll be cheaper to get a new rug."

First Doctor--That's not likely. It would have to be something large enough entirely to obstruct the air passage, you know.  
"Did the minister die resigned?"  
"Not him. He died, but blamed it we could get him to resign."
