

HAVE YOU CATARRH?
Breathe Hyomei and Relief and Cure Will be Guaranteed.

If you have catarrh, with offensive breath, burning pains in the throat, difficulty in breathing, raising of mucus, discharge from the nose, tickling or dropping from the back of the throat, coughing spasms, etc., begin the use of Hy-o-mei at once.

Hy-o-mei is made from nature's soothing oils and balsams and contains the germ-killing properties of the pine woods. Its medication is taken in with the air you breathe, so that it reaches the most remote part of the respiratory organs, killing all catarrhal germs and soothing any irritation there may be in the mucous membrane.

The complete Hy-o-mei outfit costs but \$1.00; and W. R. Smith Co give their personal guarantee with each package that money will be refunded unless the treatment does all that is claimed for it.

Oklahoma, Indian Territory, Texas, Arkansas, South-eastern Kansas and Southern Missouri combined received an investment of about \$31,000,000 in farm property last year from new settlers. These new settlers numbered about a quarter of a million, and they took up about 2,000,000 acres of land.

THE MASK OF HEALTH.

Few People Are Really as Well as They Look. Cause and Remedy.

Many people in Hillsboro, both men and women, who believe themselves to be in perfect health, are often in the greatest danger.

The most common cause of ill health is indigestion, with a myriad of symptoms such as headache, sleeplessness, specks before the eyes, pains in the back and side, distress after eating, etc.

In the last few years the success of physicians everywhere with Mi-o-na stomach tablets has made them known far and wide as the acknowledged specific for the treatment of stomach diseases. They strengthen the digestive organs so that in a few days the stomach is in such shape that it takes care itself of all the food that is eaten without pain or distress.

W. R. Smith Co. give an absolute unqualified guarantee that your money will be refunded unless Mi-o-na cures. They take the whole risk and the remedy will not cost you a penny unless it cures you.

CARMEL.

July 15, 1907.

Threshing will commence here this week.

Annie Keelor, of Rainsboro, visited over Sunday with her sister Ella Holladay.

Miss Maud Simpson is making an extended visit with relatives at Xenia.

Miss Tenie Eubanks has returned from a visit with her sister at Elmville.

Will Keelor is employed to teach the coming school term near Dodsonville.

Master John Holladay is confined to the house with a badly sprained ankle.

J. A. McCoppin and wife and Harry McCoppin and wife, of Hillsboro, will spend several weeks at the McCoppin mill near here.

Mrs. Emma Sanders and bright little daughter, of the west, have been visiting her sister, Mrs. T. E. McCoppin and family. Mrs. Sanders was formerly Emma Lucas.

A London doctor, lecturing, said it was useless to tell a dyspeptic woman not to drink tea. The only thing to do was to give her some harmless stuff in a bottle to be taken every three hours, with strict instructions that she was not to have any tea for four hours before or four hours after each dose.

Railroad Education.

If the agitation concerning the railroads does nothing more it will educate the country up to some idea of what railroading means. The majority of the people seem to be under the impression that the receipts of the railroads from passengers and freight traffic must of necessity be large and therefore privileges should be given more cheaply. Governor Hughes, President Finley and many others who have common sense as well as knowledge of the matter and a sense of fairness have openly stated that legislation as well as agitation has been carried on, without either adequate knowledge or any attempt to gain any. Certainly the attacks made by shippers and demagogues have resulted in replies of far more value to the nation than the attacks could have warranted. W. J. Murphy, Vice President of the Queen and Crescent Route, in his reply to the statement of the Receivers' and Shippers' Association, of Cincinnati, is an example of this. His road was charged with earnings of \$2.82 per freight train mile, whereas other roads averaged \$1.89. On the face of this a demand would be made for reduction—it has already been made. Mr. Murphy points out what others have not known or have ignored, that the freight trains of that road are hauled by two engines instead of one, as is the case on other roads, entailing, naturally, far greater expense per freight train mile. Further it is shown by figures, that while expenses have increased in the cost of labor and materials during the past two years, receipts have actually shown a decrease per mile in freight as well as passenger returns. It is also clearly demonstrated that the majority of the earnings have returned into the property in the shape of extensions, improvements and other needed advancements. These matters should be given the same prominence in the various newspapers the country over which the criticisms receive. Evils which may have crept in must be corrected, but time alone will have to do that. In the meanwhile, the American sense of justice should hurry a little faster to the front, and Americans should not allow their most important industries to be played upon for political purposes.—Wall St. Daily News.

Obituary.

Mahala Roads, daughter of David and Barbara Roads, was born June 19, 1834, and entered into eternal rest July 2, at 2:20 a. m., aged 73 years and 12 days. She was happily united in marriage with Edwin Keelor July 31, 1851, and together they lived happily for almost fifty years when she was bereft of her companion. The first nineteen years of her married life was spent in Liberty township, the remainder in Paint township and the last six in Rainsboro. Six children were born to them and all are living: Oscar, of Carmel, Charles, of Greenfield, Ella Holladay, of Carmel, Newton, of Auncie, Ind., Elizabeth Selph, of Covington, Ky., and Anna at home. Of her father's family only one sister, Mrs. Sally S. Skeen, remains. At an early age she united with the M. E. Church and lived a true Christian. By sickness and falling health she was not permitted to attend church, but her faith in God remained true and steadfast. She was a kind, indulgent mother, often sacrificing self for others. She had been in declining health the last four years, but was never heard to murmur or complain. She suffered a stroke of paralysis June 23, from which she never recovered. All that kind and loving hands and good medical skill could do was done, but all to no avail, and she quietly and peacefully passed away Tuesday morning, July 2. The funeral was preached in the M. E. Church at Rainsboro Wednesday at 2 p. m. by Rev. J. H. Davis, assisted by Rev. McCollm, and interment in the cemetery at Dallas.

CARD OF THANKS
We wish to thank the friends and neighbors who aided us during the illness and death of our dear mother, Mahala Keelor; also Dr. O. C. Hook and the undertaker, D. M. Evans.
