**This Is An Easy Test.**

Shake Allen's Foot-Ease into one shoe and not in the other, and notice the difference. Just the thing to use when rubbers and overshoes become necessary, and your shoes seem to pinch. Sold everywhere, 25c. Don't accept any substitute.

"How far is it between these two towns?" asked the lawyer.

"About four miles as the flow cries," replied the witness.

"You mean as the crow flows."

"No," put in the judge, "he means as the fly crows."

And they all looked at each other, feeling that something was wrong.—Everybody's Magazine.

**Allen's Lung Balsam**

has been used successfully for years for deep-seated coughs, colds and bronchitis. Everybody should know about it. It is simple, safe and sure.

"Brass" stair carpet rods are, not brass, but are rods of iron cased with very thin tubes of brass. Much "copper" work is not copper at all, but coated iron. The part pure metals play in manufacture is nothing by comparison with their alloys in their many hundreds of combinations.

"Do you think a college education helps a man in business?"

"Sure. I've had two college boys here workin' for me durin' the last year, and I was afraid to discharge either one of 'em for fear they'd find fault with my grammar when I done it."—Chicago Record-Herald.

Little Bobby's Ma—Josiah, Bobby has been using slang again today.

Little Bobby's Pa—Now, see here, kid! You've got to cut it out! I won't stand for it! See?—Browning's Magazine.

**FIRE INSURANCE**

The Pennsylvania Fire Ins. Company, of Philadelphia, Pa., Assets of \$7,500,000.00

For 85 years they have paid their debts ("losses") without unjust deductions. Losses paid immediately on adjustment.

You should be as careful in selecting your Ins. Co. as you would be in selecting your bank.

GIVE ME A CALL

TRACTION BUILDING

**ROBERT D. McCLURE,** HILLSBORO, OHIO.

The cow had just jumped over the moon. "Why not, with beef and milk up in price," she demanded. Herewith she continued going higher.—Harper's Bazaar.

**Best Heavy Fence for the Least Money**

YOU who want heavy fence, here is good news. The Mason Fence Company right here at home in Leesburg is making a fence of No. 9 wire throughout. This means that you can now secure a heavy, strong, durable fence at practically the price you would have to pay elsewhere for a medium fence of half the weight. Why? Because buying direct from a home factory saves you all the freight charges of sending the fence along the line from the manufacturer, to the wholesaler, to the jobber, to the dealer, to you.

**MASON'S All Nine Fence**

gives you at least 25% better value for your money than any medium weight fence. It is made of No. 9 steel wire throughout, including the stay wires. Weighs 15 pounds to the rod instead of the medium galvanized 7. All wire is thoroughly galvanized and then put through a chemical test. Any section with defective galvanizing is immediately detected. Only that which is galvanized perfectly is used.

The result of the extra weight is remarkable strength. You can depend on Mason's All Nine Fence standing any kind of a shock. The result of the superior galvanizing is remarkable durability. No matter what the weather you can expect years of service from Mason's All Nine Fence.

But you need not keep the fence if you are dissatisfied at any time during the first 30 days. We'll refund your money if you want it. But you won't. You'll surely think Mason's All Nine Fence the best bargain you ever struck. And remember, if anything goes wrong we are here to make it right.

Let us send our descriptive matter. We'll also quote you a special price on the fence erected complete if you'll tell us how much you need. Get this information before you buy a fence. Write today to

The Mason Fence Co., Leesburg, O.
