\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Take Hall's Family Pills for constipation.

It is popularly believed that winged seeds from trees travel to great distances on the wind, but the investigations of a British scientist, who has spent much time at Singapore, indicate that winged seeds have a far narrower range of flight than have "powder" seeds and plumed seeds. The greatest distance traveled by the winged seeds of a forest tree observed by this authority was 100 yards.

Have you seen the samples of the beautiful pillow tops which we are furnishing to old and new subscribers alike on payment of 40 cents additional? We invite you to call and inspect them. They are a novelty.

THE NEWS-HERALD.

"I don't like your heart action," the doctor said, applying the stethoscope again. "You have had some trouble with angina pectoris." "You're partly right, doctor," said the young man sheepishly; "only that ain't her name."—Ladies' Home Journal.
