Women, according to the law of average, live longer than men; their allotted span of life is 41.85 years, as against 39.91 for the opposite sex.

Weather reports are sent from Gibraltar to London daily by wireless telegraphy.

Griggs—What odd expressions these novelists use. For instance, in this book you loaned me the author tells of the heroine speaking "in a hollow voice."

Briggs—Well, that's all right in her case. You see, she tried her voice on the stage, and there was nothing in it.—Boston Transcript.

"There's a use for everthing in the world."

"What's the use of a jealous wife?"

"A great deal! If there were no jealous wives, how do you suppose a homely stenographer could get a job.—Judge.

Delle—I don't speak to Jack any more.

Nelle—What's the trouble?

Delle—I told him the Ladies' Aid approved of the way I dressed my hair, and he had the impudence to ask if it was ratified.—Philadelphia Record.

### Sealed Proposals

The Board of Deputy State Supervisors of Elections for Highland County, Ohio, will receive at the office of the Clerk of the board, up to 12 o'clock, noon, on the 6th day of May, 1912, sealed bids for the printing of the ballots for use at the primary election to be held in the several precincts in said County, May 21, 1912.

Said ballots must be printed and delivered to the board according to law and the specifications on file with the clerk and the number not less than the following:

4500 ballots for Democrats  
4500 ballots for Republicans  
4500 ballots for Democratic Presidential Preference

The ballots must be printed and bound in books, for use in the respective precincts, according to law.

Each bid must be accompanied with a bond (must use form furnished by the board) conditioned according to law.

The board reserves the right to reject any or all bids.

April 22, 1912.

C. F. FARIS, Chief Deputy  
H. L. WIGGINS, Clerk
