As was noted in our letter of last week the schools here observed Survey Day on last Friday both afternoon and evening. A very well rendered program was carried out by the grades under the directions of Mr. Haines. Then at night in the High School Auditorium, which had been tastefully decorated by the High School pupils with the High School colors, was held the meeting with the parents and patrons of the schools. The High School was fortunate in securing Dean Minnich, of Oxford, for the evening address. The Dean spoke in his usual happy manner, besides showing stereopticon views of both the good and bad conditions of some of Ohio's school buildings. Mrs. Henderson had a very interesting and helpful paper. Then Rev. Martin gave some wholesome advice tending towards the betterment of the schools. Dorothy Faris, of the sixth grade, sang a sweet song which was greatly appreciated. Misses Marion DeLaney and Salome Montgomery sang a duet. Mary West and Marie Perry rendered a piano duet, but the event of the evening aside from the speaking was the Lynchburg High School song, led by Marion DeLaney. Col. Owen West was elected a delegate to attend the Survey Convention at Columbus, Dec. 5 and 6.
