Dr. Wm. HALL'S

BALSAM FOR THE LUNGS,

FOR THE CURE OF

Consumption, Decline, Asthma, Bronchitis, Wasting of the Flesh, Night Sweats, Spitting of Blood, Hooping Cough, Difficulty of Breathing, Colds, Coughs, Influenza, Phthisic, Pain in the Side, and all Diseases of the Chest and Lungs.

10,000 Dollars Reward

Is offered for a better Receipt. It contains no Opium, Calomel, or Mineral Poison, and is safe for the most delicate Child!

IT is estimated that 150,000 persons die annually in the United States with consumption, and Professor Eberly says that a vast number of these could be saved by the timely use of some prompt remedy.

Dr. HALL'S BALSAM STRIKES, at the ROOT of the DISEASE AT ONCE, and such is its speedy effect, that any one using it freely according to directions for 24 or 48 hours, and not entirely satisfied with its merits may return it and receive back his money. MONEY WILL BE CHEERFULLY REFUNDED.—The most distressing cough is frequently relieved by a single dose, and broken up in a few hours' time. The afflicted do not have to take bottle after bottle before they find whether this remedy will afford relief or not.

Call on the agent and get a pamphlet gratis. THE TREATISE on CONSUMPTION alone is worth more than the price of this medicine. You will find certificates of PHYSICIANS, in CINCINNATI and of others whose cures have been effected here at home, where they can be found.

The public have been imposed upon by remedies, recommended by certificates which have always originated from some unknown source. We believe that a Medicine Possessing Real Merits will effect cures wherever it is used, at home as well as abroad. This is no Paregoric preparation, but one which if used in season will save the lives of thousands; and persons may make this bargain with Agents from whom they purchase, that in every case where it is used freely according to directions, and entire satisfaction is not given in 24 or 48 hours, they can return the medicine, and their Money will be cheerfully refunded.

WEIGH AND CONSIDER.

Dr. Hall's Balsam, is no Paregoric but a Medicine which makes cures at home where the parties can be found. The great Cough and Consumptive remedy.

Reader! have you a cough, which you are neglecting under the idea that it is only a common cold, and that it will soon "wear itself out?" Let a friend tell you, in all kindness, what will soon be the probable result. In a short time, if you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp darting pains. Then a dry hacking cough will set in, and when you raise anything it will be a thick and yellowish, or white frothy matter, streaked perhaps with blood. If you still take no medicine, these unpleasant symptoms will increase, and you will soon have hectic fever, cold chills, night sweats, copious expectoration, and then great prostration. If you still neglect yourself, a few weeks or months will see you consigned to the grave, leaving your friends to mourn how rapidly consumption did its work, and hurried you away. Friend! have you no cause to be alarmed? In the above sketch you may see in a glass, how every case of consumption progresses, with more or less rapidity, to a fatal termination.—Of all the thousands and millions whom this great Destroyer has gathered to the tomb, every single case began with a cold! If this had been attended to, all might have been well; but, being neglected, under the fatal delusion that it would "wear itself off," it transferred its deadly action to the substance of the Lungs, exciting there the formation of tubercles.—Another, and another cold added fuel to the flame, until these tubercles began to soften and suppurate, leaving, by their ulceration, great cavities in the Lungs. At this crisis the disease is very difficult of cure, and oftentimes sets at defiance all human means.

In the latter, or worst stage, this medicine will oftentimes arrest the disease, or check its progress, and will always make the patient more comfortable, and prolong his life, and it is therefore worthy of a trial—but in its incipient or forming periods, Consumption is as curable as any other disease, and Dr. Hall's Balsam for the Lungs, if taken at this time, will cure it as surely as it is taken! We earnestly exhort all who have a cough, or are subject to colds, to keep the medicine by them, and whenever you take cold, eradicate it thoroughly, and at once, by this powerfully healing compound, and leave your Lungs, uninjured, to carry you in full vigor to a good old age.

CONSUMPTION CURED!!!

TESTIMONY OF A PHYSICIAN.

Messrs. Baker, & Co.:

DEAR SIRS—The public generally are fully aware of the thousands of remedies for Diseased Lungs, under the titles of Sarsaparillas, Pills, Plasters, Liniments, &c., that are daily brought to their notice through the newspapers, by way of advertisements. My object in writing this note for publication, is to induce the public, or at least those who are afflicted (if they will use patent medicines,) to use one that contains articles of real use in Pulmonary Diseases. I am conscious that, in so doing, I am acting most unprofessionally, and derogatory to the interests of medical science and the regular practitioners of medicine.

The Medicine to which I refer is, "Dr. Hall's Balsam for the Lungs." I have prescribed it in a large number of cases, and always with success. One case in particular, to which I wish now to refer, was given up by several Physicians who had been called in consultation with myself. The Patient had all the symptoms of confirmed consumption, such as Cold Night Sweats, Hectic Fever, Harassing Cough, with continued pain in the lobe of the Right Lung, attended with severe Diarrhœa! He commenced immediately to get better, by the use of the above named medicine, and was soon Restored to his usual health! I have also found Dr. Hall's Balsam the most valuable Expectorant for breaking up distressing Coughs and Colds that I have ever used.

W. D. WRIGHT, M. D.

MORE PHYSICIANS' TESTIMONY.

We, the undersigned, Physicians of Cincinnati, certify that Dr. Wright's statements are entitled to the fullest confidence of the public, and we can fully corroborate, what he has said, having used Dr. Hall's Balsam in a number of cases, with the happiest effects!!

DR. HOOFLAND'S

CELEBRATED GERMAN BITTERS,

PREPARED BY

DR. C. M. JACKSON,

AT THE GERMAN MEDICINE STORE,

120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skilful physicians have failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digistive organs, they are withal, safe, certain and pleasant.

READ AND BE CONVINCED.

From the "Boston Bee."

The editor said, Dec. 22nd:

Dr. Hoofland's Celebrated German Bitters for the cure of liver complaint, jaundice, dyspepsia, chronic or nervous debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received a permanent cure of liver complaint fro the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience and to the afflicted we advise their use.

"*Scott's Weekly*," one of the best Literary papers published, said, Aug. 25—

"*Dr. Hoofland's German Bitters*, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE.

The Hon. C. D. Hineline, Mayor of the city of Camden N. J., says:

"*Hoofland's German Bitters.*"—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. From inquiry we were pleased to learn it, and must say we found it specific in its action upon diseases of the liver and digestive organs, and the powerful influence it exerts upon nervous prostration is really surprising. It calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

"If this medicine was more generally used, we are satisfied there would be less sickness, as from the stomach, liver, and nervous system, the great majority of real and imaginary diseases emanate. Have them in a healthy condition, and you can bid defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself It should, in fact, be in every family. No other medicine can produce such evidences of merit."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in *all bilious diseases*—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

Look well to the marks of the genuine.

They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, *without which they are spurious.* For sale Wholesale and Retail at the GERMAN MEDICINE STORE.

AYER'S CHERRY PECTORAL

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

MANY years of trial, instead of impairing public confidence in this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys. While many inferior remedies thrust upon the community, have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produces cures too numerous and too remarkable to be forgotten.

While it is fraud on the public to pretend that any one medicine will infallibly cure, still there is abundant proof that the Cherry Pectoral does not only as a general thing, but almost invariably, cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log cabin of the American peasant, to the palaces of European Kings. Throughout this entire country, in every state, city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best remedy extant for diseases of the Throat and Lungs, and in many foreign countries, it is coming to be extensively used by their most intelligent Physicians. In Great Britain, France, and Germany, where the medical sciences have reached their highest perfection, CHERRY PECTORAL is introduced, and in constant use in the Armies, Hospitals, Alms-Houses, Public Institutions, and in domestic practice, as the surest remedy their attending Physicians can employ for the more dangerous affections of the lungs. Also in milder cases, and for children it is safe, pleasant, and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

The Cherry Pectoral is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care.

It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration. We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.
