NEXT Saturday, or Sunday, is the day set apart for the decoration of the soldiers' graves. The festival will be observed generally throughout the country, as we notice by our exchanges that preparations are being made in almost every town and city to observe the occasion. Here, we presume, as has been the case, the day will pass unnoticed, as we have heard of no move towards observing it.

NEW MACHINERY.—Messrs. Stevenson & Sears have just added a splendid, large iron Lathe, and also a new Drill, to their establishment. The proprietors are getting their establishment in a tip-top order, and as they are prepared to turn out first class work, and do all kinds of repairs on short notice, we advise all who may need their services to give them a call.

We learn from the last Tiffin Tribune that John Galbraith, Esq., and Hon. Henry St. John, residents of Seneca county, both died suddenly, a few days ago, the former aged 79 and the latter 80 years. These gentlemen were well known to many of our readers, and were here fifty years ago, when the forest stood forth in its primitive grandeur, and the shrill whoop of the Indian was the only sound that broke its solitude.

We wish to call particular attention to Seward & Bentley's Constitution Bitters, advertised in our paper this week. Their Bitters are said to be the finest tonic and most agreeable stimulant for the weak and delicate, and are highly recommended by Physicians for the prevention of Fevers, and Ague, and all malarious diseases. They create a healthy appetite, and strengthen the whole system. We are glad to have them introduced in this section, and hope they will take the place of all the poisonous compounds heretofore palmed off on the invalid as Bitters. From what we have heard said of them by those who ought to know, we are satisfied that a fair trial will convince all that they are as represented—a superior medicinal preparation. They are sold by L. A. Drummer. For a cough, use "Seward's Cough Cure."

Now that the warm weather has come, the heavy garments must be laid aside, and light, cool ones substituted. A splendid supply of Gent's Furnishing Goods for summer wear will be found at the Clothing Emporium of W. A. Widman, No. 3 Beery Block. Walk in.

NEVADA ITEM.—The duplication services of the M. E. church were very largely attended, the house being full to overflowing. The Rev. Dr. Merrifield preached in the forenoon and evening, and Rev. Mr. Whiteman in the afternoon, both of whom were listened to with an appreciative audience. The amount of subscription raised was nearly three thousand dollars, which, owing to the hard times, was quite a liberal subscription. The bell, which was put up on Saturday afternoon, weighed 1,000 pounds, and has a melodious and length of vibration rarely met with, and does credit to the manufacturers, Messrs. Jones & Co., of Troy, N. Y. Mr. Peterson, the obliging officer of the P. Ft. W. & C. R. R. has the sincere thanks of the people for his favor of the ropes and blocks to raise the bell and for his kindness in forwarding and returning them free of charge. Such kindness should ever be remembered. OCCIDENTAL.

These lines were suggested by a walk through a flower garden on a beautiful spring day: Yes, beautiful spring, thy days have come, In which the opening flowers Show forth in beauty the April sun, O' hill, in vale, and bow.

THE Sarsaparilla Diggers of Yucatan. This singular set of people are descended from the ancient Aztecs of Southern Mexico, and still retain some of the peculiarities which Stephens and Dr. J. C. Ayer & Co. employ a small army of them in digging Sarsaparilla root. Provided with narrow spades, a coil of rope, and a bag of water, they are ready for the forest where the wild banana furnishes them food and thick leaved trees their only shelter. Few of those who find themselves rejuvenated by this product, know how much they are indebted to the toil of these humble laborers, who dig health for thousands of Doctor Ayer's patients, while they sometimes lose their own.
