A GREAT COUGH REMEDY! Vegetable Cough Syrup! For the Rapid cure of coughs, colds, Hoarseness, Croup, Whooping cough, Asthma, &c. Difficultly of Breathing, Spitting of Blood, First stages of Consumption, soreness of the Throat and all Affections of the Pulmonary Organs.

This Syrup is an invaluable remedy for the alleviation and cure of Pulmonary Diseases. It is exempt in its action, pleasant to the taste, and from its extreme mildness, is peculiarly applicable to the use of children and persons in delicate health. As an anodyne expectorant, it will always be found to be beneficial, by alleviating and arresting the several stages of coughing so distressing to the patient.

The afflicted can rely upon its doings of much, or more than any other remedy in soothing the nerves, facilitating expectoration, and healing the Diseased Lungs, thus striking at the root of all disease and eradicating it from the system. All I ask is a trial of this preparation, as it has no equal in its effects, and never fails to give entire satisfaction to all who use it. We warrant it in all cases, or the money refunded. Try it only 25 cts. and 50 cts. a Bottle.

THE FERTILIZER FOR MARYLAND LANDS. BAUGH'S Raw-Bone Phosphate! Containing 53 per cent. of Phosphate of Lime, and 4.05 per cent. of Ammonia.

It should be borne in mind that the Phosphate of Lime in this article, being obtained exclusively from Raw Bones, and a true Bird Guano, there is no part of it imported, as in the case of Super Phosphate made from Mineral Gypsum, but being entirely Soluble in the Soil, continues to impart its fertilizing qualities to the crops for years. The remarkable success which has attended its use in Maryland and parts of Virginia, is a sufficient guaranty to induce those who have not tried it to do so.

The Great Crop of this State, where this Fertilizer has been applied, is supposed to have been increased from 25 to 50 per cent. by its use; while for Tobacco and Grass Lands its success has been equally decided. The Baltimore price is uniform with the Manufacturer's Factory Price. GEORGE DUGDALE, Manufacturer of a Grade, No. 105 Smith's Wharf, Baltimore, Md. For sale by BOWERS & GEHR, feb-3-66 Westminister.
